December 27, 1985

To the Honorable, the Senate:

Extensive amendments to Wis. Adm. Code sec. Med 8, entitled Physician's Assistants, were published in July 1984. The most significant of these are to be found at code sections Med 8.07 and 8.08, which authorize a physician's assistant to prescribe prescription drugs

JOURNAL OF THE SENATE

under the direction and control of his or her supervising physician.

The conclusion of the Medical Examining Board is that the grant of limited prescriptive authority to physician's assistants in Wisconsin has been apparently well received and has not resulted in negative response from either health care providers or the public. Accordingly, the board has no recommendation for amendment to or repeal of code Chapter Med. 8.

If there is additional information or documentation which the Legislature wishes the board to provide, we will of course be happy to supply it.

GWEN JACKSON
Secretary

State of Wisconsin
Department of Agriculture, Trade
and Consumer Protection

January 6, 1986

To the Honorable, the Senate:

The 1983 Wisconsin Act 203 authorizes cities and counties to be designated as agents of the Department of Agriculture, Trade and Consumer Protection for inspecting and issuing permits and licenses for counter freezers, bakeries, confectionaries and retail food processing plants. A nonstatutory provision in this new law directed the Department to develop by January 1, 1986, and to submit a revised schedule of fees at levels that meet but do not exceed the Department's costs which equitably reflect differences in the Department's cost based on the license dollar volume of business.

Pursuant to this directive and as provided for in s. 13.172(2), a copy of the revised fee schedule that was developed and prepared by the Department is submitted to your offices for distribution to the appropriate legislative offices. If there are any questions concerning the report please contact Norm Kirschbaum, Administrator, Food Division of this agency.
