The contract as approved may contain conditions of participation consistent with federal and state law but may not include the cost for administering income maintenance programs. Any changes to the proposed contract shall be mutually agreed upon. The county board of supervisors or combination of county boards shall approve the coordinated plan and budget and the contract before January 1 of the year in which it takes effect unless the department grants an extension. The county board of supervisors or combination of county boards may designate an agent to approve addenda to any contract after the contract has been approved.

3. The department shall review and approve the coordinated plans and budget but may not approve budgets for amounts in excess of available revenues. Departmental approval constitutes the approved budget. The county board of supervisors may appropriate outside the approved budget funds not used to match state funds under ss. 49.52 (1) and 51.42 (8). The projected use and actual expenditure of county funds shall be reported in compliance with pro-

cedures developed by the department, and shall comply with standards guaranteeing quality of care comparable to similar facilities.

4. The department shall review each coordinated plan and budget to ensure uniform cost accounting of services. The department shall approve the budget unless it determines, after reasonable notice, that the budget includes proposed expenditures inconsistent with the purposes of s. 46.21, 46.22, 46.23, 46.26, 46.27, 51.42 or 51.437. The joint committee on finance may require the department to submit contracts between boards established under such sections and providers of service to the committee for review and approval.

5. After the budget of a board established under s. 46.21, 46.22, 46.23, 46.26, 46.27, 51.42 or 51.437 has been approved, the department, after reasonable notice, may withhold a portion of the appropriation allocable to any such board if the department determines that such portion of the allocable appropriation:

a. Is for services which duplicate or are inconsistent with services being provided or purchased by the department or other county agencies receiving grants-in-aid or reimbursement from the department;

b. Is inconsistent with state or federal statutes, rules or regulations, in which case the department may also arrange for provision of services by an alternate agency. The department may not arrange for provision of services by an alternate agency unless the joint committee on finance or a review body designated by the committee reviews and approves the department's determination;

c. Is for the treatment of alcoholics in treatment facilities which have not been approved by the department in accordance with s. 51.45 (8);

d. Is for inpatient treatment in excess of an average of 21 days, as defined in s. 51.42 (8) (L), excluding care for patients at the centers for the developmentally disabled;

e. Is for services not approved by the department except as provided under subd. 3.

6. If the department withholds a portion of the allocable appropriation pursuant to subd. 5, the board affected by the action of the department may submit to the county board or boards of supervisors or to a designated agent an amendment to its coordinated plans and budget to rectify the deficiency found by the department. The county board of supervisors or its designated agent or combination of county boards of supervisors or their designated agents may approve or amend the amendment and may submit for departmental approval the amendment as adopted. If a combination of counties is administering a program, the amendment may

not be submitted unless each county board of supervisors, or its designated agent, adopts it.

7. Prior to approval of a coordinated plan and budget, the department may direct that a board organized under s. 51.42 include in its coordinated plan and budget provision for crisis intervention services. If the department finds that the board's plan for these services as reflected in the coordinated plan and budget is not adequate, the board shall prepare in consultation with the department and submit a supplemental plan and budget for these services directly to the county board or boards of supervisors. The county board or boards of supervisors may approve or amend the supplemental plan and budget and may submit for departmental approval the supplemental plan and budget as adopted. If a combination of counties is administering a program, the supplemental plan and budget may not be submitted unless each county board of supervisors adopts it. The county board or boards of supervisors may delegate this responsibility to the community mental health board established under s. 51.42. If the department disapproves the supplemental plan and budget, the department may withhold approval of the entire coordinated plan and budget or may withhold a portion of the funds.

The chairperson of the committee shall be appointed by the county board establishing it. In the case of a multicounty committee, the chairperson shall be nominated by the committee and approved by the county boards establishing it. The county board of supervisors or the boards of 2 or more counties acting jointly may designate an agent to determine the membership of the committee and to appoint the committee chairperson or approve the nominee.

(b) *Alternate process.* The county board of supervisors or the boards of 2 or more counties acting jointly may submit a report to the depart-

Such boards, committees and organizational structures may assume responsibilities currently assigned by statute to the boards, committees or organizational structures which are to be replaced.

A transcript of the testimony taken with respect to legal settlement and data used by a unit described in par. (a) shall be submitted to the department if it is found that the person does not have a legal settlement in the state.

