SUBCHAPTER I

STATE PRINTING CONTRACTS

35.001 Definitions. As used in this chapter:

(1) "Department" in this chapter means the department of administration.

(2) "Revisor" means the revisor of statutes.

(3) "Contract printer" is the person under contract to do public printing, other than printing of the 5th class.

(4) "State agencies" include departments, boards, commissions, bureaus, institutions and the university of Wisconsin system.

History: 1977 c. 26.

GENERAL

35.01 Public printing; definition and classification. Public printing includes all graphic

reproduction by whatever process and the necessary material and binding. Public printing is divided into 9 classes:

(1) Class 1—All legislative printing and Wisconsin session laws.

(2) Class 2—Wisconsin statutes, annotations and Blue Book.

(3) Class 3—All book printing required for state agencies, not otherwise classified, except university press publications and technical or semitechnical journals of the university of Wisconsin system, the Wisconsin magazine of history and hard bound books of the historical society.

(4) Class 4—All job printing and all printing not otherwise classified.

(5) Class 5—Legal notices.

(7) Class 7—Printing for state agencies located outside the city of Madison.

35.01 PUBLIC PRINTING; DISTRIBUTION OF LAWS AND PUBLIC DOCUMENTS 832

(8) Class 8—Specialty printing as defined in s. 35.64 (2), yearbooks, and similar student publications not funded by student fees or student organization income and book printing excluded from class 3 under sub. (3).

History: 1975 c. 39, 198; 1979 c. 34, 175

35.012 State printing; exception. All printing contracted for under this chapter, except statutes and annotations of the 2nd class, yearbooks and other similar student publications not funded by student fees or student organization income, printing of the 5th, 6th and 7th classes and such copyrighted or patented or printing specialties not available for production within this state, shall be printed in this state. Printing contracted for under this chapter which is required under this section to be printed in this state may be done in another state if the laws of that state allow printing contracted for under its laws to be done in this state.

History: 1975 c. 39; 1979 c. 34.

35.015 Exempt printing. (1) Any printing which is published by students of the university of Wisconsin system and which is funded solely from student fees or student organization income is not subject to this chapter.

(2) Any printing for a single job which the department determines may be printed at a cost less than \$50, other than stationery required for the use of the state, printing authorized and required by the legislature to be done for its use, or printing authorized and required by law to be done for the state, is not subject to this chapter.

(3) Printing is exempt from this chapter when the department exercises the discretion vested in s. 16.82 (4), to determine what printing shall be done by the state itself and what shall be contracted.

History: 1975 c. 39, 200

35.03 Powers of department. The department shall:

(1) Let contracts for public printing and for the purchase of paper in the manner provided in this chapter.

(2) Receive printer's copy and requisitions for public printing from parties authorized by law to present them.

(3) Deliver such copy to the contract printer with written orders that the copy be printed.

(4) Direct the manner, form, style, quantity and method, when these are not expressly prescribed by law, of public printing except printing of the first class; and provide editorial services to state agencies in the preparation of copy for the printer.

(5) Prescribe rules, not inconsistent with law, for the conduct of business.

(6) Make reports to the joint committee on finance setting forth the cost of the public printing during the preceding fiscal term, with recommendations of any retrenchments that can be made therein.

(7) Order such further editions as may be necessary to supply demands whenever any original edition of Wisconsin session laws, or Wisconsin statutes, proves inadequate to meet the estimated future demands therefor, but no reprinting shall occur after the original type or plates have been distributed or rearranged. Such reprints shall be charged to the same appropriation as the original editions.

(8) In solicitation of bids, subdivide classes of printing, creating additional classes, or change printing from one class to another in establishing contracts, whenever the department determines that further or different classification will benefit the state.

(9) Furnish the paper to be used by contract printers or, when it is more economical, purchase paper from contract printers.

History: 1971 c. 125

35.035 Printing costs and charges. (1)

Unless otherwise provided, the department shall charge the cost of printing, including related materials and printing services, of all publications authorized or directed by law to be published to the state agencies responsible for submitting the publications.

(2) The department may contract with state agencies for the printing of agency publications, for which publication is not required by law, on the basis of the cost of such printing.

(3) The department shall receive full payment for the cost of printing publications of state agencies from the appropriate agencies.

(4) In this section, "state agencies" include all departments as defined in s. 16.002 (4), the legislature, the courts, and the legislative and judicial branch agencies.

