32.03 When condemnation not to be exercised. (1)

The general power of condemnation conferred in this chapter does not extend to property owned by the state, a municipality, public board or commission, nor to the condemnation by a railroad, public utility or electric co-operative of the property of either a railroad, public utility or electric co-operative unless such power is specifically conferred by law, provided that property not to exceed 100 feet in width owned by or otherwise under the control or jurisdiction of a public board or commission of any city may be condemned by a railroad corporation for right of way or other purposes, whenever such city by ordinance consents thereto. This chapter does not apply to the acquisition by municipalities of the property of public utilities used and useful in their business, nor to any city of the 1st class, except that every such city may conduct any condemnation proceedings either under this chapter or, at its option, under other laws applicable to such city.

(2) Any railroad corporation or street or interurban railway corporation, or pipeline corporation may acquire by condemnation lands or interest therein which are held and owned by another railroad corporation, street or interurban railway or pipeline corporation. In the case of a railroad corporation, or street or interurban railway corporation no such land shall be taken so as to interfere with the main track of the railroad first established except for crossing, and in the case of a pipeline corporation no such land shall be taken except for crossing or in such manner as to interfere with or endanger railroad operations.

(3) Any public utility corporation, or co-operative association mentioned in s. 32.02 (10), upon securing from the public service commission, pursuant to written application and upon due notice to all interested parties, an order determining that lands or interests therein sought to be acquired by the applicant are owned by a public utility corporation or such rural electric co-operative and are not then being used by the owner for service to the public by the public utility or to its members by such

co-operative association and will not be required in the future for such purposes to an extent and within a period which will be interfered with by the appropriation of the lands or interests sought to be condemned, may acquire by condemnation such lands or interests therein. No lands, or interests therein, belonging to a public utility corporation or to any such co-operative association which is being held by such owner as a site for an electric generating plant, and no other property so owned, or any interest therein, which is used or suitable for the development of water power, shall be subject to condemnation under this subsection; except that an undeveloped water power site, belonging to any such public utility corporation or to any such co-operative association and which is within the flowage area of any other undeveloped water power site, may be condemned pursuant to this subsection, but only if, upon application to it, the public service commission, after hearing held upon notice to such owner and all parties interested, shall by order determine the necessity of taking such lands or interest therein. Such order shall be subject to review as prescribed by ch. 227. Any condemnation of lands pursuant to this subsection shall be conducted in accordance with the procedure and requirements prescribed by ss. 32.04 to 32.14.

(b) This subsection does not apply to the condemnation of a limited interest in real property or appurtenant personal property, except structures with foundations, necessary to conduct tests or studies to determine the suitability of a site for the placement of a utility facility, provided that:

1. Such a limited interest does not run for more than 3 years;
2. Activities associated with such tests or studies will be conducted at reasonable hours with minimal disturbance, and the property will be reasonably restored to its former state, upon completion of such tests or studies; and
3. The facility to be placed on such site has been described in an advance plan approved by

the public service commission under s. 196.491 (2) (i).

History: 1973 c 305; 1975 c 68.

County lands are not subject to condemnation by a town absent express statutory authority authorizing such condemnation 62 Atty. Gen. 64.

32.035 Agricultural impact statement.

(1) DEFINITIONS. In this section:

(a) "Department" means department of agriculture, trade and consumer protection.

(b) "Farm operation" means any activity conducted solely or primarily for the production of one or more agricultural commodities for sale and home use, and customarily producing the commodities in sufficient quantity to be capable of contributing materially to the operator's support.

(2) EXCEPTION. This section shall not apply if an environmental impact statement under s. 111 is prepared for the proposed project and if the department submits the information required under this section as part of such statement or if the condemnation is for an easement for the purpose of constructing or operating an electric transmission line, except a high voltage transmission line as defined in s. 196.491 (1) (f).

(3) PROCEDURE. The condemnor shall notify the department of any project involving the actual or potential exercise of the powers of eminent domain affecting a farm operation. If the condemnor is the department of natural resources, the notice required by this subsection shall be given at the time that permission of the senate and assembly committees on natural resources is sought under s. 23.09 (2) (d) or 27.01 (2) (a). To prepare an agricultural impact statement under this section, the department may require the condemnor to compile and submit information about an affected farm operation. The department shall charge the condemnor a fee approximating the actual costs of preparing the statement. The department may not publish the statement if the fee is not paid.

(4) IMPACT STATEMENT. The department shall prepare an agricultural impact statement for each project, except a project under ch. 81, if the project involves the actual or potential exercise of the powers of eminent domain and if any interest in more than 5 acres of any farm operation may be taken. The department may prepare an agricultural impact statement on a project if any interest in 5 or less acres of any farm operation may be taken and if the condemnation will have a significant effect on any farm operation as a whole. The statement shall list the acreage and describe all land lost to agricultural production and all other land with reduced productive capacity, whether or not the land is

taken. The department shall prepare the impact statement within 60 days of receiving the information requested from the condemnor under sub. (3). The department shall publish the statement upon receipt of the fee required under sub. (3). The condemnor may not negotiate with an owner or make a jurisdictional offer under this chapter until 30 days after the impact statement is published.

(5) **PUBLICATION.** Upon completing the impact statement, the department shall distribute the impact statement to the following:

(a) The governor's office.

(b) The senate and assembly committees on agriculture and transportation.

(c) All local and regional units of government which have jurisdiction over the area affected by the project. The department shall request that each unit post the statement at the place normally used for public notice.

(d) Local and regional news media in the area affected:

(e) Public libraries in the area affected.

(f) Any individual, group, club or committee which has demonstrated an interest and has requested receipt of such information.

(g) The condemnor.

History: 1977 c. 440.

32.04 Procedure in condemnation. All acquisition of property in this state by condemnation, except as hereinafter provided, commenced after April 6, 1960 shall be accomplished in the following manner:

32.05 Condemnation for sewers and transportation facilities. In this section, "mass transit facility" includes, without limitation because of enumeration, exclusive or preferential bus lanes if those lanes are limited to abandoned railroad right-of-ways or existing expressways constructed before May 17, 1978, highway control devices, bus passenger loading areas and terminal facilities, including shelters, and fringe and corridor parking facilities to serve bus and other public mass transportation passengers, together with the acquisition, construction, reconstruction and maintenance of lands and facilities for the development, improvement and use of public mass transportation systems for the transportation of passengers. This section does not apply to town highways created or altered under ch. 80 except as to jury trials on appeals under ss. 80.24 and 80.25, nor to proceedings in cities of the 1st class under chapter 275, laws of 1931, as amended (Kline Law). In cities of the 1st class, condemnation for housing under ss. 66.40 to 66.404, or for urban renewal under s. 66.431 may proceed under this section or under s. 32.06 at the option

of the condemning authority. All other condemnation of property for public alleys, streets, highways, airports, mass transit facilities, or other transportation facilities, or storm sewers and sanitary sewers or watercourses shall proceed as follows:

(1) **RELOCATION ORDER.** The county board of supervisors (or the county highway committee when so authorized by the board), county expressway and transportation commission, city council, village board, sewerage commission governing metropolitan sewerage district created by s. 59.96 or 66.22, secretary of transportation, a commission created by contract under s. 66.30, housing authority under ss. 66.40 to 66.404, redevelopment authority under s. 66.431 or community development authority under s. 66.4325 shall make an order providing for the laying out, relocation and improvement of the public highway, street, alley, storm and sanitary sewers, watercourses, mass transit facilities, airport, or other transportation facilities, housing project or redevelopment project which shall be known as the relocation order. This order shall include a map or plat showing the old and new locations and the lands and interests required. A copy of the order shall, within 20 days after its issue, be filed with the county clerk of the county wherein the lands are located.

(2) **APPRAISAL.** (a) The condemnor shall cause at least one, or more in his discretion, appraisal to be made of all property proposed to be acquired. In making any such appraisal the appraiser shall confer with the owner or one of the owners, or his personal representative, if reasonably possible.

(b) The condemnor shall provide the owner with a full narrative appraisal upon which the jurisdictional offer is based and a copy of any other appraisal made under par. (a) and at the same time shall inform the owner of his or her right to obtain an appraisal under this paragraph. The owner may obtain an appraisal by a qualified appraiser of all property proposed to be acquired, and may submit the reasonable costs of the appraisal to the condemnor for payment. The owner shall submit a full narrative appraisal to the condemnor within 60 days after the owner receives the condemnor's appraisal. If the owner does not accept a negotiated offer under sub. (2a) or the jurisdictional offer under sub. (3), the owner may use an appraisal prepared under this paragraph in any subsequent appeal.

(2a) **NEGOTIATION.** Before making the jurisdictional offer provided in sub. (3), the condemnor shall attempt to negotiate personally with the owner or one of the owners or his or her

representative of the property sought to be taken for the purchase of the same. In such negotiation the condemnor shall consider the owner's appraisal under sub. (2) (b) and may contract to pay the items of compensation enumerated in ss. 32.09 and 32.19 as may be applicable to the property in one or more instalments on such conditions as the condemnor and property owners may agree. Before attempting to negotiate under this paragraph, the condemnor shall provide the owner or his or her representative with copies of applicable pamphlets prepared under s. 32.26 (6). When negotiating under this subsection, the condemnor shall provide the owner or his or her representative with the names of at least 10 neighboring landowners to whom offers are being made, or a list of all offerees if less than 10 owners are affected, together with a map showing all property affected by the project. Upon request by an owner or his or her representative, the condemnor shall provide the name of the owner of any other property which may be taken for the project. The owner or his or her representative shall also have the right, upon request, to examine any maps in the possession of the condemnor showing property affected by the project. The owner or his or her representative may obtain copies of such maps by tendering the reasonable and necessary costs of preparing copies. The condemnor shall record any conveyance by or on behalf of the owner of the property to the condemnor executed as a result of negotiations under this subsection with the register of deeds of the county in which the property is located. The condemnor shall also record a certificate of compensation stating the identity of all persons having an interest of record in the property immediately prior to its conveyance, the legal description of the property, the nature of the interest acquired and the compensation for such acquisition. The condemnor shall serve upon or mail by certified mail to all persons named therein a copy of the statement and a notice of the right to appeal the amount of compensation under this subsection. Any person named in the certificate may, within 6 months after the date of its recording, appeal from the amount of compensation therein stated in the manner set forth in subs. (9) to (13) for appeals from an award under sub. (7). For purposes of any such appeal, the amount of compensation stated in the certificate shall be treated as the award and the date the conveyance is recorded shall be treated as the date of taking and the date of evaluation.

(3) JURISDICTIONAL OFFER TO PURCHASE. Condemnor shall send to the owner, or one of the owners of record, and to the mortgagee, or one of

the mortgagees of each mortgage of record, a notice:

(a) Stating briefly the nature of the project with reference to the relocation order and that the condemnor in good faith intends to use the property sought to be condemned for such public purpose.