(c) Such statement shall be verified by the officer making it and certified by the trustees of the facility to the department and a duplicate thereof shall be forwarded to the county clerk no later than September 1 in each year.

(d) The department shall credit the county with the amount due the county for any recovery under s. 46.10 and shall certify such statement to the department of administration, which shall pay the aggregate amount found due each county on the first Monday in November of each year.

**(3) STATEMENT OF COUNTY LIABILITY.** This subsection applies only in situations where no other procedure is specified by statute.

(a) On October 1 in each year, the department shall prepare a statement of the amounts due from the counties to the state for care and maintenance of persons at public charge in each facility specified in sub. (1).

(b) Such statement shall cover the preceding fiscal year and shall give the name of each person whose support is partly chargeable to a county or wholly chargeable in the first instance to the state and partly chargeable over to a county, the legal settlement of each person, the number of weeks for which support is charged, the amount due a county for maintenance, and the amount due to the state from the county charged.

(c) The department shall file such statement with the department of administration, and mail a duplicate to the clerk of each county charged. Thereupon, the secretary of administration shall certify to the counties the amounts so due, which amounts shall be levied, collected, and paid into the state treasury as a special charge at the same time as the state taxes are apportioned.

(d) The amount so paid into the state treasury on account for care provided in nonstate-operated facilities shall be apportioned and paid to the counties to which it is due. The department of administration shall make the payment on April 1 in each year.

**(4) RELIEF FROM ERRONEOUS CHARGES TO COUNTY OR STATE.** When the state or a county believes that the cost of the care of a person is improperly charged to it, the matter may be determined by the department after a hearing. The department may on its own motion order a hearing if the charge is against the state. If it is against a county, the district attorney for the county may apply in writing to the department for a hearing. The application shall designate the county to which the person is chargeable, or if it is claimed that he or she is chargeable to the state, it shall so state. The department shall give reasonable notice to the parties interested of the time and place they may be heard. The application may be supported by affidavits and other proper evidence. At the hearing and in the determination of the matter, evidence of a court determination of legal settlement (or of no settlement) of the person shall be regarded as an administrative determination, of such legal settlement status, by the judge and not by the court. If upon the hearing the department grants the relief asked for, it shall order a proper charge against the county chargeable, or against the state; and the person's support shall be charged accordingly by the department of administration by a proper charge or credit or both on the next apportionment under s. 70.60.

**(5) ADMINISTRATIVE REVIEW.** The order of the department is subject to review as provided in ch. 227. Upon entry of final judgment the department shall make the proper charge or credit or both and certify the same to the department of administration.

(7) **LIMITATIONS ON ACTIONS.** No relief from erroneous charges under sub. (4) may be granted unless the county charged applies to the department for relief from the charges within 10 years from the date the county receives the statement of charges from the department of administration, as specified in sub. (3). The department is bound by the same 10-year limitation in notifying the county to be charged.

The application shall be accompanied by the report of the physician of such institution or of a physician appointed by the department, in the same form as reports of physicians for the admission of patients to the hospital.

(2) The cost of treatment shall be at the rate charged the county for county patients, and shall be chargeable one-half to the institution and one-half to the state. The department may pay out of such operation fund to the institution the necessary traveling expenses, including the expenses for an attendant when needed. Payments for the treatment of such patients are to be made by the department to the university of

Wisconsin for the portion chargeable to the operation fund of the institution; and the portion chargeable to the state shall be certified and paid as provided in s. 142.08 (2).

(3) The department, acting as a state location service, shall furnish all services under sub. (2) to any similarly appointed agency of another state which by its laws is authorized to furnish such services to this state or its agencies.

(4) Except as provided in this section, no person may use or disclose information obtained by the state location service. Any person violating this subsection may be fined not less than \$25 nor more than \$500 or imprisoned for not more than one year in the county jail or both.

(6) The department shall establish, pursuant to federal and state laws, rules and regulations, a uniform system of fees for services provided under this section to individuals not receiving aid under s. 49.19. All such fees paid and collected may be retained by the county providing the service except for the fee specified in 42 USC 653 for federal parent locator services.

(7) The department may represent the state or any individual in any action to establish paternity or to establish or enforce a support obligation. The department shall delegate its authority to represent the state or any individual in any action to establish paternity or to establish or enforce a support obligation under this

section to the district attorney, or corporation counsel when authorized by county board resolution, pursuant to a contract entered into under s. 59.07 (97), except that if the district attorney, or corporation counsel when authorized by county board resolution, neglects or refuses to represent the obligee in a support or paternity action, the department may undertake the representation.