History: 1979 c. 34

35.04 Employes. The department shall employ such staff, under the classified service as are necessary to perform the duties imposed by this chapter.

LEGISLATIVE; CLASS 1 PRINTING

35.05 Printing in general, how ordered and executed. (1)

All printing for the legislature shall be in such form and printed in such manner and amount as may be determined by the joint rules of the legislature, or in the case of

printing of a nature that is the concern of one house only, then as determined by that house.

(2) (a) When the senate or the assembly determines the form or amount of printing for its own use, such determination or such regulations as may be considered appropriate governing such printing, may be made by the rules of the house or by resolution or by the senate committee on organization for the senate or the assembly committee on organization for the assembly, subject to final decision by their respective houses.

(b) When printing concerns both houses the form or amount of such printing may be determined by the joint rules or by joint resolution or by the joint committee on legislative organization, subject to any provisions of the joint rules or joint resolutions.

(3) All printing for which the format, number of copies or other features prescribed by statute is now repealed, or which had a customary form, number of copies or other features, shall continue to conform to such format, other requirements or customary form until changed by or under authority of statute, joint rule or rule of either house.

(4) When legislative proposals, legislative publications or other printing is required for the legislature, including revision or correction bills for the revisor of statutes, bills or reports for the legislative council or legislative proposals of members intended for introduction by them, such printing may be ordered by the chief clerk of either house or by other authorized persons during any session of the legislature or recess thereof, pursuant to such regulations as either house shall establish.

(5) (a) Whenever either house requires any printing for its exclusive use and whenever any joint action of both houses is taken requiring any printing to be done, the chief clerk of the house where such action originates shall issue a printing requisition to the department, and the department shall procure the printing from the contract printer selected for the printing under section 25 of article IV of the constitution.

(b) If there is no contract in force for class 1 public printing, the chief clerks shall deliver copy to the department which shall have it printed in accordance with the statutes.

(c) Any member or officer of the legislature entitled to stationery or other personalized printing may elect to have the printing performed by a printer other than the contract printer under par. (a) if par. (a) is otherwise complied with, but no voucher for printing to be performed other than by the contract printer selected through the department of administration shall be approved unless the cost of the

printing will be the same as, or less than, the cost of obtaining the printing from the contract printer.

(d) Any member or officer of the legislature entitled to personalized printing may specify that his or her personalized printing shall be produced using paper with best-available recycled content.

(e) The design of the letterhead and envelope for each member or officer of the legislature shall be approved as provided by the house in which the member or officer serves; provided, that for personalized printing nothing on the finished product may indicate the printer who performed the work.

(6) Any provision in the rules of the senate or the assembly or of the joint rules relating to printing shall continue in effect during any recess or adjournment of the legislature as though the legislature had continued in session and shall likewise continue in effect following the convening and during any other special or regular session until such provision is modified or repealed.

History: 1977 c 279

35.095 Chapter numbering of acts. At the time the governor approves a bill (an act) he shall give it a chapter number. The acts of a session shall be numbered consecutively commencing with one. If a bill is passed over the governor's veto or becomes a law because of the failure of the governor to act upon it within the time limit the chief clerk of the house of origin shall immediately give the bill its proper chapter number.

35.15 Wisconsin session laws. (1) Immediately after the end of each session of the legislature, the legislative reference bureau shall prepare, for publication by the secretary of state, camera-ready copy for a volume denominated "Wisconsin Session Laws," and identified by the year in which that session began.

(a) The volume shall contain all acts enacted during such session, all important joint resolutions of the session, and an alphabetical index to the volume prepared by the legislative reference bureau in consultation with the revisor of statutes.

(b) The copy shall show the date of newspaper publication of each act and joint resolution, the number of the proposal from which it originated and the house in which it originated and shall be in the form prescribed by the joint rules. The copy shall omit the signature of the officers affixed to the enrolled act or joint resolution.

(c) The copy shall be delivered to the department within 10 working days from publication

35.15 PUBLIC PRINTING; DISTRIBUTION OF LAWS AND PUBLIC DOCUMENTS 834

of the last act under s. 985.04 (2). The department shall determine the number of copies to be printed.

(d) After making the necessary comparison, the chief of the legislative reference bureau shall issue a certificate, to be filed in the office of the secretary of state as a public record, that he or she has compared the printed acts with the original acts on file in the office of the secretary of state, and that they appear to be correctly printed. Each volume of the session laws shall contain a printed copy of such certificate.

