PETITIONS AND COMMUNICATIONS

**Senate Petition 34**

A petition by 760 residents of the state of Wisconsin in opposition to Senate Bill 9 and Assembly Bill 219, which would make changes in Wisconsin's unfair sales act.

By Senator Rude.

Read and referred to committee on Labor, Business, Veterans Affairs and Insurance.

RULING OF THE CHAIR

**Assembly Bill 303**

Relating to technical and minor policy changes in respect to the income and franchise taxes.

Read.

On March 11, 1986, the Senator from the 8th, Senator Czarnetzki, raised the point of order that senate amendment 2 to Assembly Bill 303 was not germane in that it was identical to Senate Bill 455. The chair took the point of order under advisement.

It is unusual that two similar points of order relating to the introduction of amendments which are identical to bills currently pending in the Senate be raised. A close reading of senate amendment 2 reveals that the content of senate amendment 2 is identical to that of Senate Bill 455.

Senate Rule 50(6) reads in part: "An identical amendment or an amendment identical in effect to one previously rejected as another amendment to the same bill or identical with a proposal currently before the Senate is not germane."

There is no doubt that senate amendment 2 is identical to Senate Bill 455. Therefore, it is the opinion of the chair that senate amendment 2 to Assembly Bill 303 is not germane and the point of order raised by the Senator from the 8th is well taken.

By request of Senator Cullen, with unanimous consent, **Assembly Bill 303** was placed after **Senate Bill 562**.

RULING OF THE CHAIR

**Assembly Bill 387**

Relating to product liability insurance reports.  
Read.

On Tuesday, March 11, 1986, the Senator from the 30th, Senator Van Sistine, raised the point of order that senate amendment 2 to Assembly Bill 387 was not germane. Further, the Senator raised the same question

on amendments 3, 4 and 5. The chair took the point of order under advisement.

Senate Rule 50(3) reads as follows: "The Senate may consider the germaneness of senate substitutes and amendments only, and only when such substitute or amendment is before the Senate." Therefore, the chair will rule only on senate amendment 2, although I have looked at the other amendments and I am prepared to rule should the point be raised.

Senate amendment 2 to Assembly Bill 387 introduces new language to the bill relating to actions in product liability. The original bill relates to product liability insurance reports. Mason's Manual Section 402(1) reads in part: "members have the right to vote separately on each question." Senate Rule 50(7) reads in part as follows: "A substitute or amendment relating to a specific or to a general class is not germane to a bill relating to a different specific subject."

Senate amendment 2 introduces a different specific question that should be voted on separately. Therefore, it is the opinion of the chair that the amendment is not germane and the point of order raised by the Senator of the 30th is well taken.

By request of Senator Cullen, with unanimous consent, Assembly Bill 387 was placed after Assembly Bill 303.