(8) The department may charge counties seeking collection of child and spousal support for any administrative costs it incurs in providing services related to the interception of unemployment compensation or the withholding of federal income tax refunds under 42 USC 654 and 664. The department of industry, labor and human relations may charge the department of health and social services and counties for administrative costs it incurs in intercepting unemployment compensation to enforce child and spousal support obligations under 42 USC 654.

**History:** 1975 c. 82; 1977 c. 26, 29, 203, 418; 1979 c. 196, 221; 1981 c. 93.

#### **46.255 Certification of uncollectible support payments to the department.**

(1) If a person obligated to provide support payments for a child is delinquent in making court-ordered payments, and the county designee authorized under s. 59.07 (97) to administer the child and spousal support and paternity program is unable to secure payment after making reasonable effort, the county designee for the county in which the order was rendered may certify the delinquent payment as uncollectible to the department.

(2) At least annually, the department of health and social services shall provide the certifications to the department of revenue.

(3) Receipt of a certification by the department of revenue shall constitute a lien equal to the amount certified as uncollectible on any tax refunds or credits owed to the obligor. The lien shall be enforced by the department of revenue as a setoff under s. 71.105. When the department of revenue determines that the obligor is otherwise entitled to a tax refund or credit, it shall notify the obligor that the state intends to reduce any tax refund or credit due the obligor by the amount the obligor is delinquent under the support order and that the department intends to forward that amount to the clerk of the court rendering the order. The notice shall provide that within 30 days the obligor may request a hearing before the circuit court rendering the support order. The sole issues at that hearing shall be whether the obligor owes the amount certified by the county designee and, if not, whether the money withheld from a tax

refund or credit shall be paid to the obligor or held for the future support of the child.

(4) The department of revenue shall send that portion of any tax refunds or credits withheld to the department of health and social services for distribution to the appropriate clerk of court. The department of health and social services shall make an annual settlement with the department of revenue and with each county designee who has certified a delinquent child support obligation. The settlement shall state the amounts certified by the county designee, the amounts deducted from tax refunds and credits and returned to the county clerk of court and the administrative costs incurred by the department of revenue. The department of health and social services may charge the county whose designee certified the obligation the related administrative costs incurred.

(5) Certification of an obligation to the department of health and social services does not deprive the county of the right to collect the obligation or to prosecute the obligor. The county designee shall immediately notify the department of any collection of an obligation that has been certified to the department, and the department shall reduce the certified obligation by the amount the county has collected.

(6) If the state implements the child and spousal support and paternity program under s. 59.07 (97), the state may act in place of the county designee under this section.

**History:** 1981 c. 20, 391.

The department shall establish information systems, monitoring and evaluation procedures to report periodically to the governor and legislature on the state impact of this section.

(2) **RECEIPT OF FUNDS.** (a) Beginning January 1, 1980, all funds to counties under this section shall be allocated to county social service departments or to county public welfare departments established under ss. 46.034, 46.21, 46.22, 46.23 and 49.51, subject to ss. 46.031 and 49.52 (2), except that monthly advance payments to the counties may be less than one-twelfth of the contracted amounts. No reimbursement may be made to any combination of counties until the counties have drawn up a detailed contractual agreement, approved by the secretary, setting forth the plans for joint sponsorship.

(b) Beginning January 1, 1980, uniform fees collected or received by counties under s. 46.03 (18) for services provided under this section shall be applied to cover the cost of the services.

(c) Funds under this section may not be used to reduce the county fiscal effort indicated in the 1979 coordinated plan and budget, and funds may not be used to replace amounts or services provided or purchased by the county in calendar year 1979. All funds under this section shall be used to purchase or provide juvenile delinquency-related services under ch. 48, except that no funds under this section may be used for purposes of land purchase, building construction or maintenance of buildings under ss. 46.17 and 46.175, for reimbursement of costs under ss. 48.208 and 48.209, for city lockups or for reimbursement of care costs in temporary shelter care under s. 48.22.