(b) Describing the property and the interest therein sought to be taken.

(c) Stating the proposed date of occupancy regardless of the date of taking.

(d) Stating the amount of compensation offered, itemized as to the items of damage as set forth in s. 32.09 and that compensation for additional items of damage as set forth in s. 32.19 may be claimed under s. 32.20 and will be paid if shown to exist.

(e) Stating that the appraisal or one of the appraisals of the property on which condemnor's offer is based is available for inspection at a specified place by persons having an interest in the lands sought to be acquired.

(g) Stating that the owner has 20 days from date of completion of service upon him of the offer, as specified in sub. (6), in which to accept or reject the offer.

(h) Stating that if the owner has not accepted such offer as provided in sub. (6) he has 40 days from date of completion of service upon him of the offer to commence a court action to contest the right of condemnation as provided in sub. (5); provided that the acceptance and retention of any compensation resulting from an award made prior to the commencement of such an action shall be an absolute bar to such action.

(i) Stating that the owner, subject to subs. (9) (a) and (11), will have 2 years from the date of taking the property by award in which to appeal for greater compensation without prejudice to the right to use the compensation given by the award. If the condemning authority is a housing authority organized under ss. 66.40 to 66.404, a redevelopment authority organized under s. 66.431 or a community development authority organized under s. 66.4325, the notice shall also state that in the case of an appeal under sub. (9) (a) the parties having an interest in the property who are taking the appeal may initiate such appeal by filing with the condemning authority a letter requesting that the issue of the amount of such compensation be determined by the condemnation commission.

(3m) In this section, "uneconomic remnant" means the property remaining after a partial taking of property, if the property remaining is of such size, shape or condition as to be of little value or of substantially impaired economic viability. If the acquisition of only part of a

property would leave its owner with an uneconomic remnant, the condemnor shall offer to acquire the remnant concurrently and may acquire it by purchase or by condemnation if the owner consents.

(4) HOW NOTICE OF JURISDICTIONAL OFFER IS GIVEN. The giving of such notice is a jurisdictional requisite to a taking by condemnation. Such notice may be given by personal service in the manner of service of a circuit court summons, or it may be transmitted by certified mail. If service is by mail, service of the papers shall be deemed completed on the date of mailing and the use of mail service shall not increase the time allowed to act in answer to or in consequence of such service. If such owner or mortgagee is unknown or cannot be found there shall be published in the county wherein the property is located a class 1 notice, under ch 985. If such owner is a minor, or an incompetent person, the condemnor shall serve such notice upon the legal guardian of such minor or incompetent, and if there is no such guardian the condemnor shall proceed under s. 32.15 to have a special guardian appointed to represent such minor or incompetent in such proceeding. The reasonable fees of such special guardian as approved by the court shall be paid by the condemnor. Such notice shall be called the "jurisdictional offer". The condemnor shall file a *lis pendens* on or within 14 days of the date of service or mailing of the jurisdictional offer or within 14 days of the date of publication if publication is necessary. The *lis pendens* shall include a copy of the jurisdictional offer. From the time of such filing every purchaser or encumbrancer whose conveyance or encumbrance is not recorded or filed shall be deemed a subsequent purchaser or encumbrancer and shall be bound by the terms of the jurisdictional offer and it shall not be necessary to serve other jurisdictional offers on such subsequent purchaser or encumbrancer. In the award the condemnor may name and make payment to parties who were owners or mortgagees at the time of the filing of the *lis pendens* unless subsequent purchasers or encumbrancers give written notice to the condemnor of their subsequently acquired interests in which event such parties shall be named in the award as their interests may appear.

(5) COURT ACTION TO CONTEST RIGHT OF CONDEMNATION. If an owner desires to contest the right of the condemnor to condemn the property described in the jurisdictional offer, for any reason other than that the amount of compensation offered is inadequate, the owner may within 40 days from the date of personal service of the jurisdictional offer or within 40 days from the date of postmark of the certified mail letter transmitting such offer, or within 40 days after

date of publication of the jurisdictional offer as to persons for whom such publication was necessary and was made, commence an action in the circuit court of the county wherein the property is located, naming the condemnor as defendant. Such action shall be the only manner in which any issue other than the amount of just compensation, or other than proceedings to perfect title under ss. 32.11 and 32.12, may be raised pertaining to the condemnation of the property described in the jurisdictional offer. The trial of the issues raised by the pleadings in such action shall be given precedence over all other actions in said court then not on trial. If the action is not commenced within the time limited the owner or other person having any interest in the property shall be barred from raising any such objection in any other manner. Nothing in this section shall be construed to limit in any respect the right to determine the necessity of taking as conferred by s. 32.07 nor to prevent the condemnor from proceeding with condemnation during the pendency of the action to contest the right to condemn.

(6) ACCEPTANCE OF JURISDICTIONAL OFFER. The owner has 20 days from the date of personal service of the jurisdictional offer or 20 days from the date of postmark of the certified mail letter transmitting such offer, or if publication of the jurisdictional offer was necessary and was made, 20 days after the date of such publication, in which to accept the jurisdictional offer unless such time is extended by mutual written consent of the condemnor and condemnee. If such offer is accepted, the transfer of title shall be accomplished within 60 days after acceptance including payment of the consideration stipulated in such offer. If the jurisdictional offer is rejected in writing by all of the owners of record the condemnor may proceed to make an award forthwith. At any time prior to acceptance of the jurisdictional offer by the condemnee the same may be withdrawn by the condemnor.

(7) AWARD OF COMPENSATION. If the owner has not accepted the jurisdictional offer within the periods limited in sub. (6) or fails to consummate an acceptance as provided therein, the condemnor may make an award of damages in the manner and sequence of acts as follows:

(a) The award shall be in writing. It shall state that it is made pursuant to relocation order of (name of commission, authority, board or council having jurisdiction to make the improvement) No. dated filed in the office of the County Clerk, County of It shall name all persons having an interest of record in the property taken and may name the other persons. It shall describe such property by legal description and state the interest therein sought to be condemned and the date when actual occupancy

of the property condemned will be taken by condemnor. The award shall also state the compensation for the taking which shall be an amount at least equal to the amount of the jurisdictional offer. The award shall state that the condemnor has complied with all jurisdictional requirements. An amended award for the purpose of correcting errors wherein the award as recorded differs from the jurisdictional offer may be made, served and recorded as provided by this section.

(b) Copy of such award shall be served on or mailed by certified mail to all persons named therein. If any such person cannot be found or his address is unknown, the award shall be published in the county wherein the property is situated as a class 3 notice, under ch. 985, and completed publication as shown by affidavit shall constitute proper service. Such award shall be known as the "basic award".

(c) When service of the award has been completed, and after payment of the award as provided in par. (d), the award shall be recorded in the office of the register of deeds of the county wherein the property is located. Thereupon title in fee simple to the property described in the award, or the lesser right in property acquired by the award shall vest in the condemnor as of the time of recording. The date of such recording is the "date of evaluation" and also the "date of taking".

(d) On or before said date of taking, a check, naming the parties in interest as payees, for the amount of the award less outstanding delinquent tax liens, proportionately allocated as in division in redemption under ss. 74.06, 74.32 and 75.01 when necessary and less prorated taxes of the same year, if any, likewise proportionately allocated when necessary against the property taken, shall at the option of the condemnor be mailed by certified mail to the owner or one of the owners of record or be deposited with the clerk of the circuit court of the county for the benefit of the persons named in the award. The clerk shall give notice thereof by certified mail to such parties. The persons entitled thereto may receive their proper share of the award by petition to and order of the circuit court of the county. The petition shall be filed with the clerk of the court without fee.

(8) OCCUPANCY; WRIT OF ASSISTANCE; WASTE. The condemnor shall allow any person occupying the property on the date that title vests in the condemnor to continue to occupy the property for at least one month after that date. The condemnor may not charge rent for any property occupied after the date that title vests in the condemnor by a person who occupied the property on that date. Any person occupying the property after the date that title vests in the

condemnor shall be liable to the condemnor for all waste committed or allowed by the occupant on the lands condemned during the occupancy. The condemnor shall have the right to possession when the persons who occupied the property on the date that title vests in the condemnor vacate, or one month after the date that title vests in the condemnor, whichever is sooner. This time period may be extended by the circuit court, if the court deems it reasonable under the circumstances. If the condemnor is denied the right of possession, the condemnor may, upon 48 hours' notice to the occupant, apply to the circuit court where the property is located for a writ of assistance to be put in possession. The circuit court shall grant the writ of assistance if all jurisdictional requirements have been complied with and if the award has been paid or tendered as required.

(9) APPEAL FROM AWARD BY OWNER OR OTHER PARTY IN INTEREST. (a) Any party having an interest in the property condemned may, within 2 years after the date of taking, appeal from the award, except as limited by this subsection by applying to the judge of the circuit court for the county wherein the property is located for assignment to a commission of county condemnation commissioners as provided in s. 32.08, except that if the condemning authority is a housing authority organized under ss. 66.40 to 66.404, a redevelopment authority organized under s. 66.431 or a community development authority organized under s. 66.4325, the appeals may be initiated by filing with the condemning authority a letter requesting that the issue of the amount of the compensation be determined by the condemnation commission. The condemning authority shall, upon receipt of the letter, apply to the judge of the circuit court for the county wherein the property is located for assignment to a commission of county condemnation commissioners as provided in s. 32.08. This application shall contain a description of the property condemned and the names and last-known addresses of all parties in interest but shall not disclose the amount of the jurisdictional offer nor the amount of the basic award. Violation of this prohibition shall nullify the application. Notice of the application shall be given to the clerk of the court and to all other persons other than the applicant who were parties to the award. The notice may be given by certified mail or personal service. Upon proof of the service the judge shall forthwith make assignment. Where one party in interest has appealed from the award, no other party in interest who has been served with a notice of the appeal may take a separate appeal, but may join in the appeal by serving notice upon the condemnor and the appellant of the party's election

to do so. The notice shall be given by certified mail or personal service within 10 days after receipt of notice of the appeal and shall be filed with the clerk of the court. Upon failure to give and file the notice all other parties of interest shall be deemed not to have appealed. The result of the appeal shall not affect parties who have not joined in the appeal as provided in this paragraph. In cases involving more than one party in interest with a right to appeal, the first of the parties filing an appeal under this subsection or under sub. (11) shall determine whether the appeal shall be under this subsection or under sub. (11). No party in interest may file an appeal under this subsection if another party in interest in the same lands has filed a prior appeal complying with the requirements of sub. (11). Thereafter the procedure shall be as prescribed in s. 32.08. In cases involving multiple ownership or interests in lands taken the following rules shall also apply:

1. Where all parties having an interest in the property taken do not join in an appeal, such fact shall not change the requirement that a finding of fair market value of the entire property taken and damages, if any, to the entire property taken, shall be made in determining compensation. Determination of the separate interests of parties having an interest in property taken shall, in cases of dispute, be resolved by a separate partition action as set forth herein.

