CHAPTER 265

AN ACT to create 28.06 (5) of the statutes, relating to state forest nursery stock and providing a penalty.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

28.06 (5) of the statutes is created to read:

28.06 (5) FORFEITURES. Any person who uses planting stock which he knows was produced in state forest nurseries for any purpose other than those specified in sub. (2) or for ornamental or landscape planting shall forfeit for each violation not more than \$1,000. Such forfeiture shall be enforced by the attorney general upon report of any violation made to him by the conservation director.

Approved July 17, 1961.
