Mr. William P. Nugent  
Senate Chief Clerk

Dear Mr. Nugent:

Enclosed are copies of the reports and recommendations of the State Claims Board covering claims heard by it.

the awards over \$500 and will submit them to the joint committee on Finance for legislative introduction. The awards made under the provisions of s. 16.008, Wisconsin Statutes, have been paid directly to those municipalities.

These reports are for the information of the Legislature. The Board would appreciate your acceptance and spreading of them upon the journal to inform the members of the Legislature as to the nature of the claims which come before it for consideration.

Sincerely,

COMMITTEE REPORTS

The committee on Highways reports and recommends:

**Assembly Bill 506**

Relating to cost accounting for highway construction projects.

Without recommendation (Assembly Rule 30).

JOSEPH E. JONES,  
Chairman.

JOINT SURVEY COMMITTEE ON  
TAX EXEMPTIONS

**Senate Joint Resolution 34**

This is not desirable public policy. Should this amendment be passed, Wisconsin would be well on the way toward a system of classified assessments. Not only would this involve different treatment for different kinds of property, but it would also involve differential treatment of the same

kind of property. Furthermore, as amended it would entail an open-ended state expenditure without funding those costs. In addition, Wisconsin's homestead tax relief program offers a far preferable alternative at tax relief for needy, elderly persons.

To calendar.

HARVEY L. DUEHOLM,  
Chairman.