(2m) **OTHER PROGRAM REQUIREMENTS.** The first step in the establishment of a program shall be the preparation of a plan using the time schedule for submitting coordinated plans and budgets under s. 46.031 (1) (a) which includes an inventory of all existing resources and services for the target population and which details the resources to be developed and amounts to be allocated for meeting the needs of the designated target population served by the county or counties making the plan. The plan shall be developed by representatives of county public welfare departments in conjunction with representatives of a county level youth planning organization, by representatives of the judiciary and law enforcement agencies and by representatives of American Indian tribes, as required by the department. In counties without a county level youth planning organization, the county public welfare department shall choose one or more county residents to consult with.

(3) **GRANTS-IN-AID.** (a) The base allocation each county was eligible to receive in 1980 and other allocations referred to in this subsection do not include capacity building funds allocated to the county for 1980 or 1981.

(am) Receipt of funds under this subsection is contingent upon submission and approval of the plan required under sub. (2m).

(b) Prior to January 1, 1982, and within the limits of the appropriation under s. 20.435 (2) (cd), each county shall receive an amount equal to 50% of its 1980 base allocation. In addition, the state shall match appropriations of county tax levy or federal revenue sharing funds up to 1.75% of the county's 1980 base allocation.

(c) Beginning January 1, 1982, and ending December 31, 1982, and within the limits of the appropriation under s. 20.435 (2) (cd), each county shall receive a minimum amount equal to its 1980 base allocation, except that no county

may receive an allocation of less than \$19,000 nor less than 65% of an amount the county would have received in 1980 by weighting equally the county's percentage of the total statewide juvenile population, the average Part I law enforcement apprehension of juveniles for 1975 through 1978, as defined by the uniform crime reporting system of the Wisconsin criminal justice information crime and arrest report of the crime information bureau of the department of justice, and the average juvenile correctional placements with the department for 1975 through 1978.

(d) Beginning January 1, 1983, and ending June 30, 1983, each county shall receive within the limits of the appropriation under s. 20.435 (2) (cd) an amount equal to 50% of its 1982 base allocation, as determined under par. (c). In addition, an amount not to exceed \$327,300 shall be allocated to counties pursuant to sub. (4) (b) 2 according to each county's proportionate use of applicable departmental services under s. 48.34.

(b) to (d), as an emergency fund available by county request and approval of the secretary to defray costs assessed under sub. (4) due to unusual circumstances. The department may determine if unusual circumstances exist and require use of this fund.

(4) **STATE SERVICES.** (a) The department shall bill counties or deduct from the allocations under s. 20.435 (2) (cd) for the costs of all care, services and supplies purchased or provided by the department for each person receiving services under ss. 48.34 and 51.35 (3). Payment shall be due within 60 days of the billing date. If any payment has not been received within 60 days, the department shall withhold aid payments in the amount due from the appropriations under s. 20.435 (2) (b) or (cd).

(b) 1. Assessment of costs under par. (a) shall be made periodically on the basis of a per person per day cost estimate adjusted annually by the department. Liability shall apply to county public welfare or social service departments established under s. 46.22, 46.23 or 49.51 in the county of the court exercising jurisdiction under ch. 48 for each person receiving department services under ss. 48.34 and 51.35 (3). In multicounty court jurisdictions, the county of residency within the jurisdiction shall be liable for costs under this subsection. Assessment of costs under par. (a) shall also be made according to the general placement type or level of care provided, as defined by the department, and prorated according to the ratio of the amount designated under sub. (3) (b) to (d) to the total

applicable estimated costs of department care, services and supplies under ss. 48.34 and 51.35 (3).

2. Beginning in calendar year 1983 if there is an annual increase in the per person daily cost assessment, there shall be an increase in the total funds available to all counties under sub. (3) (b) to (d) sufficient to cover the total increases for state charges under par. (a).

(c) For services under ss. 48.34 and 51.35 (3), all payments and deductions made under this subsection and collections made under s. 46.03 (18) shall be deposited in the appropriation under s. 20.435 (2) (hm). This paragraph does not apply after December 31, 1982.

(d) Except as provided in pars. (e) to (g), beginning January 1, 1983, for services under s. 48.34, all payments and deductions made under this subsection and uniform fee collections made under s. 46.03 (18) shall be deposited in the appropriation under s. 20.435 (3) (hm). In calendar year 1983, counties shall be assessed at a rate of \$1,934 per month for each placement at a juvenile correctional institution. As adjustments in the assessment are made, there shall be a proportionate adjustment in the allocations to counties under this section.