2. In cases where the amount of the award appealed from is increased on appeal, such amount shall be paid by the condemnor making tender of the amount to one of the appellant owners or appellant parties of interest in the same manner governing the tender of a basic award. In event a determination on appeal reduces the amount of the appealed award those parties who joined in the appeal shall be liable, jointly and severally, to the condemning authority.

3. When the owners or parties having an interest in land taken cannot agree on the division of an award, any of such owners or parties of interest may petition the circuit court for the county wherein the property is located for partition of the award moneys as provided in s. 820.01. When the tender of an award is refused, the condemning authority may pay the award to the clerk of the circuit court for the county wherein the property is located and no interest shall accrue against the condemning authority for moneys so paid.

(b) If the commission's award exceeds the basic award the owner shall recover the excess plus interest thereon until payment from the date of taking less a period which is 14 days after the date of filing the commission's award. If the commission's award is less than the basic award,

the condemnor shall recover the difference with interest until payment from the date of taking.

(c) All sums due under this subsection shall be paid within 70 days after date of filing of the commission's award unless within such time an appeal is taken to the circuit court. In the event such appeal is later dismissed before trial such payment shall be made within 60 days after the dismissal date.

(d) In the event the award of the county condemnation commissioners is lower than the basic award and tender of the basic award has been accepted by an owner, the condemnor shall have a lien against such owner for the amount of the difference. The lien shall give the name and address of the owner or owners, refer to the basic award and the award on appeal and state the difference in amounts. The lien may be filed in the office of the register of deeds and when so filed shall attach to all property of the owner presently owned or subsequently acquired in any county where such lien is filed. Such lien shall remain in force with interest until satisfied or until it is set aside by a judgment of the circuit court in an action pursuant to sub. (10).

(10) APPEAL FROM COMMISSION'S AWARD TO CIRCUIT COURT. (a) Within 60 days after the date of filing of the commission's award, any party to the proceeding before the commission may appeal to the circuit court of the county wherein the property is located. Notice of such appeal shall be given to the clerk of the circuit court and to all persons other than the appellant who were parties to the proceeding before the commissioners. Notice of appeal may be given by certified mail or by personal service. The clerk shall thereupon enter the appeal as an action pending in said court with the condemnee as plaintiff and the condemnor as defendant. It shall thereupon proceed as an action in said court subject to all the provisions of law relating to actions brought therein and shall have precedence over all actions not then on trial. The sole issues to be tried shall be questions of title, if any, under ss. 32.11 and 32.12 and the amount of just compensation to be paid by condemnor. It shall be tried by jury unless waived by both plaintiff and defendant. Neither the amount of the jurisdictional offer, the basic award, nor the award made by the commission shall be disclosed to the jury during such trial.

(b) The court shall enter judgment for the amount found to be due after giving effect to any amount paid by reason of a prior award. The judgment shall include legal interest on the amount so found due from the date of taking if judgment is for the condemnor, and from 14 days after the date of taking if judgment is for the condemnee.

(c) All moneys due under this subsection shall be paid within 60 days after entry of judgment unless within such period an appeal is taken by any party to the court of appeals.

(11) WAIVER OF HEARING BEFORE COMMISSION; APPEAL TO CIRCUIT COURT AND JURY. The owner of any interest in the property condemned named in the basic award may elect to waive the appeal procedure specified in sub. (9) and instead, within 2 years after the date of taking, appeal to the circuit court of the county wherein the property is located. The notice of appeal shall be served as provided in sub. (9) (a). Filing of the notice of appeal shall constitute such waiver. The clerk shall thereupon enter the appeal as an action pending in said court with the condemnee as plaintiff and the condemnor as defendant. It shall proceed as an action in said court subject to all the provisions of law relating to actions originally brought therein and shall have precedence over all other actions not then on trial. The sole issues to be tried shall be questions of title, if any, under ss. 32.11 and 32.12 and the amount of just compensation to be paid by condemnor. It shall be tried by jury unless waived by both plaintiff and defendant. The amount of the jurisdictional offer or basic award shall not be disclosed to the jury during such trial. Where one party in interest has appealed from the award, no other party in interest who has been served with notice of such appeal may take a separate appeal but may join in the appeal by serving notice upon the condemnor and the appellant of his election to do so. Such notice shall be given by certified mail or personal service within 10 days after receipt of notice of the appeal and shall be filed with the clerk of court. Upon failure to give such notice such parties shall be deemed not to have appealed. The appeal shall not affect parties who have not joined in the appeal as herein provided. In cases involving more than one party in interest with a right to appeal, the first of such parties filing an appeal under sub. (9) or under this subsection shall determine whether such appeal shall be under sub. (9) or directly to the circuit court as here provided. No party in interest may file an appeal under this subsection if another party in interest in the same lands has filed a prior appeal complying with the requirements of sub. (9). In cases involving multiple ownership or interests in lands taken the provisions of s. 32.05 (9) (a) 1, 2 and 3 shall govern.

(a) If the jury verdict as approved by the court does not exceed the basic award, the condemnor shall have judgment against the appellant for the difference between the jury verdict and the amount of the basic award, plus interest on the amount of such difference from the date of taking.

(b) If the jury verdict as approved by the court exceeds the basic award, the appellant shall have judgment for the amount of such excess plus legal interest thereon to date of payment in full from that date which is 14 days after the date of taking.

(c) All moneys payable under this subsection shall be paid within 60 days after entry of judgment unless within such period an appeal is taken to the court of appeals.

(12) EFFECT OF DETERMINATION OF COMPENSATION BY THE COURT WHERE JURY WAIVED. If the action is tried by the court upon waiver of a jury the determination of the amount of damages by the court shall be considered in lieu of the words "jury verdict as approved by the court" where such language occurs in this section.

(13) APPEAL TO COURT OF APPEALS. Either party may appeal to the court of appeals within 6 months after date of notice of entry of circuit court judgment.

32.06 Condemnation procedure in other than transportation matters. The procedure in condemnation in all matters except acquisitions under s. 32.05, acquisitions under chapter 275, laws of 1931, as amended (Kline Law), acquisitions under ch. 157, and acquisitions under ch. 197, shall be as follows:

(1) DETERMINATION OF NECESSITY OF TAKING. The necessity of the taking shall be determined as provided in s. 32.07.

(2) APPRAISAL. (a) The condemnor shall cause at least one (or more in his discretion) appraisal to be made of the property proposed to be acquired. In making any such appraisal the appraiser shall confer with the owner or one of the owners, or his personal representative, if reasonably possible.

(b) The condemnor shall provide the owner with a full narrative appraisal upon which the jurisdictional offer is based and a copy of any appraisal made under par. (a) and at the same time shall inform the owner of his or her right to obtain an appraisal under this paragraph. The owner may obtain an appraisal by a qualified appraiser of all property proposed to be acquired, and submit the reasonable costs of the appraisal to the condemnor for payment. The owner shall submit a full narrative appraisal to the condemnor within 60 days after the owner receives the condemnor's appraisal. If the owner does not accept a negotiated offer under sub. (2a) or the jurisdictional offer under sub. (3), the owner may use an appraisal prepared under this paragraph in any subsequent appeal.

(2a) AGREED PRICE. Before making the jurisdictional offer under sub. (3) the condemnor shall attempt to negotiate personally with the owner or one of the owners or his or her representative of the property sought to be taken for the purchase of the same. In such negotiation the condemnor shall consider the owner's appraisal under sub. (2) (b) and may contract to pay the items of compensation enumerated in ss. 32.09 and 32.19 where shown to exist. Before attempting to negotiate under this paragraph, the condemnor shall provide the owner or his or her representative with copies of applicable pamphlets prepared under s. 32.26 (6). When negotiating under this subsection, the condemnor shall provide the owner or his or her representative with the names of at least 10 neighboring landowners to whom offers are being made, or a list of all offerees if less than 10 owners are affected, together with a map showing all property affected by the project. Upon request by an owner or his or her representative, the condemnor shall provide the name of the owner of any other property which may be taken

for the project. The owner or his or her representative shall also have the right, upon request, to examine any maps in the possession of the condemnor showing property affected by the project. The owner or his or her representative may obtain copies of such maps by tendering the reasonable and necessary costs of preparing copies. The condemnor shall record any conveyance by or on behalf of the owner of the property to the condemnor executed as a result of negotiations under this subsection with the register of deeds of the county in which the property is located. The condemnor shall also record a certificate of compensation stating the identity of all persons having an interest of record in the property immediately prior to its conveyance, the legal description of the property, the nature of the interest acquired and the compensation for such acquisition. The condemnor shall serve upon or mail by certified mail to all persons named therein a copy of the statement and a notice of the right to appeal the amount of compensation under this subsection. Any person named in the certificate may, within 6 months after the date of its recording, appeal from the amount of compensation therein stated by filing a petition with the judge of the circuit court of the county in which the property is located for proceedings to determine the amount of just compensation. Notice of such petition shall be given to all persons having an interest of record in such property. The judge shall forthwith assign the matter to the chairperson of the county condemnation commissioners for hearing under sub. (8). The procedures prescribed under subs. (9) (a) and (b), (10), (12) and (13) shall govern such appeals. The date the conveyance is recorded shall be treated as the date of taking and the date of evaluation.

(3) MAKING JURISDICTIONAL OFFER. The condemnor shall make and serve the jurisdictional offer and notice in the form (insofar as applicable) and manner of service provided in s. 32.05 (3) and (4), but *lis pendens* shall not be filed until date of petition under sub. (7). The offer shall state that if it is not accepted within 20 days, the condemnor may petition for a determination of just compensation by county condemnation commissioners and that either party may appeal from the award of the county condemnation commissioners to the circuit court within 60 days as provided in sub. (10).

(3m) DEFINITION. In this section, "uneconomic remnant" means the property remaining after a partial taking of property, if the property remaining is of such size, shape or condition as to be of little value or of substantially impaired economic viability. If acquisition of only part of a property would leave its owner with an uneconomic remnant, the condemnor shall offer to

acquire the remnant concurrently and may acquire it by purchase or by condemnation if the owner consents.

(4) RIGHT OF MINORS AND INCOMPETENTS. If any person having an ownership interest in the property proposed to be condemned is a minor or an incompetent person, a special guardian shall be appointed for him pursuant to s. 32.05 (4).

