PETITIONS AND COMMUNICATIONS

University of Wisconsin System
November 3, 1986

To the Honorable the Senate

Enclosed is the final report of the private sewage systems critical resources study mandated by Section 3053(4m)(b) of the 1985-87 Biennial Budget Bill (Wisconsin Act 29).

We trust you will find the report to be comprehensive and useful. UW-Madison's Institute for Environmental Studies and Department of Urban & Regional Planning welcomed the opportunity to engage in this applied research effort for the state legislature. It is our collective hope that this research will facilitate a clearer discussion of the issues, to reach technically and socially acceptable decisions responsive to the problems which prompted the study.

If you have any questions concerning the study, please feel free to call Assistant Professor Mark Hanson at the Institute for Environmental Studies (262-2469 or 262-1004).
