STATE OF WISCONSIN

Assembly Journal

Eighty-First Regular Session

MONDAY, January 1, 1973.

2:00 P.M.

The assembly met.

The assembly was called to order by the chief clerk of the 1971 session, Mr. Thomas P. Fox.

The prayer was offered by Cantor Leo Fettman, 1622 Jefferson Street, Madison, Wisconsin 53711.

Almighty father, bless this first session of the 81st assembly as it convenes to take its oath of office. Provide them with guidance in their deliberations, may they fulfil the hope and aspirations of the people who elected them. May the steadfast serenity of experienced legislator add stability to the session, may the ideals of the newly elected legislator stimulate and invigorate those sessions.

Newly created conditions have created new problems and difficulties which, however, must be viewed as challenges. With the proper approach and determined will, they can be resolved.

It is to this that we invoke thy blessing, O Lord, that we may ultimately find peace.

Lord of the universe, may it be thy will to abolish war, and the spilling of blood from the entire world.

Nation shall not lift up sword against nation, and should study war no more.

JOURNAL OF THE ASSEMBLY (January 1, 1973)

All the peoples of the earth should perceive and know the truth for its own sake.

We only entered this world in order to recognize and to know you, may your name be blessed eternally.

May he who maketh peace in his high places, may he make peace for us, and say ye, Amen.

Representative Earl led the membership in reciting the pledge of allegiance to the flag of the United States of America.

POINT OF ORDER

JOURNAL OF THE ASSEMBLY (January 1, 1973)

RULING ON THE POINT OF ORDER

The speaker ruled the point of order not well taken.

Assembly Resolution 7

Relating to adopting the assembly rules for the 1973 session.

Analysis by the Legislative Reference Bureau

With the following exceptions, this resolution adopts as the house rules of the 1973 assembly the rules of the assembly in force at the termination of the 1971 session of the assembly.

1. (Assembly Rule 17m) After a measure is reported out by a standing committee, any member may request the committee on rules to prepare a resolution making the measure a special order of business. The resolution may contain limits on debate of the bill and the number of amendments. If debate limits are proposed, the resolution shall designate floor managers. The resolution is privileged and shall not be amended. Any special order so established shall be set at least 24 hours after adoption of the resolution. The special order will take precedence over all other measures on the calendar.

2. (Assembly Rule 26) If a committee has not reported a proposal after 21 days, in addition to withdrawal by majority vote, this resolution permits withdrawal and reference to calendar by petition signed by at least 50 members. This procedure is not applicable to fiscal measures having no emergency statement prior to final passage of the general fund budget bill. If any motion to withdraw fails adoption, subsequent motions to withdraw require a two-thirds vote and are not debatable. Motions to withdraw a bill from committee are in order only on the 1st regular-session day in each calendar week.

3. (Assembly Rule 40) This rule was an obsolete reference to a bill drafting deadline last observed in 1969. It is repealed.

4. (Assembly Rule 61m) When the assembly has one or more calendars pending of a later date than that on which it is working, debate on pending questions on any measure is limited to 5 minutes for any member and 20 minutes on any question. These limits do not apply to special orders created by resolution by the committee on rules.

5. (Assembly Rule 74) A technical correction on the order under which motions to reconsider are offered is made to conform to practice in recent years.

JOURNAL OF THE ASSEMBLY (January 1, 1973)

Resolved by the assembly, That

SECTION 1. Assembly rule 40 is repealed; assembly rules 26 (1) and 74 (1) are amended; assembly rules 17m, 26 (3) and (4), and 61m, are created; and all other assembly rules are continued in the wording in force at the conclusion of the 1971 regular session of the legislature, to constitute the rules of the 1973 assembly:

SECTION 2. Assembly Rule 17m is created to read:

Assembly Rule 17m. **Resolutions for special orders of business.** At any time after a measure has been reported out by a standing committee, any member of the assembly may request that the committee on rules prepare a resolution making the measure a special order of business. After such deliberation as it deems necessary, the committee on rules may determine to recommend, and may offer a resolution making the measure a special order of business at a time and on a date to be specified in the resolution.

(1) Such resolution may include provisions limiting the time for debate on the measure and the number of amendments. If the resolution proposes to limit debate, it shall name one floor manager each for those members supporting and those members opposed to the measure. Each floor manager shall have responsibility for his side for apportioning amendments under any limits set by the resolution and for allocating time for debate on his side. The floor managers shall inform the speaker of the names of members to be recognized in debate.

(2) No amendment may be offered to any resolution by the committee on rules making a measure a special order of business.

(3) Any resolution by the committee on rules making a measure a special order shall be privileged and shall be taken up immediately ahead of all other business then pending. Such resolution may be received on any order of business.

(4) Any special order created by adoption of a resolution under this rule shall be set at least 24 hours following adoption of the resolution.

(5) Unless the special order is adversely disposed of, any measure or motion on a measure which is made a special order under this rule shall take precedence on all succeeding calendars and orders of business over all other measures on the calendar which have not been made special orders under this rule.

SECTION 3. Assembly Rule 26 (1) is amended to read:

Assembly Rule 26 (1) After 21 calendar days, if the committee has not reported a proposal to the assembly, ~~the~~

JOURNAL OF THE ASSEMBLY (January 1, 1973)

(a) The assembly may by a majority vote of the members present withdraw such proposal from the committee; or

(b) Any proposal may be withdrawn from any committee and referred to the calendar by petition for its withdrawal and referral signed by at least 50 members and filed with the chief clerk. Upon the filing of the petition, the chief clerk shall place the proposal on the calendar and shall note receipt of the petition in the journal. This paragraph does not apply, prior to final passage of the general fund budget bill in both houses, to those fiscal measures which have no emergency statements authorizing their earlier passage.

SECTION 4. Assembly Rule 26 (3) and (4) are created to read:

Assembly Rule 26 (3) If a motion to withdraw a proposal from a committee has been made and failed adoption, all subsequent motions to withdraw the proposal from that committee require a two-thirds affirmative vote and shall be decided without debate. Such subsequent motions are in order only on the 1st day in each calendar week on which the call of the roll occurs under the 1st order of business.

(4) Any motion to withdraw a proposal from a committee is in order only on the 1st day in each calendar week on which the call of the roll occurs under the 1st order of business.

SECTION 5. Assembly Rule 40 is repealed.

SECTION 6. Assembly Rule 61m is created to read:

Assembly Rule 61m. **Debate under delayed calendar.** (1) Whenever the assembly has one or more calendars pending of a later date than the calendar on which the assembly is then working, debate on measures on that calendar is limited, as follows:

(a) No member may speak for more than 5 minutes on any pending question.

(b) No question may be considered for more than 20 minutes.

(2) The limitations under sub. (1) do not apply to measures made a special order of business by resolution offered by the committee on rules and adopted by the assembly.

SECTION 7. Assembly Rule 74 (1) is amended to read:

Assembly Rule 74 (1) This motion shall be made on the same legislative day immediately following the vote or on the ~~3rd~~ 10th order of the same or the next succeeding legislative day on which any roll call is taken.
