CHAPTER 338, LAWS OF 1969

AN ACT to amend 84.06 (3) of the statutes, relating to contracts between municipalities and the state for highway improvement projects.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

84.06 (3) of the statutes is amended to read:

84.06 (3) If the commission finds that it would be more feasible and advantageous to have the improvement performed by the county in which the proposed improvement is located and without bids, the commission may, by arrangement with the county highway committee of the county, if possible, enter into a contract satisfactory to the commission to have the work done by the county forces and equipment and in such contract may authorize the county to purchase, deliver and store materials and may fix the rental rates of small tools and equipment. The contract shall be between the county and the state and shall not be based on bids, and may be entered into on behalf of the county by the county highway committee and on behalf of the state by the commission. Such contract is excepted from all provisions of ch. 16 and s. 289.14, but in case the total indebtedness to be incurred thereby as therein estimated exceeds \$5,000 the contract shall not be valid until the approval of the governor is indorsed thereon. *The provisions of this subsection relating to agreements between a county and a state shall also authorize and apply to such arrangements between a city, town or a village and the state. In such cases, the governing body of the city, town or village shall enter into the agreement on behalf of the municipality.*