(5) COURT ACTION TO CONTEST RIGHT OF CONDEMNATION. When an owner desires to contest the right of the condemnor to condemn the property described in the jurisdictional offer for any reason other than that the amount of compensation offered is inadequate, such owner may within 40 days from the date of personal service of the jurisdictional offer or within 40 days from the date of postmark of the certified mail letter transmitting such offer, or within 40 days after date of publication of the jurisdictional offer as to persons for whom such publication was necessary and was made, commence an action in the circuit court of the county wherein the property is located, naming the condemnor as defendant. Such action shall be the only manner in which any issue other than the amount of just compensation or other than proceedings to perfect title under ss. 32.11 and 32.12 may be raised pertaining to the condemnation of the property described in the jurisdictional offer. The trial of the issues raised by the pleadings in such action shall be given precedence over all other actions in said court then not on trial. If such action is not commenced within the time limited the owner or other person having any interest in the property shall be forever barred from raising any such objection in any other manner. The commencement of an action by an owner under this subsection shall not prevent a condemnor from filing the petition provided for in sub. (7) and proceeding thereon. Nothing in this subsection shall be construed to limit in any respect the right to determine the necessity of taking as conferred by s. 32.07 nor to prevent the condemnor from proceeding with condemnation during the pendency of the action to contest the right to condemn. This section shall not apply to any owner who had a right to bring a proceeding pursuant to s. 66.431 (7) prior to its repeal by chapter 526, laws of 1961, effective on October 7, 1961, and, in lieu of this section, s. 66.431 (7) as it existed prior to such effective date of repeal shall be his exclusive remedy.

(6) ACCEPTANCE OF JURISDICTIONAL OFFER. The owner has 20 days from the date of personal service of the jurisdictional offer or 20 days from the date of postmark of the certified mail letter transmitting such offer or 20 days from the date of filing the final judgment order or remittitur in the circuit court of the county in an action

commenced under sub. (5), if the judgment permits the taking of the land, in which to accept the jurisdictional offer and deliver the same to the condemnor. If the offer is accepted, the transfer of title shall be accomplished within 60 days after acceptance including payment of the consideration stipulated in such offer unless such time is extended by mutual written consent of the condemnor and condemnee. If the jurisdictional offer is rejected in writing by all of the owners of record the condemnor may proceed to petition in condemnation forthwith. If the owner fails to convey the condemnor may proceed as hereinafter set forth.

(7) PETITION FOR CONDEMNATION PROCEEDINGS. If the jurisdictional offer is not accepted within the periods limited in sub. (6) or the owner fails to consummate an acceptance as provided in sub. (6), the condemnor may present a verified petition to the circuit court for the county in which the property to be taken is located, for proceedings to determine the necessity of taking, where such determination is required, and the amount of just compensation. The petition shall state that the jurisdictional offer required by sub. (3) has been made and rejected; that it is the intention of the condemnor in good faith to use the property or right therein for the specified purpose. It shall name the parties having an interest of record in the property as near as may be and shall name the parties who are minors or persons of unsound mind or unknown. The petition may not disclose the amount of the jurisdictional offer, and if it does so it is a nullity. The petition shall be filed with the clerk of the court. Notice of the petition shall be given as provided in s. 32.05 (4) to all persons having an interest of record in the property, including the special guardian appointed for minors or incompetent persons. A lis pendens shall be filed on the date of filing the petition. The date of filing the lis pendens is the "date of evaluation" of the property for the purpose of fixing just compensation, except that if the property is to be used in connection with the construction of a facility, as defined under s. 196.491 (1), the "date of evaluation" is the date that the first advance plan identifying the property as a site or route under s. 196.491 (2) (a) 3 is filed with the public service commission, or the date which is 2 years prior to the date the certificate of public convenience and necessity is issued for the facility, whichever is earlier. The hearing on the petition may not be earlier than 20 days after the date of its filing unless the petitioner acquired possession of the land under s. 32.12 (1) in which event this hearing is not necessary. If the petitioner is entitled to condemn the property or any portion of it, the judge

immediately shall assign the matter to the chairman of the county condemnation commissioners for hearing under s. 32.08. An order by the judge determining that the petitioner does not have the right to condemn or refusing to assign the matter to the chairman of the county condemnation commissioners may be appealed directly to the court of appeals.

(8) COMMISSION HEARING. Thereafter the commission shall proceed in the manner and with the rights and duties as specified in s. 32.08 to hear the matter and make and file its award with the clerk of the circuit court, specifying therein the property or interests therein taken and the compensation allowed the owner, and the clerk shall give certified mail notice with return receipt requested of such filing, with a copy of the award to condemnor and owner.

(9) ABANDONMENT OF PROCEEDINGS; OR PAYMENT OF AWARD. (a) Within 30 days after the date of filing of the commission's award, the condemnor shall petition the circuit court for the county wherein the property is situated, upon 5 days' notice by certified mail to the owner, for leave to abandon the petition for taking if the condemnor desires to abandon the proceeding. The circuit court shall grant the petition upon such terms as it deems just, and shall make a formal order discontinuing the proceeding which order shall be recorded in the judgment book of the court after the record of the commission's award. The order shall operate to divest any title of condemnor to the lands involved and to automatically discharge the *lis pendens*.

(b) If condemnor does not elect to abandon the condemnation proceeding as provided in par. (a), it shall within 70 days after the date of filing of the commission's award, pay the amount of the award, plus legal interest from the date of taking but less delinquent tax liens, proportionately allocated as in division in redemption under ss. 74.06, 74.32 and 75.01 when necessary and less prorated taxes of the year of taking, if any, likewise proportionately allocated when necessary, to the owner and take and file his receipt therefor with the clerk of the circuit court, or at the option of the condemnor pay the same into the office of the clerk of the circuit court for the benefit of the parties having an interest of record on the date of evaluation in the property taken and give notice thereof by certified mail to such parties. If the condemnor pays the amount of said award within 14 days after the date of filing of the commission's award, no interest shall accrue. Title to the property taken shall vest in the condemnor upon the filing of such receipt or the making of such payment.

(c) Upon application to the circuit court, any person occupying the property on the date that title vests in the condemnor may continue to

occupy the property for a period not to exceed 4 months after that date, if the circuit court determines that such continued occupancy by the person is reasonably necessary under the circumstances. The condemnor may not charge rent for any property occupied after the date that title vests in the condemnor by a person who occupied the property on that date. Any person occupying the property after the date that title vests in the condemnor shall be liable to the condemnor for all waste committed or allowed by the occupant on the lands condemned during the occupancy. The condemnor shall have the right to possession when the persons who occupied the property on the date that title vests in the condemnor vacate, or 4 months after the date that title vests in the condemnor, whichever is sooner. This time period may be extended by the circuit court, if the court deems it reasonably necessary under the circumstances. If the condemnor is denied the right of possession, the condemnor may, upon 48 hours' notice to the occupant, apply to the circuit court where the property is located for a writ of assistance to be put in possession. The circuit court shall grant the writ of assistance if all jurisdictional requirements have been complied with and if the award has been paid or tendered as required.

(10) APPEAL TO CIRCUIT COURT. Within 60 days after the date of filing of the commission's award either condemnor or owner may appeal to the circuit court by giving notice of appeal to the opposite party and to the clerk of the circuit court as provided in s. 32.05 (10). The clerk shall thereupon enter the appeal as an action pending in said court with the condemnee as plaintiff and the condemnor as defendant. It shall thereupon proceed as an action in said court subject to all the provisions of law relating to actions brought therein, but the only issues to be tried shall be questions of title, if any, as provided by ss. 32.11 and 32.12 and the amount of just compensation to be paid by condemnor, and it shall have precedence over all other actions not then on trial. It shall be tried by jury unless waived by both plaintiff and defendant. The amount of the jurisdictional offer or of the commission's award shall not be disclosed to the jury during such trial.

(a) If the jury verdict as approved by the court exceeds the commission's award, the owner shall have judgment increased by the amount of legal interest from the date title vests in condemnor to date of entry of judgment on the excess of the verdict over the compensation awarded by the commission.

(b) If the jury verdict as approved by the court does not exceed the commission's award, the condemnor shall have judgment against the owner for the difference between the verdict and

the amount of the commission's award, with legal interest on such difference from the date condemnor paid such award.

(c) If the jury verdict as approved by the court exceeds the amount of the jurisdictional offer, the condemnor may within 40 days after filing of such verdict petition the court for leave to abandon the proceeding and thereafter sub. (9) (a) shall apply.

(d) All judgments required to be paid shall be paid within 60 days after entry of judgment unless within this period appeal is taken to the court of appeals or unless condemnor has petitioned for and been granted an order abandoning the condemnation proceeding. Otherwise such judgment shall bear interest from the date of entry of judgment at the rate of 10% per annum until payment.

(11) WITHDRAWAL OF COMPENSATION PAID INTO COURT; BOND. If either party appeals from the award of the commission, the owner shall not be entitled to receive the amount of compensation paid into court by condemnor unless the owner files with the clerk of the court a surety bond executed by a licensed corporate surety company in an amount equal to one-half of the commission's award, conditioned to pay to the condemnor, any sums together with interest and costs as allowed by the court, by which the award of the commission may be diminished.

(12) EFFECT OF DETERMINATION OF COMPENSATION BY THE COURT WHERE JURY WAIVED. If the action is tried by the court upon waiver of a jury, the determination of the amount of the damages by the court shall be considered in lieu of the words "jury verdict as approved by the court" where such language occurs in this section.

(13) APPEAL TO COURT OF APPEALS. Either party may appeal to the court of appeals within 6 months after date of notice of entry of circuit court judgment.

32.07 Necessity, determination of. The necessity of the taking shall be determined as follows:

(1) A certificate of public convenience and necessity issued under s. 196.491 shall constitute the determination of the necessity of the taking for any lands or interests described in the certificate.

(1m) When an advance plan submitted under s. 196.491 has been approved by the public service commission, the submitting utility shall determine the necessity of taking limited interests for the purpose of conducting tests or studies under s. 32.02 (6) and (10) (b) in real or personal property described in the plan.

(3) In all other cases, the judge shall determine the necessity.

(4) The determination of the public service commission of the necessity of taking any undeveloped water power site made pursuant to s. 32.03 (3) shall be conclusive.

32.075 Use after condemnation. Whenever the public service commission has made a finding, either with or without hearing, (1) that it is reasonably certain it will be necessary for a public utility, as defined in ch. 196, to acquire lands or interests therein for the purpose of the conveyance of telegraph and telephone messages, or for the production, transformation or transmission of electric energy for the public, or for right of way for a gas pipe line, main or service, and (2) that such public utility is unlikely to commence construction of its facilities upon such lands within 2 years of such finding, such public utility may file its petition and proceed with condemnation as prescribed in s. 32.06 and no further determination of necessity shall be required. When the lands to be condemned under the provisions hereof are needed for rights of way for telegraph, telephone or electric lines or pipe lines, it shall not be necessary that the particular parcel or parcels of land be described in the commission's finding, but it shall be sufficient that such finding described the termini of any such lines and the general direction or course of the lines between the termini, but when the utility files its petition under s. 32.06 it shall specifically describe therein the lands to be acquired. Notwithstanding the completion of the condemnation proceedings and the payment of the award made under this chapter, the owner may continue to use the land until such time as the utility constructs its facilities thereon.