(2) If the legislature adjourns for an extended period before final adjournment, but such adjournment is for less than 60 days, the secretary of state shall publish the session laws in one volume. If such adjournment is for more than 60 days, the secretary of state may publish the first volume of the session laws in such manner that laws enacted at the adjourned session are printed as a pocket supplement. The laws enacted at such adjourned session shall be printed as a pocket supplement unless the content thereof is so great that a separate bound volume is necessary.

35.17 Correcting typographical errors. In enrolling under s. 13.92 (1) (b) 3 and for publishing under ss. 35.15 and 985.04 (2), the legislative reference bureau shall correct obvious typographical errors. No such correction shall be deemed an alteration of the enrolled copy. Like corrections shall be made by the revisor in printing the Wisconsin statutes. On questions of orthography the current edition of Webster's new international dictionary shall be taken as the standard.

History: 1977 c. 29.

STATUTES, ANNOTATIONS, TOWN LAW FORMS; CLASS 2 PRINTING

35.18 Wisconsin Statutes. (1) PUBLICATION. Biennially the revisor shall prepare and deliver to the department printer's copy for the Wisconsin statutes, which shall contain all the general statutes in force, all important joint resolutions adopted since the last preceding general session, an alphabetical index, and such other matter as the revisor deems desirable and practicable. The department shall determine how many copies shall be printed.

(2) REVISOR'S CERTIFICATE. After making the necessary comparison, the revisor shall annex, at the end of one copy of each newly printed statute, which shall be filed in the office of the secretary of state as a public record, his certificate certifying that he has compared each printed section therein with the original section

of the statutes, or, as the case may be, with the original section contained in the enrolled act from which the section was derived, together with all amendments of such original section, if any, and that all the sections appear to be correctly printed. All other copies shall contain a printed copy of such certificate.

(3) CHAPTER AND SECTION NUMBERS AND TITLES. All chapters and sections of Wisconsin statutes shall retain their present numbers and titles until changed by the revisor or by statute. In revised chapters the sections shall be designated by mixed, decimal numbers, the whole number corresponding to the chapter and the decimal to each section's place in the chapter, and the section numbers and titles shall be printed in boldface type. Subsections shall be designated by numbers enclosed in parentheses; and paragraphs, by letters. But subchapter, section, subsection and paragraph titles, and history notes constitute no part of the section.

History: 1971 c. 211.

Cross Reference: See 401.109 for provision that section titles are parts of the commercial code.

35.19 Pamphlet laws. Editions of parts of the statutes in pamphlet form may be produced for official use and for public sale. The department shall charge the cost of pamphlet laws produced for such use or sale to the requisitioning state agencies.

History: 1973 c. 333; 1979 c. 34.

35.20 Wisconsin Town Law Forms. With each issue of Wisconsin statutes, under the supervision of the revisor, an edition will be printed as directed by the department for distribution by the department to all town clerks, of a volume to be designated "Wisconsin Town Law Forms" containing suitable forms for use in the administration of laws relating to: common schools; the county board; the powers, duties and liabilities of towns, town officers and the assessment of taxes; highways, bridges and drainage districts; and such other forms as the revisor determines desirable and practicable.

35.22 Evidence. Wisconsin statutes shall be prima facie evidence in all courts and proceedings as provided by s. 889.01; but they shall not preclude reference to, nor control, in case of any discrepancy, any original act of the legislature; and the certified volumes of session laws provided for by s. 35.15 shall also and in the same degree be prima facie evidence in all courts and proceedings.

35.23 Wisconsin Annotations. The revisor shall prepare such annotations as will keep the volume known as "Wisconsin Annotations," up

to date, and to print such continuations in each biennial issue of Wisconsin statutes.

BLUE BOOK AND REPRINTS; CLASS 2 PRINTING

(a) The Blue Book shall contain the biographies and pictures of state officers, senators and representatives to the assembly and officers of each house, information pertaining to the organization of Wisconsin state government, and statistical and other information of the same general character as that heretofore published, but so selected and condensed as will limit the number of pages to 1,000 or less. In making such selection the legislative reference bureau is directed to consult freely with the state superintendent and the director of the historical society, and insofar as possible, make the book useful for civics classes in schools.

(b) The department shall deliver camera-ready copy to the contract printer, to be printed and delivered as soon as practicable after the spring election of the odd-numbered year.

(c) A reprint edition of that part of the book pertaining to the organization of Wisconsin state government shall be delivered on December 1 preceding the publication date.

