REPORT OF JOINT SURVEY COMMITTEE ON
RETIREMENT SYSTEMS

Assembly Bill 541

Due to the questionable funding provisions contained in the bill, as well as the failure to grant increased benefits to all retirees of the various Wisconsin state supported retirement systems, passage of this bill would appear inappropriate at this time. This committee feels that *the matter of post-retirement adjustments should be re-referred to the Retirement Research Committee for study and subsequent preparation of corrective legislation. The committee further feels that the bill and assembly amendment 1 are not in the best public interest or deserving of passage at this particular time.*

To joint committee on Finance.

Assembly Bill 1230

The proposal contained in this bill will solve the problem of one individual, but it will not solve the identical problem of several hundred state and municipality members of the Wisconsin Retirement Fund. The matter of formula credit should be referred to the Retirement Research Committee for a detailed study and recommendation. It is therefore the feeling of this committee that *passage of this bill, which deals with a very limited portion of the problem, is not in the best public interest.*

To calendar.

JOURNAL OF THE ASSEMBLY [October 14, 1971]

Assembly Bill 1193

This bill will clarify, as well as standardize, withdrawal rights regarding teachers additional deposits and voting membership in a Retirement Association. It is the opinion of this committee that *passage of this bill is in the best public interest.*

To calendar.

REUBEN LaFAVE,
Chairman.
ALVIN BALDUS,
Vice-Chairman.
