REPORT OF SPECIAL COMMITTEES

**REPORT OF JOINT SURVEY COMMITTEE ON
TAX EXEMPTIONS**

APPENDIX TO SENATE BILL 310

Public Policy Involved

The bill is undesirable as a matter of public policy. It is not an exclusion from taxation on the basis of ability to pay income taxes to those over 65 as the \$1500 is deducted from the top bracket of taxable income. It therefore extends greater benefits to those with the highest taxable income and provides little or no relief to persons with the greatest need in the lower income brackets.

Further, the bill discriminates against people retired from agriculture and federal, state and local public employment.

JOURNAL OF THE SENATE [June 4, 1969]

If this bill is passed it will generate a demand for the elimination of the discrimination. This would result in an additional revenue loss in the 1969-71 biennium to the state of \$2,383,742 and to the tax districts of \$854,158.

The legislature has provided relief to persons over 65 by allowing a greater income tax credit exemption—it has also provided property tax relief to this group of property taxpayers and renters. The state's cost of the property tax relief program has been as follows:

1964-65	\$2,002,562
1965-66	1,947,107
1966-67	5,201,926 (liberalized)
1967-68	6,141,800

Respectfully submitted,

JOINT SURVEY COMMITTEE
ON TAX EXEMPTIONS

CHESTER E. DEMPSEY,
Chairman.

ROBERT O. UEHLING,
Vice-Chairman.

Referred to committee on Labor, Taxation, Insurance and Banking.

REPORT OF JOINT SURVEY COMMITTEE ON
TAX EXEMPTIONS

APPENDIX TO SENATE BILL 387

Public Policy Involved

In the enactment of Chapter 614, Laws of 1965, which exempted pollution abatement plant and equipment the legislature had not been informed of the effect the exemption would have not only on the taxpayers of the tax district involved with such plant and equipment, but also the taxpayers of the county and of the joint school district. The property exempted by Chapter 614 included installations that

JOURNAL OF THE SENATE [June 4, 1969]

had been approved as far back as the early 1920's. All this property through May 1, 1966 had been on the local assessment roll. The removal of this substantial portion of the tax base all in one year beginning May 1, 1967 seriously shifted the distribution of state, county and school taxes.

As the abatement of water and air pollution is of benefit to all the taxpayers in Wisconsin it would be desirable to grant the tax relief in this proposal on all installations through August 1, 1966. The tax districts are in better position to absorb current installations as the items will not be in the tax base.

Respectfully submitted,

**JOINT SURVEY COMMITTEE
ON TAX EXEMPTIONS**

CHESTER E. DEMPSEY,
Chairman.

ROBERT O. UEHLING,
Vice-Chairman.

Referred to committee on Labor, Taxation, Insurance and Banking.

**REPORT OF THE JOINT SURVEY COMMITTEE
ON TAX EXEMPTIONS**

APPENDIX TO SENATE BILL 418

Public Policy Involved

This bill is undesirable as a matter of public policy for it treats a brother or sister of the claimant as a member of the claimant's household and as a result the brother's or sister's income would be added to claimant's income in determining whether a property tax relief was payable. The original enactment of the Homestead Relief Act included a

JOURNAL OF THE SENATE [June 4, 1969]

similar provision. This was removed by the legislature by Chapter 622, Laws of 1965, effective on 1966 income tax returns.

Respectfully submitted,

**JOINT SURVEY COMMITTEE
ON TAX EXEMPTIONS**

CHESTER E. DEMPSEY,
Chairman.

ROBERT O. UEHLING,
Vice-Chairman.

Referred to committee on Labor, Taxation, Insurance and Banking.

**REPORT OF JOINT SURVEY COMMITTEE
ON TAX EXEMPTIONS**

APPENDIX TO SENATE BILL 419

Public Policy Involved

The bill is desirable as a matter of public policy for it removes an exemption that was originally intended to cover work horse power on the farm as well as the major means of transportation.

Respectfully submitted,

**JOINT SURVEY COMMITTEE
ON TAX EXEMPTIONS**

CHESTER E. DEMPSEY,
Chairman.

ROBERT O. UEHLING,
Vice-Chairman.

MOTIONS

Senate Bill 529

Was recalled from the committee on Agriculture upon motion of Senator Keppler, with unanimous consent, and placed on the calendar.

MOTION UNDER JOINT RULE 26

The State of Wisconsin * * * Citation by the Legislature

Know you by these presents:

Whereas, Jerry Leonard's 12 years of service in the Wisconsin Legislature has been distinguished by his conscientious concern in seeking to make Wisconsin state government responsible and responsive to the problems created by our rapidly changing society and technology; and

Whereas, Jerry Leonard demonstrated his considerable sense of public responsibility and leadership ability in working for the passage of legislation to make our state a leader in such urgently-essential fields as air and water pollution control, human rights, state government reorganization and other controversial fields in which leadership frequently required espousal of unpopular positions; and

Whereas, Jerry Leonard was unswerving in his desire to make the Wisconsin Legislature as efficient and effective as possible—and a credit to the men who serve in it; and

Whereas, notwithstanding heavy demands imposed on his time and energies by his legislative duties, Jerry Leonard always found time to distinguish himself also in community affairs and personal involvement with a broad cross-section of our society; and

Whereas, Jerry Leonard has been selected by the President of the United States as an Assistant Attorney General, one of the most challenging assignments in the National
