COMMUNICATION

Wisconsin Legislature
Assembly Chamber
Madison 53702
Office of the Chairman
Assembly Committee on Highways

March 12, 1970.

Mr. Harold Froehlich
Speaker of the Assembly
211 West, Capitol

Dear Speaker Froehlich:

I am asking that during the interim I may resign from the interim committee on Education. I make this request because of the additional workload that is being taken up by the committee on State Affairs; being co-chairman of the interim committee on Highways; and in addition, I am chairman of the committee on Education of the Council of State Governments.

It is with regret that I make this request.

Respectfully,

WILLIS J. HUTNIK,
Representative to the Assembly.
