April 26, 1983

To the Honorable the Senate:

I am pleased to submit to you the annual report of the Crime Victim Compensation Program for the period from January 1, 1981 through June 30, 1982, and a preliminary report on the progress of the Victim/Witness Assistance Program.

In accordance with its progressive tradition, Wisconsin remains in the forefront in responding to the special needs of crime victims and witnesses. Wisconsin was the first state in the nation to adopt a Bill of Rights for Victims and Witnesses of Crime and families of homicide victims. This increased public awareness of the importance of citizen involvement in law enforcement efforts will help to improve the effectiveness of our criminal justice system.

The Wisconsin Victim/Witness Assistance Program acknowledges the importance of citizen participation in the criminal justice system by providing those services which will make such participation as convenient as possible; providing assistance in unique situations; and most importantly, keeping the victim or witness informed. In an effort to reduce or eliminate the financial burden upon victims of violent crimes, the Crime Victim Compensation Program continues to

provide financial assistance to innocent victims of violent crimes.

Through the Crime Victim Compensation Program and the continuation of the Victim/Witness Assistance Program, the State of Wisconsin will ensure that all victims of crime are treated with dignity, respect, courtesy and sensitivity.

Respectfully,  
BRONSON C. LA FOLLETTE  
Attorney General