(e) Beginning January 1, 1983, for foster care and institutional child care to delinquent children under ss. 48.48 (4) and (14), 48.52 and 49.19 (10) (d) all payments and deductions made under this subsection and uniform fee collections under s. 46.03 (18) shall be deposited in the appropriation under s. 20.435 (3) (ho).

(f) Beginning January 1, 1983, for services under s. 51.35 (3), all payments and deductions made under this subsection and uniform fee collections under s. 46.03 (18) shall be deposited in the appropriation under s. 20.435 (2) (gk).

(g) Beginning January 1, 1983, for juvenile field and institutional aftercare services under ch. 48 and for the juvenile offender review program, all payments and deductions made under this subsection and uniform fee collections under s. 46.03 (18) shall be deposited in the general fund and shall be treated as a nonappropriated receipt.

(5) The juvenile correctional rate review council shall review any proposed rates for juvenile services provided by the state under sub. (4).

**46.27 Long-term support community options program.** (1) **DEFINITIONS.** In this section:

(a) "Hospital" has the meaning provided in s. 50.33 (1).

(b) "Nursing home" has the meaning provided in s. 50.01 (3).

(c) "Program" means the long-term support community options program.

**(2) DEPARTMENTAL DUTIES.** The department shall:

(b) Coordinate the program with:

1. Discharge planning from hospitals;
2. Independent medical reviews and professional reviews established under 42 USC 1396a (a) (31); and
3. The protective service system under ch. 55.

(c) Review and approve or disapprove the selection of a county agency under sub. (3) (b) to administer the program.

(d) In consultation with representatives of counties, hospitals and nursing homes and with recipients of long-term community support services, develop guidelines for implementing the program and criteria for reviewing community options plans from counties participating in the program. The guidelines and criteria shall address cost-effectiveness, scope, feasibility and impact on the quality and appropriateness of health and social services and shall provide counties with maximum flexibility to develop programs that address local needs.

(e) Review and approve or disapprove the community options plan of each county participating in the program. To the extent practicable, the department shall also seek to have a cross section of counties participating in the program.

(f) Evaluate the cost-effectiveness of the program and the ability of the program to provide alternatives to institutional care of persons.

**(3) DUTIES OF PARTICIPATING COUNTIES.** The county board of supervisors of any county participating in the program shall:

(a) Create an interagency long-term support planning committee, with the composition and the duties specified under sub. (4).

(b) Designate one of the following agencies, subject to departmental review and approval, to administer the program:

(cm) Review and approve, disapprove or amend a community options plan to participate in the program, prior to submitting the plan to the department.

(d) Ensure that the program uses existing county resources and personnel to the greatest extent practicable and enhances the effectiveness of discharge planning from hospitals.

**(4) PLANNING COMMITTEE.** (a) The county board of supervisors shall select the county long-term support planning committee, which shall include at a minimum the following members:

1. At least 2 persons receiving long-term community support services;

2. One elected county official;

3. One county health representative;

4. One representative of the county department of social services or public welfare;

5. One representative of the community boards created under s. 51.42 or 51.437; and

6. One representative of the county commission on aging.

(b) If practicable, the county board shall select a physically disabled person as one of the members of the planning committee under par. (a).

(c) The planning committee shall develop a community options plan as an addendum to the coordinated plan and budget under s. 46.031 for participation in the program. The plan shall include:

1. A description of the county's proposed program, including the estimated numbers of persons to be assessed and the procedures to be used in performing assessments.

2. A description of the services available and the services to be developed or expanded as alternatives to institutional care under this program.

3. A description of the procedures to be used to coordinate the program with other county agencies, hospitals, nursing homes and providers of community support services.

4. A description of the method to be used to coordinate the use of funds received under this program with the use of other funds allocated to the county under ss. 46.80 (5) and 49.52 (1) (d) and to community mental health boards under s. 51.42 (8).

5. A description of the method to be used by the committee to monitor the implementation of the program.

**(5) AGENCY DUTIES.** The agency selected by the county board of supervisors to administer the program shall:

(am) Organize assessment activities specified in sub. (6). The agency shall utilize persons for each assessment who can determine the needs of the person being assessed and who know the availability within the county of services

alternative to placement in a nursing home or in a state center for the developmentally disabled. If any hospital patient is referred to a nursing home for admission, these persons shall work with the hospital discharge planner in performing the activities specified in sub. (6). The agency shall coordinate the involvement of representatives from the county department of social services or public welfare, community boards created under s. 51.42 or 51.437, health service providers and the county commission on aging in the assessment activities specified in sub. (6), as well as the person being assessed and members of the person's family or the person's guardian.

