Relating to the life and public service of Norman Sussman.

The question was: Adoption?

Motion carried by unanimous rising vote.

#### **Assembly Resolution 33**

Relating to the life and public service of Norman Sussman.

By Assemblymen Sanasarian, Barbee, Parys, Sicula, Molinaro, Lipscomb, Nikolay and Huber.

The legislature and the people of the state of Wisconsin are greatly grieved to learn of the death on Sunday, April 20, 1969, of state Senator Norman Sussman at the age of 63. Mr. Sussman was hospitalized with a heart attack for six weeks before his death.

Mr. Sussman was born in Philadelphia, Pa., on May 26, 1905. He moved to Milwaukee in 1918. He graduated from Boys' Technical High School in 1924 and attended Milwaukee School of Engineering. Prior to his terms as a legislator, Mr. Sussman was an assistant supervisor of the city natorium, a business agent for American Federation of State, County and Municipal Employes, and formerly a grocer and served as president of the Independent Neighborhood Grocers Association. In addition, he served as a steward and executive board member of the AFL-CIO Building Service Employee Union. He was a past president of the Gilead Lodge of B'nai B'rith. He was a member of the Old Timers Baseball League, and National Association for the Advancement of

## JOURNAL OF THE ASSEMBLY [April 22, 1969]

Colored People, the Mental Health Association and the Milwaukee Government Service League.

Mr. Sussman was a Democrat. He was a member of the Milwaukee County Democratic Council. He also participated in national Democratic politics and served as a delegate for President Kennedy at the 1960 Democratic National Convention.

Mr. Sussman was elected to the Assembly in 1957 and served in the Assembly until being elected to the Senate in 1960. He was reelected to his seat in the Senate in 1962 and again in 1966. He was the representative of the people of the 9th senatorial district which consisted of the 4th, 6th and 13th Milwaukee assembly districts and wards 2, 3 and 6 in the city of Milwaukee.

Mr. Sussman was a member on the Senate Governmental and Veterans' Affairs Committee and the Senate Public Welfare Committee during this legislative session. He was considered a liberal and was especially interested in attempts to reduce the rise in juvenile crime.

His status as a powerful advocate of liberal causes was enhanced by his colorful use of language. His notable and quotable "Sussmanisms" delighted the gallery and the press. In addition, these well mixed metaphors often brought home his point in a cogent manner.

Mr. Sussman is survived by his wife, Rose, and two brothers, Martin N. and Jay H., both of Milwaukee.

In recognition of his record of public service and exemplary life, be it

*Resolved by the assembly,* That the legislature of the state of Wisconsin expresses its sorrow at the death of state Senator Norman Sussman and extends its most sincere sympathy to the members of his family; and, be it further

Resolved, That a duly attested copy of this resolution be sent to each of the survivors of the deceased.

### EXECUTIVE COMMUNICATION

To the Honorable, the Assembly:

I am returning herewith **Assembly Bill 71** without my approval.

I fully support the Legislature's concern to meet its commitment to provide the school aids authorized by the 1967-69 session, and I concur in the Legislature's desire to provide for the continuation of the Veterans Housing Loan Fund. I believe that the Legislature acted sincerely and conscientiously in developing this legislation, but also I believe that its overall impact would create seriously detrimental effects.

In returning this bill, I am providing steps to meet the problems of additional school aid payments authorized by

## JOURNAL OF THE ASSEMBLY [April 22, 1969]

the Legislature and the need for additional veterans' housing loan funds in a forthright fiscal manner. I am accompanying this message with a specific amendment to my budget recommendations which are now pending before the Joint Committee on Finance. This amendment provides:

(1) That the additional school aids be funded as part of the 1969-71 budget, payable to the districts not later than August 1, 1969.

(2) That the Veterans Housing Loan Fund be increased by \$5,000,000 payable from general tax revenues in the 1969-71 budget.

(3) That the school aid formula for the 1969-71 biennium be amended to provide increased support from the current \$39,000 property valuation per student level to a \$42,000 level, and comparable increases in the flat aids as recommended in Senate Bill 249.

Because of the recent revision of school aid estimates which have been reported by the Department of Public Instruction, these can all be funded from the revenue proposals which are included in the budget bill, and still reduce my overall budget recommendations by \$6,200,000 in the 1969-71 biennium.

I recognize that in some few and extreme situations there may be school districts which will require immediate fiscal relief even prior to the August 1st payout deadline. In those situations, I will recommend that the Board on Government Operations transfer funds which it currently has in its appropriation balances. These funds would be allocated upon certification by Department of Public Instruction as advances against a district's proportion of the school aids due to meet these emergencies if, and when, they become identified.

The above actions, if taken promptly through enactment of my 1969-71 budget proposal, will satisfy the serious needs of the state's school districts and insure continuation of the Veterans Housing Loan Fund program.

Among the major reasons for withholding my approval of **Assembly Bill 71** are the following:

(1) This bill violates the constitutional obligation I have, as the Chief Executive, to assure the people of this state that the financial operations of the state are carried out in a responsible and forthright manner. This bill creates a new

expenditure commitment, but does not provide funding to support it. Rather, it attempts to use funds already committed to the state's operations, and, in doing so, it would further strain the state's overall fiscal situation.

(2) Many of the so-called program cuts in this bill are really deferrals of expenditures which will have to be made in a few months. Therefore, to use these funds as "support revenue" for this bill circumvents my warning that as Governor I will sign no pending legislation which is not totally funded.

(3) The legislation proposed would force a transfer to the General Fund of monies from the fishing and hunting licenses and gasoline taxes which our law currently dedicates to conservation programs and highway construction purposes.

(4) The bill purports to lapse federal funds to the state treasury—funds over which the state does not have jurisdiction.

(5) The bill removes state support funds from a federal program aimed at helping people on public assistance become self-sufficient. The federal law stipulates that if this is done, a dollar-for-dollar reduction will be made in federal funds that would otherwise be paid to the State of Wisconsin.

(6) **Bill 71, A.**, attempts to pass on substantive programs without giving full consideration or assessment to the impact of program changes.

For the above reasons, I am returning **Assembly Bill 71** without my approval. I have again reviewed this bill very carefully and have determined that in good conscience I simply cannot sign it.

Respectfully submitted,

WARREN P. KNOWLES,  
Governor.

April 22, 1969.
