#### Analysis by the Legislative Reference Bureau

This resolution prohibits the consumption of food and beverages on the assembly floor.

---

*Resolved by the assembly,* That assembly rule 9m is created to read:

**RULE 9m. FOOD AND BEVERAGES PROHIBITED.**  
No food or beverages may be consumed on the floor of the assembly.

By Representatives Anderson and Kleczka.  
To committee on Rules.

#### **Assembly Resolution 58**

To amend assembly rule 74 (1); and to create assembly rule 61m, relating to debate under delayed calendars.

---

#### Analysis by the Legislative Reference Bureau

This resolution alters assembly procedure so that when the assembly has one or more calendars pending of a later date than on which it is working, debate on pending questions on a measure is limited to 5 minutes for any member

## JOURNAL OF THE ASSEMBLY [March 9, 1972]

and 20 minutes on any question. However, on questions of concurrence in senate bills and final passage of assembly bills, the limits are 15 minutes and 2 hours, respectively, with not more than one hour allocated to either side of the question. These limits do not apply to special orders created by resolution by the committee on Rules.

A technical correction on the order under which motions to reconsider are offered is made to conform to practice in recent years.

---

SECTION 1. Assembly Rule 61m of the statutes is created to read:

**RULE 61m. *DEBATE UNDER DELAYED CALENDAR.*** (1) Whenever the assembly has one or more calendars pending of a later date than the calendar on which the assembly is then working, debate on measures on that calendar is limited, as follows:

(a) Except as provided in par. (b), no member may speak for more than 5 minutes on any pending question, nor may any question be considered for more than 20 minutes.

(b) On the questions of concurrence in senate bills and final passage of assembly bills, no member may speak for more than 15 minutes at one time on the question, and debate shall be limited to a total of 2 hours, with not more than one hour allocated to the affirmative side of the question and not more than one hour allocated to the negative side of the question.

(2) The limitations under sub. (1) do not apply to measures made a special order of business by resolution offered by the committee on Rules and adopted by the assembly.

SECTION 2. Assembly Rule 74 (1) of the statutes is amended to read:

**RULE 74.** (1) This motion shall be made on the same legislative day immediately following the vote or on the ~~3rd~~ 10th order of the same or the next succeeding legislative day on which any roll call is taken.

By Representative Anderson.  
To committee on Rules.

## JOURNAL OF THE ASSEMBLY [March 9, 1972]

### Assembly Resolution 59

To amend assembly rule 26 (1); and to create assembly rule 26 (3) and (4), relating to withdrawing proposals from committee.

---

#### Analysis by the Legislative Reference Bureau

This resolution alters assembly procedure so that if a committee has not reported a proposal after 21 days, in addition to withdrawal by majority vote, this resolution permits withdrawal and reference to calendar by petition signed by at least 51 members. This procedure is not applicable to fiscal measures having no emergency statement prior to final passage of the general fund budget bill. If any motion to withdraw fails adoption, subsequent motions to withdraw require a two-thirds vote and are not debatable.

Motions to withdraw a bill from committee are in order only on the 1st regular-session day in each calendar week.

---

Resolved by the assembly, That:

SECTION 1. Assembly Rule 26 (1) is amended to read:

RULE 26. (1) After 21 calendar days, if the committee has not reported a proposal to the assembly ~~the~~:

(a) *The assembly may by a majority vote of the members present withdraw such proposal from the committee; or*

(b) *Any proposal may be withdrawn from any committee and referred to the calendar by petition for its withdrawal and referral signed by at least 51 members and filed with the chief clerk. Upon the filing of the petition, the chief clerk shall place the proposal on the calendar and shall note the receipt of the petition in the journal. This paragraph does not apply, prior to final passage of the general fund budget bill in both houses, to those fiscal measures which have no emergency statements authorizing their earlier passage.*

SECTION 2. Assembly Rule 26 (3) and (4) are created to read:

RULE 26. (3) If a motion to withdraw a proposal from a committee has been made and failed adoption, all subsequent motions to withdraw the proposal from that committee require a two-thirds affirmative vote and shall be decided

## JOURNAL OF THE ASSEMBLY [March 9, 1972]

without debate. Such subsequent motions are in order only on the 1st day in each calendar week on which the call of the roll occurs under the 1st order of business.

(4) Any motion to withdraw a proposal from a committee is in order only on the 1st day in each calendar week on which the call of the roll occurs under the 1st order of business.

By Representative Anderson.  
To committee on Rules.

### Assembly Resolution 60

To create assembly rule 17m, relating to special orders of business.

---

#### Analysis by the Legislative Reference Bureau

This resolution alters assembly procedures so that after a measure is reported out by a standing committee, any member may request the committee on Rules to prepare a resolution making the measure a special order of business. The resolution may contain limits on debate and amendment of the bill and, if debate limits are proposed, shall designate floor managers. Limitation on consideration of amendments must have the approval of at least one member of the minority party on the committee on Rules. The resolution is privileged and shall not be amended. Any special order so established shall be set at least 24 hours after adoption of the resolution.

---

Resolved by the assembly, that:

Assembly Rule 17m is created to read:

**RULE 17m. RESOLUTIONS FOR SPECIAL ORDERS OF BUSINESS.** At any time after a measure has been reported out by a standing committee, any member of the assembly may request that the committee on Rules prepare a resolution making the measure a special order of business. After such deliberation as it deems necessary, the committee on Rules may determine to recommend, and may offer a resolution making the measure a special order of business at a time and on a date to be specified in the resolution.

## **JOURNAL OF THE ASSEMBLY [March 9, 1972]**

(1) Such resolution may include provisions limiting the time for debate on the measure and consideration of amendments. Limitation on consideration of amendments must have the approval of at least one member of the minority party on the committee on Rules to be included in the resolution. If the resolution proposes to limit debate, it shall name one "floor manager" each for those members supporting and those members opposed to the measure. Each floor manager shall have responsibility for allocating debate time on his side. The floor managers shall inform the speaker of the names of members to be recognized in debate.

(2) No amendment may be offered to any resolution by the committee on Rules making a measure a special order of business.

(3) Any resolution by the committee on Rules making a measure a special order shall be privileged and shall be taken up immediately ahead of all other business then pending. Such resolution may be received on any order of business.

(4) Any special order created by adoption of a resolution under this rule shall be set at least 24 hours following adoption of the resolution.

By Representative Anderson.  
To committee on Rules.