(b) Within the limits of state and federal funds allocated under sub. (7), arrange service contracts under s. 46.036 and ensure the provision of necessary long-term community support services for each person who meets the criteria specified in sub. (6) (b).

(c) Within the limits of state and federal funds allocated under sub. (7), provide for ongoing case management, periodic case plan review and follow-up services for any person receiving long-term community support services under sub. (6) (b).

(d) 1. Apply the uniform fee schedule under s. 46.03 (18) for long-term community support services provided any person under par. (b), if the person is eligible for medical assistance under s. 49.46 or 49.47 or if the agency finds the person likely to become medically indigent within 6 months by spending excess income for medical or remedial care.

2. Bill other persons not subject to subd. 1 for the full cost of long-term community support services received.

3. Use funds received under this paragraph to pay for long-term community support services.

(e) Within the limits of state and federal funds allocated under sub. (7) and in accordance with the county's plan for gradual implementation, apply the program to any person residing in a nursing home or state center for the developmentally disabled who wants to be assessed and to receive long-term community support services, and coordinate the program with the protective services system under ch. 55.

**(6) ASSESSMENTS.** (a) 1. Within the limits of state and federal funds allocated under sub. (7), an assessment shall be conducted for any person seeking admission to or about to be admitted to a nursing home in participating counties, or to a state center for the developmentally disabled for extended care placement if the person's county of residence is participating in this program. The assessment shall determine the person's functional abilities, disabilities and need for medical and social long-term community sup-

port services. Each assessment shall include an investigation of long-term community support services that could serve as alternatives to institutional placement in a nursing home or in a state center for the developmentally disabled. The assessment shall include an explanation of the alternatives to the person being assessed and the person's family or guardian.

2. Assessment procedures under this paragraph do not apply to any person seeking admission to a nursing home or state center for the developmentally disabled that is excluded because of gradual implementation of the program under sub. (3) (c). Assessment procedures under this paragraph do not apply in emergencies, as determined by a physician, but shall be applied within 10 days of admission. Private pay patients may waive the assessment procedures under this paragraph unless the patient will be eligible for medical assistance within 6 months of assessment.

3. In each participating county, assessments shall be conducted for those persons and in accordance with the procedures described in the county's community options plan. The county may elect to establish assessment priorities for persons in target groups identified by the county in its plan regarding gradual implementation. The county may also elect to assess persons already admitted to nursing homes and eligible for medical assistance.

(b) Within the limits of state and federal funds allocated under sub. (7), a community services case plan shall be developed for any person with chronic disabilities:

1. Who is assessed under par. (a); and

2. For whom noninstitutional community services are feasible, financially viable and preferred by the person or the person's guardian. In this subdivision, noninstitutional community services are financially viable if they can be financed by state or federal funds allocated under sub. (7).

(c) 1. If an assessment determines that nursing home care is not appropriate for a person who is eligible for medical assistance or who will be eligible within 6 months and if state or federal funds are available to support any needed noninstitutional services for the person in the community, then medical assistance reimbursement is not available for nursing home services provided to the person. An assessment determination that nursing home care is not appropriate supersedes a physician's plan of care authorizing nursing home care if the assessment determination includes review by a physician. An aggrieved person may appeal the assessment decision under ss. 49.45 (5) and 49.50 (8).

2. This paragraph applies only to counties that have fully implemented the program.

(7) FUNDING. (a) From the appropriation under s. 20.435 (2) (b), the department shall allocate \$152,200 for 1982 and \$503,900 for the first 6 months of 1983 to pay assessment and case plan costs under sub. (6) not otherwise paid under s. 46.032 or 49.45. The department shall reimburse counties for the cost of assessing persons eligible for medical assistance under s. 49.46 or 49.47 as part of the administrative services of medical assistance, payable under s. 49.45 (3) (a). Counties may use unspent funds allocated under this paragraph to pay the cost of long-term community support services.