(2) The Blue Book shall be cloth bound in hard covers and shall have a blue spine.

At the same time at which a report is submitted under s. 15.04 (1) (d), it shall be presented by its author to the department as printer's copy. No report shall contain any advertising matter nor any copying of the session laws or statutes of this state, except minor extracts explanatory of and incorporated in the text.

(2) Before filing any report its author shall carefully edit the same and strike therefrom all journals and minutes of proceedings and all correspondence, petitions, orders and other documents or writings whose substance can be briefly stated, consolidate, so far as practicable, statistical tables and strike out all matter which is not important information concerning public affairs.

The cost of these reports shall be charged to the department. After making the required distribution of the state budget report and budget review report to the executive and legislative agencies and members of the legislature, the remaining copies may be distributed to individuals upon payment of a fee of \$8 per report. Fees collected by the department under this section shall be deposited in the general fund.

Whenever the state elects to provide camera-ready copy for the publication of its laws, facsimile ballots or other legal notices the maximum chargeable rates shall be adjusted as provided in s. 985.08 (2) (b).

(2) The costs of publication of legal notices shall, unless otherwise provided by law, be charged to the appropriation of the agency on whose order such publication is made.

History: 1977 c. 418.

**AGENCIES LOCATED OUTSIDE OF
MADISON; CLASS 7**

35.43 Printing for out-of-Madison state agencies. Whenever it becomes advantageous to do so, the department of administration may establish blanket printing contracts in out-of-Madison metropolitan areas. Such contracts shall whenever practical follow the basic patterns established for classes 1 to 4.

35.44 Specialty printing and book printing excluded from class 3. Specialty printing and book printing excluded from class 3 in s. 35.01 (3) shall be procured on individual competitive bids and by official state printing order according to specifications determined by the department.

**GENERAL SPECIFICATIONS AND
ORDER WRITING**

35.50 Specifications. (1) Specifications for state printing except class 1, including type style and size, page size, titles, paper, form, quality, quantity, binding and method, shall be as determined by the department unless specified by statute. Any state agency which objects to such determination may appeal the decision to the governor.

(2) The session laws, administrative code and register, Blue Book, and reports specified in ss. 35.26 and 35.27, and reprints thereof, shall be substantially the same in printing and bind-

ing as previous editions of the same publication. Unless otherwise determined by the revisor of statutes, the statutes shall be substantially the same in printing and binding as previous editions of the statutes.

35.51 Proofs; where received. Contract printers shall submit proof sheets of all public printing done by them and when requested, revised proof sheets thereof, to the department. When requested by the chief clerk of either house proof sheets of printing of the first class shall be delivered to them.

35.52 Authority for printing; increase, and diminution of editions and pages. The department shall not order any printing not authorized by law nor any quantity in excess of the legal limitation thereof. If experience demonstrates that the number of copies or the number of pages specified in this chapter for the editions of the Blue Book or session laws exceed the actual lawful demand therefor, the number of volumes or pages thereafter to be printed shall be still further reduced as will supply such demand and no more. In like manner, any specification as to quantity in any requisition for printing which is required to be distributed shall be reduced to the actual probable demand therefor, as determined from previous experience in such distribution.

35.53 State printing orders. (1) No printer shall be paid for any printing not authorized by an official printing order. The department shall prescribe the form, contents, number, and disposition of printing requisitions and official printing orders.

(2) The governor may cause the withdrawal of any printing requisition if, in his opinion, public policy demands it, or if the edition thereof seems excessive. In such cases, he shall hear the statement of the requisitioning officer, and shall communicate to such officer the action taken and reason therefor.

35.54 Title pages; names of authors. Every requisitioning agency shall provide the necessary printer's copy for a suitable title page,

containing the name of the author for every book and other document which requires a title page; but no such publication shall have written or printed thereon, nor attached thereto, the words "Compliments of" followed by the name of the author, nor any other words of similar purport.

35.55 Editing printer's copy. Printer's copy must accompany every requisition. The editors of all state agencies may edit for themselves the matter and form of the contents of the printer's copy presented by them respectively to the department. All printer's copy which does not conform to accepted trade practices, and, in the opinion of the department is unsatisfactory, shall be returned to its author for revision and correction.

BIDS AND CONTRACTS; CLASSES 1, 2, 3 AND 4

35.56 Base prices and specifications. (1) As a basis for bids for public printing in classes 1, 2, 3 and 4 the department shall, before advertising for bids and after consultation with agencies, establish base prices and specifications for 2-year periods unless otherwise determined by the department.

