## FOOTNOTES

<sup>1</sup>Section 8.02 in this bill covers this.

<sup>2</sup>When a candidate has party endorsement, he represents the party without regard to the number of votes so the requirement that all candidates for an office receive 5% of the vote for governor at the last 2 elections is repealed.

<sup>3</sup>This subsection provides how party candidates who do not aggregate enough votes are printed on the ballot. (See footnote 2)

<sup>4</sup>The provision for towns in counties over 500,000 population is repealed since it applies only to Milwaukee county, which has no towns.

<sup>5</sup>Section 5.58 (3) in this bill adequately provides for those candidates in a primary who take part in the following election.

<sup>6</sup>The provision for filing nomination papers after the caucus and up to 18 days before the spring election is repealed to allow sufficient time to prepare ballots and other preparations for the spring election.

<sup>7</sup>This subsection pertains only to Milwaukee county which does not have towns.

<sup>8</sup>The time requirement for the calling of a congressional district committee is repealed since the committee is no longer required.

<sup>9</sup>This provision, pertaining to unorganized Indian lands, is repealed as obsolete.

<sup>10</sup>This provision, pertaining to residing, is in conflict and creates ambiguity with the provisions of s. 6.10 in this bill pertaining to the same provisions and therefore this subsection is repealed.

<sup>11</sup>Repealed as unnecessary and ambiguous.

<sup>12</sup>The breakdown by percentages when dividing into wards is unnecessary since the requirement states they be as nearly uniform as possible.

<sup>13</sup>Posting is repealed in specific sections and s. 10.05 provides for posting in general.

<sup>14</sup>Repealed as unnecessary.

<sup>15</sup>No other municipality is required to list its election officials and therefore is repealed for uniformity.

<sup>16</sup>Repealed as unnecessary.

<sup>17</sup> and <sup>18</sup>The provisions for unorganized election districts in Indian lands are repealed as obsolete.

<sup>19</sup>The restrictions on what sections of the constitution can be submitted to the people

for amendment at specific elections are repealed since it has not been used and appears to be unconstitutional.

<sup>20</sup>The requirement that the statement contain no arguments is unnecessary since the statement is limited to an explanation of the effect of a "yes" or "no" vote.

<sup>21</sup>This section, pertaining to registration provisions that do not apply to Milwaukee, is no longer necessary since the registration provisions for all the state appear in sections 6.26 to 6.56 in this bill and any exceptions are specifically noted.

<sup>22</sup>The special provision that inmates of penal institutions and mental hospital patients not be included in population in specific instances is repealed for uniform use of the regularly prepared federal census.

<sup>23</sup>Repealed since sections 6.28 and 6.30 in this bill adequately so provide.

<sup>24</sup>Obsolete.
