The chief clerk makes the following entries under the above date.

PETITIONS AND COMMUNICATIONS

State of Wisconsin
Department of Administration

October 1, 1986

To the Honorable, the Senate:

Pursuant to 1985 Wisconsin Act 296, I am today filing the October 1, 1986 Interim Report of the Wisconsin Acid Deposition Research Council.

As this report details, although the Research Council is but four months old, we have begun to address diligently one of the most scientifically complex yet environmentally threatening problems facing the State of Wisconsin. By March 15, 1987 I anticipate the Acid Deposition Research Council will be transmitting research objectives, priorities and funding recommendations as part of a final report.

On behalf of all Council members, I can offer our fullest commitment to developing a research agenda which will yield the fullest possible understanding of the acid deposition phenomenon so as to offer protection to Wisconsin's sensitive resources. Your continued personal support in this endeavor is greatly appreciated.

Sincerely,
JACK DAY
Chair