32.08 Commissioner of condemnation.

(1) The office of commissioner of condemnation is created. In counties having a population of less than 100,000 there shall be 6 commissioners; in counties having a population of 100,000 or more and less than 500,000 there shall be 9 commissioners; in counties having a population of 500,000 or more there shall be 12 commissioners. Each such commissioner must be a resident of the county or of an adjoining county in the same judicial circuit prior to his appointment and remain so during his term of office. Not more than one-third of such commissioners shall be attorneys at law, licensed for active practice in this state.

(2) Such commissioners shall be appointed by the circuit judge or judges of the circuit court for such county and may be removed by said judge or judges at their pleasure. Where any county has more than one circuit judge, the affirmative vote of a majority of such judges shall be necessary to an appointment or a removal. All appointments and removals shall be filed with the clerk of the circuit court for the county. Each commissioner shall take and file

the official oath. The first appointments after April 6, 1960 shall be made for staggered terms of 1, 2 and 3 years as fixed by the circuit judge. Thereafter all appointments shall be made for 3-year terms. Vacancies shall be filled for the remainder of the unexpired term.

(3) The commissioners in each county shall annually elect one of their number as chairman, and he shall select and notify the commissioners to serve on each commission of 3 required to sit in condemnation.

(4) Commissioners shall receive no salary but shall be compensated for actual service at an hourly rate to be fixed by the county board of the county. Commissioners shall also receive mileage at a rate fixed by the county board for necessary and direct round trip travel from their homes to the place where the condemnation commission conducts its hearings. The chairman of the county commission shall receive such reasonable sum, computed at the hourly rate as fixed by the county board, as shall be allowed by the circuit judge having jurisdiction over the hearing, for his or her administrative work in selecting and notifying the commissioners to serve in the condemnation hearing and his or her necessary out-of-pocket expenses in connection with the hearing. All such compensation and expenses shall be paid by the condemnor on order approved by the circuit judge.

(5) If the petitioner under s. 32.06 is entitled to condemn the property or any portion of it or interest therein, the circuit judge having jurisdiction of the petition, or to whom an application for county commissioner of condemnation review is taken from a highway taking award, shall assign the matter to the chairman of the county condemnation commissioners who shall within 7 days select 3 of the commissioners to serve as a commission to ascertain the compensation to be made for the taking of the property or rights in property sought to be condemned, fix the time and place of the hearing before the commission, which time shall not be less than 20 nor more than 30 days after the assignment date, and notify the parties in interest thereof. The judge's order of assignment shall be accompanied by a copy of the petition for condemnation. Notice shall be given to each interested person or, where the persons have appeared in the proceeding by an attorney then to the attorney, by certified mail with return receipt requested, postmarked at least 10 days prior to the date of hearing. If any party cannot be found and has not appeared in the proceedings, a class 3 notice shall be published, under ch. 985, in the community which the chairman of the condemnation commission directs. Costs of notification shall be

paid by the petitioner upon certification by the commission chairman.

(6) (a) At the hearing the commissioners shall first view the property sought to be condemned and then hear all evidence desired to be produced. The condemnee shall present his testimony first and have the right to close. In conducting said hearing the commission shall not be bound by common law or statutory rules of evidence. It shall admit all testimony having reasonable probative value, but shall exclude immaterial, irrelevant and unduly repetitious testimony. The amount of a prior jurisdictional offer or award shall not be disclosed to the commission. It shall give effect to the rules of privilege recognized by law. Basic principles of relevancy, materiality and probative force, as recognized in equitable proceedings, shall govern the proof of all questions of fact. The commission may on its own motion adjourn such hearing once for not more than 7 days, but may by stipulation of all parties grant other adjournments. A majority of the commissioners, being present, may determine all matters.

(b) If either party desires that the proceedings by the commission be transcribed, the commission may order the same and the applicant shall pay the cost thereof. Within 10 days after the conclusion of such hearing the commission shall make a written award specifying therein the property taken and the compensation, and file such award with the clerk of the circuit court, who shall cause a copy thereof to be mailed to each party in interest and record the original in the judgment book of such court. The commission shall file with the clerk of the court a sworn voucher for the compensation due each member, which sum, upon approval by the circuit judge, shall be paid by the condemnor.

History: 1977 c. 449

The failure of the condemnation commissioners to file their award within 10 days did not deprive it of jurisdiction. *Herro v. Natural Resources Bd.* 53 W (2d) 157, 192 NW (2d) 104.

32.09 Rules governing determination of just compensation. In all matters involving the determination of just compensation in eminent domain proceedings, the following rules shall be followed:

(1) The compensation so determined and the status of the property under condemnation for the purpose of determining whether severance damages exist shall be as of the date of evaluation as fixed by s. 32.05 (7) (c) or 32.06 (7).

(1m) As a basis for determining value, a commission in condemnation or a court may consider the price and other terms and circumstances of any good faith sale or contract to sell and purchase comparable property. A sale or

contract is comparable within the meaning of this subsection if it was made within a reasonable time before or after the date of evaluation and the property is sufficiently similar in the relevant market, with respect to situation, usability, improvements and other characteristics, to warrant a reasonable belief that it is comparable to the property being valued.

(2) In determining just compensation the property sought to be condemned shall be considered on the basis of its most advantageous use but only such use as actually affects the present market value.

(2m) In determining just compensation for property sought to be condemned in connection with the construction of facilities, as defined under s. 196.491 (1), any increase in the market value of such property occurring after the date of evaluation but before the date upon which the lis pendens is filed under s. 32.06 (7) shall be considered and allowed to the extent it is caused by factors other than the planned facility.

(3) Special benefits accruing to the property and affecting its market value because of the planned public improvement shall be considered and used to offset the value of property taken or damages under sub. (6), but in no event shall such benefits be allowed in excess of damages described under sub. (6).

(4) If a depreciation in value of property results from an exercise of the police power, even though in conjunction with the taking by eminent domain, no compensation may be paid for such depreciation except as expressly allowed in subs. (5) (b) and (6) and s. 32.19.

(5) (a) In the case of a total taking the condemnor shall pay the fair market value of the property taken and shall be liable for the items in s. 32.19 if shown to exist.

(b) Any increase or decrease in the fair market value of real property prior to the date of evaluation caused by the public improvement for which such property is acquired, or by the likelihood that the property would be acquired for such improvement, other than that due to physical deterioration within the reasonable control of the owner, may not be taken into account in determining the just compensation for the property.

(6) In the case of a partial taking of property other than an easement, the compensation to be paid by the condemnor shall be the greater of either the fair market value of the property taken as of the date of evaluation or the sum determined by deducting from the fair market value of the whole property immediately before the date of evaluation, the fair market value of the remainder immediately after the date of

evaluation, assuming the completion of the public improvement and giving effect, without allowance of offset for general benefits, and without restriction because of enumeration but without duplication, to the following items of loss or damage to the property where shown to exist:

(a) Loss of land including improvements and fixtures actually taken.

(b) Deprivation or restriction of existing right of access to highway from abutting land, provided that nothing herein shall operate to restrict the power of the state or any of its subdivisions or any municipality to deprive or restrict such access without compensation under any duly authorized exercise of the police power.

(c) Loss of air rights.

(d) Loss of a legal nonconforming use.

(e) Damages resulting from actual severance of land including damages resulting from severance of improvements or fixtures and proximity damage to improvements remaining on condemnee's land. In determining severance damages under this paragraph, the condemnor may consider damages which may arise during construction of the public improvement, including damages from noise, dirt, temporary interference with vehicular or pedestrian access to the property and limitations on use of the property. The condemnor may also consider costs of extra travel made necessary by the public improvement based on the increased distance after construction of the public improvement necessary to reach any point on the property from any other point on the property.

(f) Damages to property abutting on a highway right of way due to change of grade where accompanied by a taking of land.

(g) Cost of fencing reasonably necessary to separate land taken from remainder of condemnee's land, less the amount allowed for fencing taken under par. (a), but no such damage shall be allowed where the public improvement includes fencing of right of way without cost to abutting lands.

(6g) In the case of the taking of an easement, the compensation to be paid by the condemnor shall be determined by deducting from the fair market value of the whole property immediately before the date of evaluation, the fair market value of the remainder immediately after the date of evaluation, assuming the completion of the public improvement and giving effect, without allowance of offset for general benefits, and without restriction because of enumeration but without duplication, to the items of loss or damage to the property enumerated in sub. (6) (a) to (g) where shown to exist.

(6r) (a) In the case of a taking of an easement in lands zoned or used for agricultural

purposes, for the purpose of constructing or operating a high-voltage transmission line, as defined in s. 196.491 (1) (f), or any petroleum or fuel pipeline, the offer under s. 32.05 (2a) or 32.06 (2a), the jurisdictional offer under s. 32.05 (3) or 32.06 (3) or the statement of damages and benefits under section 4 of chapter 275, laws of 1931, as amended (Kline Law), the award of damages under s. 32.05 (7), the award of the condemnation commissioners under s. 32.05 (9) or 32.06 (8) or the modified assessment under section 6 of chapter 275, laws of 1931, as amended (Kline Law), and the jury verdict as approved by the court under s. 32.05 (10) or (11) or 32.06 (10) or the verdict of the jury under section 10 (2) of chapter 275, laws of 1931, as amended (Kline Law), shall specify, in addition to a lump sum representing just compensation under sub. (6) for outright acquisition of the easement, an amount payable annually on the date therein set forth to the condemnee, which amount represents just compensation under sub. (6) for the taking of the easement for one year.

(b) The condemnee shall choose between the lump sum and the annual payment method of compensation at such time as the condemnee accepts the offer, award or verdict, or the proceedings relative to the issue of compensation are otherwise terminated. Selection of the lump sum method of payment shall irrevocably bind the condemnee and successors in interest.

(c) 1. Except as provided under subd. 2, if the condemnee selects the annual payment method of compensation, the fact of such selection and the amount of the annual payment shall be stated in the conveyance or an appendix thereto which shall be recorded with the register of deeds. The first annual payment shall be in addition to payment of any items payable under s. 32.19. Succeeding annual payments shall be determined by multiplying the amount of the first annual payment by the quotient of the state assessment under s. 70.575 for the year in question divided by the state assessment for the year in which the first annual payment for that easement was made, if the quotient exceeds one. A condemnee who selects the annual payment method of compensation, or any successor in interest, may at any time, by agreement with the condemnor or otherwise, waive in writing his or her right, or the right of his or her successors in interest, to receive such payments. Any successor in interest shall be deemed to have waived such right until the date on which written notice of his or her right to receive annual payments is received by the condemnor or its successor in interest.

