RULING OF THE CHAIR

Earlier today the Senator from the 10th, Senator Harsdorf, raised the point of order that Joint Rule 41(a) required that Assembly Bill 16 have a Fiscal Estimate prepared.

Joint Rule 49 requires the presiding officer to determine if a fiscal estimate is required. A reading of the bill does not reveal any immediate indication of where there may be an increase or decrease in fiscal liability to local or state government. Since Joint Rule 41(a) and Sec. 13.093(2)(a) of the statutes require that only bills making an appropriation or increasing or decreasing existing appropriations or state or general local government fiscal liability or revenues shall have a fiscal estimate, if it is the opinion of the chair that Assembly Bill 16 does not fall into this category, does not therefore require a fiscal estimate and the point of order raised by the Senator from the 10th, Senator Harsdorf, is not well taken.
