---

September 19, 1979

Speaker Ed Jackamonis  
Room 211 West, State Capitol  
Madison, WI 53702

Dear Speaker Jackamonis:

There is a definite need for the Agriculture Committee to study non-point pollution controls and state policy in regard to the Federal Environmental Protection regulations in this field. Non-point pollution is of vital concern to not only the agriculture industry, but also to the entire State of Wisconsin.

JOURNAL OF THE ASSEMBLY [September 26, 1979]

For this reason, I am appointing a Subcommittee on Non-point Pollution. Members of this Subcommittee will include: Representative Gervase Hephner, Chairman, Representatives Joseph Tregoning, David Paulson, James Harsdorf, and Richard Shoemaker.

Representative Swoboda is the new Chairman of the Subcommittee on Transportation and Alternate Sources of Energy. Representative Donald Hasenohrl, who I appointed as Chairman originally, feels that with his other activities, he does not have the time to devote to this Subcommittee.

The present Subcommittee on the UW Veterinary Science College is to be discontinued.

Kindest personal regards,  
HARLAND EVERSON  
Chairman
