

JOURNAL OF THE SENATE (June 5, 1973)

STATE OF WISCONSIN
Senate Journal
Eighty-First Regular Session

TUESDAY, June 5, 1973.

10:00 A.M.

The senate met.

The senate was called to order by the president of the senate.

Prayer was offered by Msgr. Edward Kinney, Diocesan Director of the Madison Catholic cemetery, now retired from Parish work. He is and has been a member of the State Council for home and family since its inception.

Almighty, Eternal God, we come to a new day with its responsibilities and activities. We recognize at its beginning that we live each day and each moment of each day in the hollow of Your hand. We recognize that you have conferred great responsibilities upon us to preserve and interpret Your unchanging laws and to apply them to a changing world. The members of this legislative body understand that they take up their burdens today as members of a human society that needs Divine Guidance, a society which so often emphasizes the individual and sacrifices the common good. We pray, O God, that what we have begun by Your inspiration, may, through You, be nobly concluded. Amen.

The senate remained standing and the president of the senate led the senate in the pledge of allegiance to the flag of the United States of America.

The roll was called and the following senators answered to their names:

Know you by these presents:

Whereas, the registered Guernsey herd of Lester Lurvey and Sons, Tom and John, is the highest producing Guernsey herd in the nation with 30 to 50 records; and

Whereas, the 1972 herd average of the Boulder View Farms herd was 15,839 pounds of milk, and 736 pounds of buetterfat on 45 cows; and

Whereas, their last herd classification indicated four excellents, 25 very good and 5 desirable; and

Whereas, their herd is highlighted by a King Hal daughter that has been reserve grand champion at World Dairy Expo twice and just finished with a record; 5-3, 365 days, 18,820 milk and 981 fat; now, therefore, The Members of the Wisconsin Legislature, on the motion of Representative Giese and Senator Bidwell, under Joint

JOURNAL OF THE SENATE (June 5, 1973)

Rule 26, commend the Lester Lurvey family of Rural Route 2, Baraboo, for their phenomenal achievements in breeding and managing that have resulted in their purebred Guernsey herd being recognized as the finest of its size in the United States. We further commend the Lurvey family for their dedicated devotion to the dairy industry in general and the Guernsey breed in particular-- They personify the excellence which the modern day dairyman must achieve to perpetuate the improvements of the Guernsey breed and the aggressive marketing of "nature's most perfect food."