2. If lands which are zoned or used for agricultural purposes and which are condemned

and compensated by the annual payment method of compensation under this paragraph are no longer zoned or used for agricultural purposes, the right to receive the annual payment method of compensation for a high-voltage transmission line easement shall cease and the condemnor or its successor in interest shall pay to the condemnee or any successor in interest who has given notice as required under subd. 1 a single payment equal to the difference between the lump sum representing just compensation under sub. (6) and the total of annual payments previously received by the condemnee and any successor in interest.

(7) In addition to the amount of compensation paid pursuant to sub. (6), the owner shall be paid for the items provided for in s. 32.19, if shown to exist, and in the manner described in s. 32.20.

(8) A commission in condemnation or a court may in their respective discretion require that both condemnor and owner submit to the commission or court at a specified time in advance of the commission hearing or court trial, a statement covering the respective contentions of the parties on the following points:

- (a) Highest and best use of the property.
- (b) Applicable zoning.
- (c) Designation of claimed comparable lands, sale of which will be used in appraisal opinion evidence.
- (d) Severance damage, if any.
- (e) Maps and pictures to be used.
- (f) Costs of reproduction less depreciation and rate of depreciation used.
- (g) Statements of capitalization of income where used as a factor in valuation, with supporting data.
- (h) Separate opinion as to fair market value, including before and after value where applicable by not to exceed 3 appraisers.
- (i) A recitation of all damages claimed by owner.
- (j) Qualifications and experience of witnesses offered as experts.

(9) A condemnation commission or a court may make regulations for the exchange of the statements referred to in sub. (8) by the parties, but only where both owner and condemnor furnish same, and for the holding of prehearing or pretrial conference between parties for the purpose of simplifying the issues at the commission hearing or court trial.

In proceedings under 84.09 (3m), Stats. 1961, where a strip of land was taken and access to a loading dock restricted because the highway was depressed, plaintiff could recover damages for loss of access because the police power was not involved under 32.09 (4). *Crown Zellerbach Corp. v. 32.10 Condemnation proceedings instituted by property owner. If any property has been occupied by a person possessing the power of condemnation and if the person has not exercised the power, the owner, to institute condemnation proceedings, shall present a verified petition to the circuit judge of the county wherein the land is situated asking that such proceedings be commenced. The petition shall describe the land, state the person against which the condemnation proceedings are instituted and the use to which it has been put or is designed to have been put by the person against which the proceedings are instituted. A copy of the petition shall be served upon the person who has occupied petitioner's land, or interest in land. The petition shall be filed in the office of the clerk of the circuit court and thereupon the matter shall be deemed an action at law and at issue, with petitioner as plaintiff and the occupying person as defendant. The court shall make a finding of whether the defendant is occupying property of the plaintiff without having the right to do so. If the court determines that the defendant is occupying such property of the plaintiff without having the right to do so, it shall treat the matter in accordance with the provisions of this chapter assuming the plaintiff has received from the defendant a jurisdictional

offer and has failed to accept the same and assuming the plaintiff is not questioning the right of the defendant to condemn the property so occupied.

A landowner's petition for inverse condemnation, like a municipality's petition for condemnation, is not subject to demurrer. *Revival Center Tabernacle v. Milwaukee*, 68 W (2d) 94, 227 NW (2d) 694.

32.11 Trial of title. If any defect of title to or encumbrance upon any parcel of land is suggested upon any appeal, or if any person petitions the court in which an appeal is pending setting up a claim adverse to the title set out in said petition to said premises and to the money or any part thereof to be paid as compensation for the property so taken, the court shall thereupon determine the question so presented. Judgment shall be entered on such determination, with costs to the prevailing party. An appeal from such judgment may be taken as from a judgment in an action.

32.12 Proceedings to perfect title. (1) If any person having the power to acquire property by condemnation enters into the possession of any property and is using the property for a purpose for which condemnation proceedings might be instituted but has not acquired title to the property, or if the title is defective, or if not in possession, has petitioned the circuit court as provided by s. 32.06 (7) and for an order as authorized under this section either at the time of filing the petition for condemnation or thereafter, and the necessity for taking has been determined as authorized by law, the person may proceed to acquire or perfect the title as provided in this chapter or be authorized to enter into possession as provided in this section. At any stage of the proceedings the court in which they are pending may authorize the person, if in possession, to continue in possession, and if not in possession to take possession and have and use the lands during the pendency of the proceedings and may stay all actions or proceedings against the person on account thereof on the paying in court of a sufficient sum or the giving of such securities as the court may direct to pay the compensation therefor when finally ascertained. The "date of taking" in proceedings under this section is the date on which the security required by the order for such security is approved and evidence thereof is filed with the clerk of court. In every such case the party interested in the property may institute and

conduct, at the expense of the person, the proceedings to a conclusion if the person delays or omits to prosecute the same.

(2) No injunction to restrain such person in his possession of said lands or his use thereof or the operation thereon of any plant, line, railroad or other structure, shall be granted until such compensation has been fixed and determined.

(3) In case such person or the person through or under whom he claims title has paid to the owner of such lands or to any former owner thereof, or to any other person having any valid mortgage or other lien thereon, or to any owner, lien holder, mortgagee or other person entitled to any award or part of any award in satisfaction of the whole or any part of such award to which such owner, lien holder, mortgagee or other person may become entitled upon completion of such condemnation proceedings in the manner authorized by this chapter, such sum with interest thereon from the date of such payment at the rate of 5% per annum shall be deducted from the award made by said commissioners to such owners or other person.

(4) In case there is a dispute in relation to the payment of any sum as aforesaid or the amount or date of any payment that may have been made, the court or judge thereof shall at the request of any party, award an issue which shall be tried in the same manner as issues of fact in said court and an appeal from the judgment thereon may be taken in the same manner as from any judgment.

History: 1977 c. 449.

32.13 Proceedings when land mortgaged. Whenever any person has acquired title to any property for which it could institute condemnation proceedings and said property is subject to any mortgage or other lien and proceedings have been afterwards commenced by the holders of any such mortgage or lien to enforce the same, the court in which such proceedings are pending may on due notice appoint 3 commissioners from among the county commissioners created by s. 32.08 to appraise and value said property in the manner prescribed in this chapter as of the time when such person acquired title. Such appraisal shall be exclusive of the improvements made by such person or his predecessors. Said appraisal, with interest, when confirmed by said court shall stand as the maximum amount of the encumbrance chargeable to the property so taken and judgment shall be rendered according to equity for an amount not exceeding such appraisal, with interest, against such person and may be enforced as in other cases. On the payment of such amount such person shall hold said property free and discharged from said mortgage or lien. An

appeal may be taken from the award of such commission by the plaintiff and tried and determined as an appeal from the county condemnation commissioners under this chapter and the action to enforce such mortgage or lien shall in the meantime be stayed.

32.14 Amendments. The court or judge may at any time permit amendments to be made to a petition filed pursuant to s. 32.06, amend any defect or informality in any of the proceedings authorized by this chapter and may cause any parties to be added and direct such notice to be given to any party of interest as it deems proper.

32.15 How title in trustee acquired. In case any title or interest in real estate lawfully required by any person having the power of condemnation is vested in any trustee not authorized to sell, release and convey the same or in any minor or person adjudged mentally incompetent, the circuit court may in a summary proceeding authorize and empower such trustee or the general guardian of such minor or person adjudged mentally incompetent to sell and convey the same for the purposes required on such terms as may be just. If such minor or person adjudged mentally incompetent has no general guardian, the court may appoint a special guardian for such sale, release or conveyance. The court may require from such trustee, or general or special guardian, such security as it deems proper before any conveyance or release authorized in this section is executed. The terms of the same shall be reported to the court on oath. If the court is satisfied that such terms are just to the party interested in such real estate, it shall confirm the report and direct the conveyance or release to be executed. Such conveyance or release shall have the same effect as if executed by one having legal power to sell and convey the land.

History: 1977 c. 83.

32.16 Abandonment of easements for public use. An easement for public use acquired by gift or purchase or by condemnation under this chapter shall not be deemed abandoned on the grounds of nonuser thereof for any period less than that prescribed in the applicable statutes of limitations in ch. 893. Nothing contained in this section shall be presumed to adversely affect any highway right possessed by the state or any county or municipality thereof.

32.17 General provisions. (1) Where power of condemnation is given to a state officer the title acquired shall be in the name of the state. Payments of the costs and expenses of

such condemnation shall be paid from the appropriation covering the purposes for which the property is acquired.

(2) Any condemnation proceedings authorized under any local or special law of this state, except those applicable to cities of the 1st class, shall be conducted under the procedure provided in this chapter.

(3) Where disbursements and costs, including expert witness fees and reasonable actual attorney's fees in case of abandonment of proceedings by the condemnor are recoverable from a condemnor under this chapter, they shall be recoverable from the state or any of its agencies when the state or such agency is the condemnor.

32.18 Damage caused by change of grade of street or highway where no land is taken; claim; right of action. Where a street or highway improvement project undertaken by the department of transportation, a county, city, town or village, causes a change of the grade of such street or highway in cases where such grade was not previously fixed by city, village or town ordinance, but does not require a taking of any abutting lands, the owner of such lands at the date of such change of grade may file with the department of transportation in the case of state trunk highways, a county in the case of county highways or the city, town or village, causing such change of grade to be effected, whichever has jurisdiction over the street or highway, a claim for any damages to said lands occasioned by such change of grade. Special benefits may be offset against any claims for damages under this section. Such claim shall be filed within 90 days following the completion of said project; if allowed, it shall be paid in the case of the department of transportation, out of the state highway funds, otherwise, out of the funds of the respective county, city, village or town against which the claim is made as the case may be. If it is not allowed within 90 days after such date of filing it shall be deemed denied. Thereupon such owner may within 90 days following such denial commence an action against the department of transportation, the city, county, village or town as the case may be, to recover any damages to the lands shown to have resulted from such change of grade. Any judgment recovered against the department of transportation shall be paid out of the state highway funds, otherwise out of the funds of city, county, village or town against which the judgment is recovered. Where a grade has been established by ordinance, the property owner's remedy shall be as provided by municipal law. This section shall in no way contravene, limit or restrict s. 88.87.

32.185 Condemnor. "Condemnor", for the purposes of ss. 32.19 to 32.27, means any municipality, board, commission, public officer or corporation vested with the power of eminent domain which acquires property for public purposes either by negotiated purchase when authorized by statute to employ its powers of eminent domain or by the power of eminent domain.

History: 1975 c. 224.

