PETITIONS AND COMMUNICATIONS

State of Wisconsin
Ethics Board

October 12, 1983

To the Honorable the Senate:

I am pleased to provide you with the accompanying report of the State of Wisconsin Ethics Board's activities

for the year July 1982 through June 1983. This report contains both the text and a general description of Wisconsin's Ethics Code and identifies the positions to which it applies. You will also find in this volume a summary of the advisory opinions issued by the Board during the past year.

This volume, in combination with the Board's report for fiscal year 1981-82, constitutes the Board's statutorily required biennial report, thereby avoiding the cost of preparing and distributing what would be a largely redundant work.

Finally, the Statutes require me to report to you on the success of the Board's flexible-time employment schedules. Accordingly, I report that the Board maximizes employment options in a manner consistent with the needs of state service by maintaining flexible work schedules.

Sincerely,
R. ROTH JUDD
Executive Director
