CHAPTER 408

AN ACT to create 341.41 (6) of the statutes, relating to reciprocity and proportional registration of certain vehicles.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

341.41 (6) of the statutes is created to read:

341.41 (6) The commissioner is authorized to accept proportional registration of a fleet of 3 or more vehicles of any duly authorized common carrier of passengers as defined in s. 194.01 (5), operating such fleet in interstate commerce or jointly in interstate and intrastate commerce in this state, if he is satisfied prior to the approval of such proportional registration that this state will obtain a fair and equitable share of license registrations of the vehicles comprising such fleet. Such proportional registration shall be accomplished either by payment, to the motor vehicle department, of registration fees in an amount equal to that obtained by applying the proportion of in-state fleet miles divided by the total fleet miles to the total fees which would otherwise be required for the registration of each and all such vehicles in this state, or by registration of a portion of such vehicles as above determined.

Approved September 3, 1959.