32.19 Additional items payable. (1) DECLARATION OF PURPOSE. The legislature declares that it is in the public interest that persons displaced by any public project be fairly compensated by payment for the property acquired and other losses hereinafter described and suffered as the result of programs designed for the benefit of the public as a whole; and the legislature further finds and declares that, notwithstanding ch. 275, laws of 1931, or any other provision of law, payment of such relocation assistance and assistance in the acquisition of replacement housing are proper costs of the construction of public improvements. If the public improvement is funded in whole or in part by a nonlapsible trust, the relocation payments and assistance constitute a purpose for which the fund of the trust is accountable.

(3) for assisting in the purchase, sale, resale, manufacture, processing, or marketing of products, commodities, personal property, or services by the erection and maintenance of an outdoor advertising display or displays, whether or not such display or displays are located on the premises on which any of the above activities are conducted.

(e) "Farm operation" means any activity conducted solely or primarily for the production of one or more agricultural products or commodities for sale and home use, and customarily producing such products or commodities in sufficient quantity to be capable of contributing materially to the operator's support.

(f) "Comparable dwelling" means one which, when compared with the dwelling being taken, is substantially equal concerning all major characteristics and functionally equivalent with respect to: the number of rooms, area of living space, type of construction, age, state of repair, type of neighborhood and accessibility to public services and places of employment. "Comparable dwelling" shall meet all of the standard building requirements and other code requirements of the local governmental body and shall also be decent, safe and sanitary as defined by the department of local affairs and development and the department of industry, labor and human relations, jointly.

(2m) INFORMATION ON PAYMENTS. Before initiating negotiations to acquire the property under s. 32.05 (2a), 32.06 (2a) or chapter 275, laws of 1931, as amended (Kline Law), the condemnor shall provide displaced persons with copies of applicable pamphlets prepared under s. 32.26 (6).

(3) RELOCATION PAYMENTS. Any condemnor which proceeds with the acquisition of real and personal property for purposes of any project for which the power of condemnation may be exercised, shall make fair and reasonable relocation payments to displaced persons, business concerns and farm operations under this section. Payments shall be made as follows:

(a) *Moving expenses; actual.* The condemnor shall compensate a displaced person for his

actual and reasonable expenses in moving himself, his family, his business or his farm operation, including personal property; actual direct losses of tangible personal property as a result of moving or discontinuing a business or farm operation, but not to exceed an amount equal to the reasonable expenses that would have been required to relocate such property; and actual reasonable expenses in searching for a replacement business or farm.

(b) *Moving expenses; optional fixed payments.* 1. "Dwellings". Any displaced person who moves from a dwelling and who elects to accept the payments authorized by this paragraph in lieu of the payments authorized by par. (a) may receive a moving expense allowance, determined according to a schedule established by the condemnor not to exceed \$300 and dislocation allowance of \$200.

2. "Business and farm operations". Any displaced person who moves or discontinues his business or farm operation and who elects to accept payment authorized under this paragraph in lieu of the payment authorized under par. (a), may receive a fixed payment in an amount equal to the average annual net earnings of the business or farm operation, except that such payment shall not be less than \$2,500 nor more than \$10,000. In the case of a business, no payment shall be made under this subsection unless the condemnor is satisfied that the business:

a. Is not able to be relocated without a substantial loss of its existing patronage; and

b. Is not part of a commercial enterprise having at least one other establishment, not being acquired by the condemnor which is engaged in the same or similar business. For the purpose of this subsection, the term "average annual net earnings" means one-half of any net earnings of the business or farm operation, before payment of federal, state and local income taxes, during the 2 taxable years immediately preceding the taxable year in which such business or farm operation moves from the real property acquired for such project, or during such other period as the condemnor determines to be more equitable for establishing such earnings. "Average annual net earnings" includes any compensation paid by the business or farm operation to the owner, his spouse or his dependents during such 2-year period. To be eligible for the payment authorized by this subsection, the business or farm operation shall make its state and federal income tax returns available and its financial statements and accounting records available for audit to determine the payment authorized by this subsection.

(c) *Optional payment for businesses.* Any displaced person who moves his business, and

elects to accept the payment authorized in par. (a), may, if otherwise qualified under par. (b) 2, elect to receive the payment authorized under par. (b) 2, minus whatever payment he received under par. (a), if he discontinues his business within 2 years of the date of receipt of payment under par. (a), provided that he has suffered a substantial loss of existing patronage. In no event shall the total combined payment be less than \$2,500 nor more than \$10,000.

(4) **REPLACEMENT HOUSING.** (a) *Owner-occupants.* In addition to amounts otherwise authorized by this chapter, the condemnor shall make a payment, not to exceed \$15,000, to any displaced person who is displaced from a dwelling actually owned and occupied, or from a mobile home site actually owned or occupied, by the displaced person for not less than 180 days prior to the initiation of negotiations for the acquisition of the property. For the purposes of this paragraph, a nonprofit corporation organized under ch. 181 may, if otherwise eligible, be considered a displaced owner. A displaced owner may elect to receive the payment under par. (b) in lieu of the payment under this paragraph. Such payment includes only the following:

1. The amount, if any, which when added to the acquisition payment, equals the reasonable cost of a comparable replacement dwelling which is decent, safe and sanitary as determined by the department of local affairs and development and the department of industry, labor and human relations jointly, reasonably accessible to public services and places of employment and available on the private market.

1m. In the case of a person displaced from a mobile home site, the amount, if any, which when added to the trade-in or salvage value of the mobile home equals the reasonable cost of a comparable mobile home which is decent, safe and sanitary, plus an amount equal to 48 times the difference between the monthly rent being paid for the site on which the mobile home is located and the monthly rent for a comparable mobile home site or the amount necessary to enable the displaced person to make a downpayment on the purchase of a comparable mobile home site, provided that the owner of a mobile home shall be eligible for such payments only if: a) the mobile home is not considered to be a decent, safe and sanitary dwelling unit; or b) the structural condition of the mobile home is such that it cannot be moved without substantial damage or unreasonable cost; or c) there are no adequate or available replacement sites to which the mobile home can be moved. If a comparable mobile home dwelling is not available, the replacement housing payment shall be calculated on the basis of the next highest type of mobile

home or a conventional dwelling that is available and meets the requirements and standards for a comparable dwelling.

2. The amount of increased interest expenses incurred by the owner to finance the purchase of another property substantially similar to the property taken provided that: a) at the time of the taking the land acquired was subject to a bona fide mortgage or was held under a vendee's interest in a bona fide land contract; and b) such mortgage or land contract had been executed in good faith not less than 180 days prior to the initiation of the attempt to purchase such property. The computation of the increased interest costs shall be based upon and limited to:

a. An amount equal to the excess in the aggregate interest and other debt service costs of that amount of indebtedness not to exceed the unpaid debt at the date of taking.

b. A term not to exceed the remaining term of the original mortgage or land contract at the date of taking.

c. An interest rate not to exceed the prevailing rate charged by mortgage lending institutions doing business in the vicinity.

d. The present worth of the future payments of increased interest computed at the prevailing interest rate paid on savings deposits by commercial banks doing business in the vicinity.

3. Reasonable incidental fees, commissions, discounts, surveying costs, title evidence costs and other closing costs incurred in the purchase of replacement housing, but not including pre-paid expenses.

4. Payment under this section shall be made only to a displaced owner who purchases and occupies a decent, safe and sanitary replacement dwelling not later than one year after the date on which he moves from the dwelling acquired for the project, or the date on which he receives payment from the condemnor, whichever is later.

(am) In determining the comparability of a replacement dwelling or mobile home under par. (a), the department of local affairs and development and the department of industry, labor and human relations shall consider and give effect to the overall size, number of rooms and size of rooms, hallways and storage areas of the dwelling or mobile home being replaced, as well as the size and utility of any garage or other outbuildings within the curtilage of the dwelling or mobile home being replaced, regardless of the contribution of the garage or other outbuildings to the owner's income.

(b) *Tenants and certain others.* In addition to amounts otherwise authorized by this chapter, the condemnor shall make a payment to any individual or family displaced from any dwelling which was actually and lawfully occupied by

such individual or family for not less than 90 days prior to the initiation of the attempt to purchase such property. For purposes of this paragraph, a nonprofit corporation organized under ch. 181 may, if otherwise eligible, be considered a displaced tenant. Such payment shall be either:

1. The amount which is necessary to enable such person to lease or rent for a period not to exceed 4 years a decent, safe and sanitary dwelling meeting standards established by the department of local affairs and development and the department of industry, labor and human relations, jointly, and adequate to accommodate such individual or family in area not generally less desirable in regard to public utilities, public and commercial facilities and places of employment, but not to exceed \$4,000; or

2. The amount necessary to enable such person to make a downpayment, including incidental expenses described in par. (a) 3, on the purchase of a decent, safe and sanitary dwelling meeting standards established by the department of local affairs and development and the department of industry, labor and human relations, jointly, and adequate to accommodate such individual or family in areas not generally less desirable in regard to public utilities, public and commercial facilities and places of employment, but not to exceed \$4,000, but if the amount exceeds \$2,000, the person must equally match the excess over \$2,000 in making the downpayment.

(bm) *Additional payment.* If a comparable dwelling is not available within the monetary limits established in par. (a) or (b), the condemnor may exceed the monetary limits and make payments necessary to provide replacement housing comparable to that occupied by the displaced person at the initiation of negotiations for the acquisition of the property.

(c) *Relocation payments not taxable.* No payments received under this section shall be considered as income for the purposes of ch. 71; nor shall such payments be considered as income or resources to any recipient of public assistance and such payment shall not be deducted from the amount of aid to which the recipient would otherwise be entitled under any welfare law.

(4m) **BUSINESS OR FARM REPLACEMENT PAYMENT.** In addition to amounts otherwise authorized by this chapter, the condemnor shall make a payment, not to exceed \$50,000, to any displaced person who is displaced from any business or farm operation which the person has owned for not less than 180 days prior to the initiation of negotiations for the acquisition of the real property on which the business or farm operation lies, and who actually purchases a comparable replacement for such acquired

property within 2 years after the date the person vacates the acquired property or receives payment from the condemnor, whichever is later. The additional payment under this subsection shall include the following amounts:

(a) The amount, if any, which when added to the acquisition cost of the property (other than any dwelling on such property) equals the reasonable cost of a comparable replacement for such acquired property, as determined by the department of local affairs and development and the department of industry, labor and human relations, jointly. Such replacement property shall be within reasonable proximity of the property being acquired and shall be suited for the same type of business or farm operation as that which is being conducted by the displaced person at the time of acquisition.

(b) The amount, if any, which will compensate such displaced person for any increased interest cost which such person is required to pay for financing the acquisition of any replacement property, if the property acquired was encumbered by a bona fide mortgage which was a valid lien on the property for at least 180 days prior to the initiation of negotiations for its acquisition. The amount under this paragraph shall be equal to the excess in the aggregate interest and other debt services cost of that amount of the principal of the mortgage on the replacement property which is equal to the unpaid balance of the mortgage on the acquired property, reduced to discounted present value. The discount rate shall be the prevailing interest rate paid on savings deposits in commercial banks in the general area where the replacement property is located.

