CHAPTER 695

AN ACT relating to the requirement that all territory in the state be in school districts operating high schools.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

The urban problems committee of the legislative council established by joint resolution No. 94, S., of 1959, shall make a study of the present and future administrative, economic and social impact of chapter 563, laws of 1959, and bill No. 992, A., and all amendments offered thereto, paying particular attention to the significance of this impact on urban areas. The committee shall report its findings and recommendations to the legislative council before December 1, 1960, and the council shall present the same with proposed legislation, if any, to the 1961 legislature when it convenes.

Approved June 23, 1960.
