On Wednesday, March 19, 1986, the senator from the 27th, Senator Feingold, raised the point of order that senate amendment 3 to Assembly Bill 729 was not germane. The Chair took the point of order under advisement.

The Chair has examined the amendment and finds that it provides an exemption for certain organizations from including in their contract to provide services a non-discrimination clause relating to sexual orientation. The amendment has the effect of limiting the scope of certain provisions of the proposal.

Therefore, in accordance with Senate Rule 50, it is the opinion of the Chair that the amendment is germane, and the point of order raised by the senator from the 27th is not well taken.