(2) The specifications shall include a provision that the contract price shall be adjusted as affected by an increase or decrease in the printers' wage scale, providing no adjustment will take effect before 3 months of a new contract period has elapsed.

(3) The specifications shall include normal production schedules for completion and delivery of each class; and shall provide penalties for failure to comply with production schedules or standards of quality.

(4) The specifications shall provide that all work will be performed within the plant of the contract printer unless excepted by the department.

(5) Notwithstanding subs. (1), (3) and (4), the revisor of statutes shall approve specifications and production schedules for the printing and binding of the Wisconsin statutes.

History: 1977 c. 29; 1979 c. 34.

35.57 Advertisement for bids. The department shall publish advertisements that sealed proposals for furnishing printing, during the next ensuing contract period, with all other material which the department requires, will be received any time prior to a specified day, when all proposals will be publicly opened and read. The advertisements shall be run as class 2 notices, under ch. 985, in the official state paper.

History: 1977 c. 29

35.58 Bidding and awards. (1) Bids shall be sealed proposals in the form and content prescribed by the department. The bid shall be accompanied by a bond, executed by a surety company authorized to do business in this state, in the sum of \$5,000, to the effect that it guarantees the bidder will, if his bid is accepted, execute the contract and bond required by law within the time prescribed by the department.

(2) All bids shall be opened and read publicly at the time and place appointed by the department. Thereafter the department shall determine which bids are acceptable and shall award each subclass to the low responsible bidder offering the greatest per cent of discount from or the least per cent above base prices established by s. 35.56. Any or all bids may be rejected for cause. In the absence of valid bids for any subclass, the department shall readvertise promptly for new bids.

(3) The department shall prepare a contract incorporating the terms and conditions of the specifications for each accepted bid, said contract covering the 2 years beginning January 1 of each odd-numbered year. The bidder shall furnish promptly a bond executed by a surety company authorized to do business in this state in the amount which shall be 20% of the estimated total amount to the next even multiple of \$1,000 paid during the preceding 2-year contract period for each applicable subclass, except no bond shall be for less than \$5,000. The bond shall be for the faithful performance of all duties required of him by law and by the terms and conditions of his bid and contract. Upon entering into a contract with the bidder, the department shall release all bid bonds for the subject subclass.

35.59 Breach of printing contracts. If a successful bidder fails to enter into a printing contract and execute a bond as required the bid bond shall be forfeited to the state. If such bidder or contractor enters upon the performance of a printing contract, and thereafter at any time during the term thereof refuses or neglects to comply with its terms and conditions or with the law relating to public printing, the bidder or contractor is liable to the state in damages to the amount of the difference between the cost of public printing under the printing contract and the cost thereof under any subsequent contracts let by the department. The attorney general, in all cases of damages and of forfeitures arising under this chapter, shall commence and prosecute to final judgment all necessary actions for the recovery thereof with costs, which when collected shall be paid into the state treasury.

History: 1979 c. 355.

35.60 Reletting contracts. If a successful bidder fails to execute a printing contract with accompanying bond pursuant to his preliminary agreement and accepted bid, the department shall let the contracts to the next lowest bidder, unless in its opinion the interest of the state requires that new proposals be received, in which case the department shall immediately proceed to advertise for new proposals as prescribed by this chapter. If the contractor refuses or neglects to execute the work according to law and the terms of his printing contract, the department shall declare such contract void and his bond forfeited, and shall forthwith advertise for bids as in the first instance for the remainder of the contract period. Such emergency public printing as must be had while so readvertising and reletting contracts may be procured by the department.

DELIVERY, BILLING, ACCOUNTING AND SPECIAL PURCHASES

35.61 Delivery and billing. (1) The printing specified in each order shall be performed separately and delivered to the destination specified on the order.

(2) Every contract printer shall file with the department immediately upon completion of an order a detailed and itemized invoice, together with one copy of the job.

35.62 Accounts. The department shall keep an account of all paper delivered to contract printers and prevent waste thereof and keep a record of costs of each job of public printing, grouping said records separately for each class of printing.

35.63 Expenses of printing, how charged. The costs of printing, plates, paper, binding, and the necessary services and materials shall be charged to the requisitioning agency unless excepted by statute.

35.64 Special purchases. (1) Any material and labor necessarily required in doing public printing which is not provided for by this chapter and is not required of contract printers by existing contracts, may be procured by the department.