(c) Reasonable expenses incurred by the displaced person for evidence of title, recording fees and other closing costs incident to the purchase of the replacement property, but not including prepaid expenses.

(5) EMINENT DOMAIN. Nothing in ss. 32.19 or 32.25 to 32.27 shall be construed as creating in any condemnation proceedings brought under the power of eminent domain, any element of damages.

(1) Recording fees, transfer taxes and similar expenses incidental to conveying such property.

(2) Penalty costs for prepayment of any mortgage entered into in good faith encumbering such real property if the mortgage is recorded or has been filed for recording as provided by law prior to the date specified in s. 32.19 (4) (a) 2.

(3) The pro rata portion of real property taxes paid which are allocable to a period subsequent to the date of vesting of title in the condemnor or the effective date of possession of such real property by the condemnor, whichever is earlier.

(4) The cost of realigning personal property on the same site in partial takings or where realignment is required by reason of elimination or restriction of existing used rights of access.

(5) Expenses incurred for plans and specifications specifically designed for the property taken and which are of no value elsewhere because of the taking.

(6) Reasonable net rental losses where a) the losses are directly attributable to the public improvement project and b) such losses are shown to exceed the normal rental or vacancy experience for similar properties in the area.

(7) Cost of fencing reasonably necessary pursuant to s. 32.09 (6) (g) shall, when incurred, be payable in the manner described in s. 32.20.

32.20 Procedure for collection of itemized items of compensation. Claims for damages itemized in s. 32.19 shall be filed with the department of transportation or other public

body, board, commission or utility, which is carrying on the project through which condemnee's or claimant's claims arise. All such claims must be filed after the damages upon which they are based have fully materialized but in no event later than 2 years after the condemnor takes physical possession of the entire property acquired. If such claim is not allowed within 90 days after the filing thereof, the claimant shall have a right of action against the condemnor, or in case no condemnation is involved against the department of transportation or public body, board, commission or utility, which is carrying on the project through which the claim arises. Such action shall be commenced in a court of record in the county wherein the damages occurred. In causes of action, involving any state commission, board or other agency, excluding counties, the sum recovered by the claimant shall be paid out of any funds appropriated to such condemning agency. Any judgment shall be appealable by either party and any amount recovered by the body against which the claim was filed, arising from costs, counterclaims, punitive damages or otherwise may be used as an offset to any amount owed by it to the claimant, or may be collected in the same manner and form as any other judgment.

32.21 Emergency condemnation. Whenever any lands or interest therein are urgently needed by any state board, or commission, or other agency of the state, and a contract for the purchase or use of the property cannot be made for a reasonable price, or for any other reason, including the unavailability of the owner or owners, the board, commission or agency may, with the approval of the governor, issue an award of damages and upon tender of the award to the owner or owners, or deposit in a court of record in the county where the lands are situated in cases where an owner is not available or tender is refused, take immediate possession of said property. Deposit in a court of record may be made by registered mail addressed to the clerk of the court. The governor shall determine whether or not such an award shall issue. Appeal from said award of damages will lie as in other similar cases and all provisions of the chapter shall govern, except as to the provision herein concerning the immediate issuance of the award tender and immediate possession.

32.25 Relocation payment plan and assistance services. (1) Notwithstanding ch. 275, laws of 1931, or any other provision of law,

no condemnor shall proceed with any property acquisition activities on any project which may involve acquisition of property and displacement of persons, business concerns or farm operations until the condemnor has filed in writing a relocation payment plan and relocation assistance service plan and has had both such plans approved in writing by the department of local affairs and development.

(2) The relocation assistance service plan shall contain evidence that the condemnor has taken reasonable and appropriate steps to:

(a) Determine the cost of any relocation payments and services or the methods that are going to be used to determine such costs.

(b) Assist owners of displaced business concerns and farm operations in obtaining and becoming established in suitable business locations or replacement farms.

(c) Assist displaced owners or renters in the location of comparable dwellings.

(d) Supply information concerning programs of federal, state and local governments which offer assistance to displaced persons and business concerns.

(e) Assist in minimizing hardships to displaced persons in adjusting to relocation.

(f) Secure, to the greatest extent practicable, the coordination of relocation activities with other project activities and other planned or proposed governmental actions in the community or nearby areas which may affect the implementation of the relocation program.

(g) Determine the approximate number of persons, farms or businesses that will be displaced and the availability of decent, safe and sanitary replacement housing.

(h) Assure that, within a reasonable time prior to displacement, there will be available, to the extent that may reasonably be accomplished housing meeting the standards established by the department of local affairs and development and the department of industry, labor and human relations, jointly for decent, safe and sanitary dwellings. The housing, so far as practicable, shall be in areas not generally less desirable in regard to public utilities, public and commercial facilities and at rents or prices within the financial means of the families and individuals displaced and equal in number to the number of such displaced families or individuals and reasonably accessible to their places of employment.

History: 1971 c. 99, 103

32.26 Authority of the departments of local affairs and development and industry, labor and human relations. (1) In addition to all other powers granted in this chapter, the department of local affairs and development

shall consult with the department of industry, labor and human relations in the formulation of local standards for decent, safe and sanitary dwelling accommodations.

(2) The department of local affairs and development and the department of industry, labor and human relations, jointly may make such rules as are necessary to carry out its functions in regard to local standards for decent, safe and sanitary dwelling accommodations.

(3) The department may make investigations to determine if the condemnor is complying with ss. 32.19 to 32.27. The department may seek an order from the circuit court requiring a condemnor to comply with ss. 32.19 to 32.27 or to discontinue work on that part of the project which is not in substantial compliance with ss. 32.19 to 32.27. The court shall give hearings on these actions precedence on the court's calendar.

(4) Upon the request of the department of local affairs and development, the attorney general shall aid and prosecute all necessary actions or proceedings for the enforcement of this chapter and for the punishment of all violations thereof.

(5) Any displaced person may, prior to commencing court action against the condemnor under s. 32.20, petition the department of local affairs and development for review of his complaint, setting forth in the petition the reasons for his dissatisfaction. The department may conduct an informal review of the situation and attempt to negotiate an acceptable solution. If an acceptable solution cannot be negotiated within 90 days, the department shall notify all parties, and the petitioner may then proceed under s. 32.20. The informal review procedure provided by this subsection shall not be a condition precedent to the filing of a claim and commencement of legal action pursuant to s. 32.20. In supplying information required by s. 32.25 (2) (d), the condemnor shall clearly indicate to each displaced person his right to proceed under this paragraph and under s. 32.20, and shall supply full information on how the displaced person may contact the department of local affairs and development.

(6) The department of local affairs and development, with the cooperation of the attorney general, shall prepare pamphlets in simple language and in readable format describing the eminent domain laws of this state, including the reasons for condemnation, the procedures followed by condemnors, how citizens may influence the condemnation process and the rights of property owners and citizens affected by condemnation. The department shall make copies of the pamphlets available to all condemnors,

who may be charged a price for the pamphlets sufficient to recover the costs of production.

32.27 Records to be kept by condemnor.

(1) CONTENTS OF RECORDS. The condemnor shall maintain records for each project requiring a relocation payment plan. The records shall contain such information as are necessary to carry out ss. 32.19 and 32.25 to 32.27. The records shall be preserved by the condemnor for a period not less than 3 years after conclusion of the project to which the records pertain.

(2) COSTS OF RELOCATION PAYMENTS AND SERVICES; SHARING FORMULA. (a) The costs of relocation payments and services shall be computed and paid by the condemnor and included as part of the total project cost.

(b) If there is a project cost-sharing agreement between the condemnor and another unit or level of government, the costs of relocation payments and services shall be shared in the same proportion as other project costs unless otherwise provided. This direct proportion formula may be changed to take advantage of federal relocation subsidies. It is intended that the payments and services described by ss. 32.19 to 32.27 are required for any project whether or not it is subject to federal regulation under P.L. 91-646; 84 Stat. 1894. The intent of this paragraph is to assure that condemnors take maximum advantage of federal payment or assistance for relocation, and to ensure that in no event will any displaced person receive a combined payment in excess of payments authorized or required by s. 32.19 or by federal law.

History: 1971 c. 103; 1977 c. 418.

32.28 Costs. (1) In this section, "litigation expenses" means the sum of the costs, disbursements and expenses, including reasonable attorney, appraisal and engineering fees necessary to prepare for or participate in actual or anticipated proceedings before the condemnation commissioners, board of assessment or any court under this chapter or chapter 275, laws of 1931, as amended (Kline Law).

(2) Except as provided in sub. (3), costs shall be allowed under ch. 814 in any action brought under this chapter or chapter 275, laws of 1931, as amended (Kline Law). If the amount of just compensation found by the court or commissioners of condemnation exceeds the jurisdictional offer or the highest written offer prior to the jurisdictional offer, the condemnee shall be deemed the successful party under s. 814.02 (2).

(3) In lieu of costs under ch. 814, the court shall award litigation expenses to the condemnee if:

(a) The proceeding is abandoned by the condemnor;

(b) The court determines that the condemnor does not have the right to condemn part or all of the property described in the jurisdictional offer or there is no necessity for its taking;

(c) The judgment is for the plaintiff in an action under s. 32.10;

(d) The award of the condemnation commission under s. 32.05 (9) or 32.06 (8) exceeds the jurisdictional offer or the highest written offer prior to the jurisdictional offer by at least \$700 and at least 15% and neither party appeals the award to the circuit court;

(e) The jury verdict as approved by the court under s. 32.05 (11) exceeds the jurisdictional offer or the highest written offer prior to the jurisdictional offer by at least \$700 and at least 15%;

(f) The condemnee appeals an award of the condemnation commission which exceeds the jurisdictional offer or the highest written offer prior to the jurisdictional offer by at least \$700 and at least 15%, if the jury verdict as approved by the court under s. 32.05 (10) or 32.06 (10)

exceeds the award of the condemnation commission by at least \$700 and at least 15%;

(g) The condemnor appeals the award of the condemnation commission, if the jury verdict as approved by the court under s. 32.05 (10) or 32.06 (10) exceeds the jurisdictional offer or the highest written offer prior to the jurisdictional offer by at least \$700 and at least 15%;

(h) The condemnee appeals an award of the condemnation commission which does not exceed the jurisdictional offer or the highest written offer prior to the jurisdictional offer by 15%, if the jury verdict as approved by the court under s. 32.05 (10) or 32.06 (10) exceeds the jurisdictional offer or the highest written offer prior to the jurisdictional offer by at least \$700 and at least 15%; or

(i) The condemnee appeals an assessment of damages and benefits under section 10 (2) of chapter 275, laws of 1931, as amended (Kline Law), if the verdict of the jury awards an amount at least \$700 and at least 15% greater than the award made by the city.
