

CHAPTER 528

AN ACT to create 59.07 (3m) of the statutes, relating to permitting counties to make further awards to injured workers outside workmen's compensation.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

59.07 (3m) of the statutes is created to read:

59.07 (3m) INJURED COUNTY WORKERS. May, in addition to any payments made under ch. 102, make further payment in such amounts as the board determines to any county employe injured at any time before January 1, 1937, while performing services for the county, in cases in which such further payments were made over a period of time following the injury and were based on a moral obligation to such employe.

Approved May 20, 1964.