(b) 1. From the appropriation under s. 20.435 (2) (b), the department shall allocate \$649,200 for 1982 and \$1,677,900 for the first 6 months of 1983 to pay the cost of providing long-term community support services under sub. (5) (b) to persons eligible for medical assistance under s. 49.46 or 49.47 or to persons whom the agency administering the program finds likely to become medically indigent within 6 months by spending excess income for medical or remedial care. The average per person reimbursement under this paragraph may not exceed 42% of the average per person reimbursement rate the department expects under s. 49.45 (6m). The agency administering the program may spend funds received under this paragraph only in accordance with the case plan and service contract created for each person receiving long-term community support services.

2. No county may use funds received under this paragraph to pay for long-term community support services provided any person who resides in a nursing home or state center for the developmentally disabled, unless the department waives this restriction on use of funds and the services are provided in accordance with a discharge plan.

(c) 1. The department shall allocate funds under this section to participating counties according to each county's proportionate share of a 3-factor formula, based equally on each county's percentage of the state's average monthly medical assistance population during the period of February 1978 to July 1978, each county's ranking on an urban-rural scale, which is to be determined based on the county's percentage of population living in cities, towns or villages with populations of 2,500 or more, and each county's ranking as determined by the ratio of the 1977 full value of all taxable property in the county, as defined in s. 70.57, to the county's 1977 population. No county may receive more than 50% of the total funds available in 1982 and, for the first 6 months of 1983, no county may receive less than the funds received in 1982.

2. Receipt of funds under this section is subject to s. 49.52 (2).

3. The department may not release funds under this section before approving the county's community options plan.

(d) The department may release funds to counties acting jointly, if the counties sign a contract approved by the secretary that explains the plans for joint sponsorship.

(e) No county may use funds received under this section to:

1. Purchase land or construct buildings;
2. Replace federal, state or county matching funds for long-term community support services previously provided, as indicated by the prior year's coordinated plan and budget, except to the extent that federal or state funding available for these services decreases; or
3. Reduce the federal, state or county matching expenditures for long-term community support services provided to any person under sub. (5) (b) from funds allocated under s. 46.80 (5), 49.52 (1) (d) or 51.42 (8), except to the extent that federal or state funding allocated under these sections decreases.

(8) COUNTY PARTICIPATION. Beginning January 1, 1982, the department may accept as participants in the program up to 8 counties that elect to comply with this section. Beginning January 1, 1983, this section continues to apply to counties participating in the program in 1982. In addition, any county within which resides more than one percent of the state's nursing home population, excluding residents of state centers for the developmentally disabled, may elect to participate in the program beginning January 1, 1983. The department may accept these additional counties until the total number of nursing home residents in all participating counties equals 70% of the state's nursing home population, excluding residents of state centers for the developmentally disabled. On or after September 1, 1982, the department may designate other counties it will require to participate in the program in 1983 subject to the condition that the total number of nursing home residents in all participating counties may not exceed 70% of the state's nursing home population, excluding residents of state centers for the developmentally disabled, and subject to approval or modification of the joint committee on finance. The department shall notify the joint committee on finance of the counties it proposes to designate. If the joint committee on finance fails to schedule a public hearing or executive session to review the proposed designation within 21 days after receiving notice, the committee is deemed to have approved the designation.

51.437, the department may fund federally recognized tribal governing bodies.

(2) From the appropriation under s. 20.435 (2) (dL), the department may make available to any of the 11 federally recognized tribal governing bodies in this state funds for the purposes stated in sub. (1). Beginning January 1, 1982, and ending December 31, 1982, each tribal governing body may apply to the department for up to \$24,000. Beginning January 1, 1983, and ending June 30, 1983, each tribal governing body may apply to the department for up to \$11,700. Receipt of funds is contingent upon department approval of the application. The department may partially approve any application and provide only part of the funds requested. Each application shall contain a plan for expenditure of funds, consistent with the purposes stated in sub. (1).

(3) Reimbursement to each tribal governing body is limited to the lesser of total costs or the contract amount, not to exceed the amount specified in sub. (2). Reimbursement to each tribal governing body is also limited to expenditures contained in the plan approved under sub. (2). The department may make advance payments of up to one-twelfth of an annual contract. **46.80 Aging.** (1) The department's primary responsibility to elderly persons is to assure that all elderly and disabled persons have available and accessible a continuum of care or a wide range of community and supportive services so that they may remain in their homes and neighborhoods for as long as it is possible. The department shall be the mechanism by which governmental and nongovernmental agencies may coordinate their policies, plans and activities with regard to the aging. To this end it shall:

(a) Conduct a continuous review of the scope and degree of coordination of all state programs and activities on the aging and make recommendations to the appropriate agencies regarding the expansion, coordination, consolidation and reorganization of particular activities as a means of developing a more effective and efficient total program for the aging.

