AN ACT to appropriate \$3,421.40 from the general fund for payment of a claim made by the school district of La Farge against the state.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. Claim against the state. There is appropriated \$3,421.40 to the school district of La Farge as reimbursement for damages incurred by the district when employes of the department of public instruction misplaced its application for federal disaster aid in July 1978, resulting in denial of the application by the federal government. Acceptance of this payment operates as a full and complete release to the state and its officers and employes for any claim arising as a result of the handling of the claimant's application for federal disaster aid in July 1978.