(2) The department may order specialty printing from suppliers when it proves to be more economical or practical. Specialty printing includes all types of graphic reproduction not required of contract printers by existing contracts.

PAPER PROCUREMENT,
ACCOUNTABILITY, WASTE

35.65 Paper purchases. (1) The department shall procure by state bid and purchase procedures such paper supplies as are necessary for production of public printing and shall have delivered quantities to the contract printer for current jobs or necessary stock piling.

(2) Contract printers are accountable for all paper assigned to them and shall report inventories periodically as prescribed by the department. Paper which has been wasted or converted to other uses shall be charged to the contract printer.

(3) Contract printers shall be allowed waste on all work performed according to specifications established in s. 35.56.

All such contracts shall authorize the department to sell publications on behalf of state agencies at the price fixed by law, or if no price is fixed, at a price determined by publishing agencies not to exceed cost. The department shall return unsold publications to state agencies if desired by the agencies.

WISCONSIN ADMINISTRATIVE CODE

35.93 Wisconsin administrative code and register. (1) The Wisconsin administrative code and register shall be printed in loose-leaf form and shall be hole-punched. The notice section of the register and new rules filed by an agency whose rules have not been compiled and printed pursuant to this section may be duplicated in some other form than printing if the department and revisor determine that it is administratively feasible to do so. The printing or other duplicating shall be handled by the department. It shall also determine the style of the hole-punching and may purchase and sell at cost suitable binders for the code or parts thereof. The revisor shall supervise the arrangement of materials in the Wisconsin administrative code and register, including the numbering of pages and sections. No part of the Wisconsin administrative code or register may be printed until the revisor has approved the arrangement of materials and numbering of sections therein.

(2) In this section "rule" and "agency" have the meanings prescribed in s. 227.01.

(3) The revisor shall compile and deliver to the department for printing copy for a register which shall contain all the rules filed since the compilation of rules for the preceding issue of the register was made and those executive orders which are to be in effect for more than 90 days or an informative summary thereof. The complete register shall be compiled and published before the first day of each month and a notice section of the register shall be compiled and published before the 15th day of each month. The register shall be printed in the same style as the original code and shall be so set up as to permit the changes to be inserted as pages of the original code in lieu of the pages containing superseded material. Each issue of the register shall contain a title page with the name "Wisconsin adminis-

trative register", the number and date of the register, and a table of contents. Each page of the register shall also contain the date and number of the register of which it is a part in addition to the other necessary code titles and page numbers. The revisor may include in the register such instructions or information as in the revisor's judgment will help the user to correctly make insertions and deletions in the code and to keep the code current.

(4) Each issue of the Wisconsin administrative register shall contain a notice section in which shall be printed the notices of hearings on rule making which agencies have transmitted to the revisor for that purpose, notices of intent to adopt rules without a public hearing under s. 227.02 (1) (e), notices of referrals of proposed rules to presiding officers under s. 227.018 (2), notices of emergency rules in effect, fiscal estimates for rule-making orders under s. 227.019 and such other notices as may be required by law or determined by the revisor to be appropriate. The notice section shall be printed or duplicated in such a manner as to make it easily distinguishable from the remainder of the register.

(5) The department shall determine, on the basis of the distribution requirements under s. 35.84 and probable sales demands, the number of copies of each part of the code and each issue of the register to be printed.

(6) The department may sell the code, issues of the register or parts of either of them at a price to be determined by it not exceeding cost, including the costs specified in s. 35.80. It may establish the price of the register or parts thereof on an annual basis. All state agencies may order as many copies of their part of the code or of their part of any issue of the register as they desire for their own use or for distribution and shall pay the department therefor at the established price.

(7) A subscriber is not entitled to a refund of any part of any advance payment for the register. The department shall notify each subscriber when a further payment is due.

(8) The revisor shall prepare and the department shall publish a table of contents and an index of all the rules in effect which have been compiled and printed under this section. The table of contents and index shall be recompiled and reprinted annually. They shall be printed in the same page size as the administrative code. In addition to the distribution required under s. 35.84 (2) (figure), column L, the department shall distribute one copy of the table of contents and index free to each subscriber to the register or parts thereof.

(9) The department shall charge the legislature under s. 20.765 (1) (d) for the cost of

distribution of the code and the register, including the costs specified in s. 35.80, and shall deposit all revenues received from their sale into the general fund.