(b) Examine the need for future activities, programs, services and facilities for the aging on the state, local and voluntary levels.

(c) Encourage, promote and aid in the establishment of programs and services for the aging within subordinate units of government and nongovernmental groups, and assist organizations and committees in the development of

programs in such manner as the division deems appropriate.

(d) Gather and disseminate information about programs, services, activities and facilities for the aging.

(e) Conduct a continuous program to stimulate public awareness and understanding of the needs and potentials of the aging.

(f) Provide consultant service to assist in the development of local housing for the aged.

(2) The several state agencies shall cooperate with the department in making available to it such available data as will facilitate the work of the department. The department shall make available to the several state agencies such information as it secures which will facilitate the effective operation of their programs for the aging.

(3) The department may accept, on behalf of the state, and use gifts and grants for the purposes of this section. It shall use, to the fullest extent legally possible, all available grants from federal, state and other public or private sources to fund community home care services or programs which offer alternatives to institutionalization and which provide comprehensive services at the community level. The state plan for the older Americans act shall detail objectives designed to accomplish this purpose.

(4) The secretary shall appoint such technical staff as is necessary to carry out the functions of this program.

(5) (a) The department shall administer a state supplement to the federal congregate nutrition projects under 42 USC 3030e, in effect on April 30, 1980, from the appropriation under s. 20.435 (2) (df) which will promote expansion of projects throughout the state. The department shall allocate these funds based on the percentage of the state's population of low-income persons over age 60 who reside in each county or who are members of an American Indian tribe, except that all counties receiving federal funds for congregate nutrition projects on or after July 1, 1977, may not receive an amount less than the 1976-77 allocation as a result of the program expansion. This paragraph does not require that federal limitations on the use of federal congregate nutrition funds for home delivered meals apply to the state supplement.

(b) From the appropriation under s. 20.435 (2) (df), the department shall provide funds to counties and to federally recognized tribal governing bodies to supplement federal projects providing home delivered meals under 42 USC 3030f and 3030g or to supplement nonfederally funded projects under s. 46.85. The department shall allocate these funds based on the percent-

age of the state's population of low-income persons over age 60 who reside in each county or who are members of an American Indian tribe. Beginning January 1, 1982, and ending December 31, 1982, the total amount allocated may not exceed \$580,000. The department may also establish and operate a retired senior volunteers program modeled after the federal retired senior volunteers program under 42 USC 5001, in effect on April 30, 1980 to provide voluntary services in a community. (3) Prior to January 1, 1982, the department shall make renewable state grants-in-aid from

the appropriation under s. 20.435 (2) (df) to qualified public and nonprofit private agencies for the operation of local senior companion and retired senior volunteers program units. The grants shall be for periods of 12 months or less and shall be for no more than 90% of approved nonfederal expenditures and other expenditures specifically authorized by the secretary. The grants may not be used to match other state funds. The department shall apportion funds provided under this subsection to each county that receives funds under this section for the period from January 1, 1981, to June 30, 1981. The department shall allocate the amount apportioned upon application by qualified public and nonprofit private agencies. Any amounts apportioned to a county but not allocated may be apportioned and allocated to other counties. Funds provided under this subsection may not be allocated to any project unless that project maintains its calendar year 1979 levels of federal and local funding, except to the extent that available federal funding decreases. Programs funded under this subsection and established after July 29, 1979, shall engage at least 10 companions or volunteers or combination thereof.

(3m) From the appropriation under s. 20.435 (2) (df), the department shall provide a state supplement to federally funded senior companion and retired senior volunteer program units. Beginning January 1, 1982, and ending December 31, 1982, each unit shall receive an amount equal to its 1981 state allocation. In addition, the department may provide up to \$11,600 to the units. Beginning January 1, 1983, and ending June 30, 1983, each unit shall receive 50% of its 1981 state allocation. In addition, the department may provide up to \$11,800 to the units.
