SUBCHAPTER I

STATE PRINTING CONTRACTS

35.001 Definitions. As used in this chapter:

(1) "Contract printer" is the person under contract to do public printing, other than printing of the 5th class.

(2) "Department" in this chapter means the department of administration.

(3) "Revisor" means the revisor of statutes.

(4) "State agencies" include departments, boards, commissions, bureaus, institutions and the university of Wisconsin system.

History: 1977 c. 26; 1983 a. 189.

GENERAL

35.01 Public printing; definition and classification. Public printing includes all graphic reproduction by whatever process and the necessary material and binding. Public printing is divided into 7 classes:

(1) Class 1—All legislative printing and Wisconsin session laws.

(2) Class 2—Wisconsin statutes, annotations and Blue Book.

(3) Class 3—All book printing required for state agencies, not otherwise classified, except university press publications and technical or semitechnical journals of the university of Wisconsin system, the Wisconsin magazine of history and hard bound books of the historical society.

(4) Class 4—All job printing and all printing not otherwise classified.

(5) Class 5—Legal notices.

(7) Class 7—Printing for state agencies located outside the city of Madison.

(8) Class 8—Specialty printing as defined in s. 35.64 (2), yearbooks, and similar student publications not funded by student fees or student organization income and book printing excluded from class 3 under sub. (3).

History: 1975 c. 39, 198; 1979 c. 34, 175; 1983 a. 192.

35.012 State printing; exception. All printing contracted for under this chapter, except statutes and annotations of the 2nd class, yearbooks and other similar student publications not funded by student fees or student organization income, printing of the 5th and 7th classes and such copyrighted or patented or printing specialties not available for production within this state, shall be printed in this state. Printing contracted for under this chapter which is required under this section to be printed in this state may be done in another state if the laws of that state allow printing contracted for under its laws to be done in this state.

History: 1975 c. 39; 1979 c. 34; 1985 a. 29.

35.015 Exempt printing. (1) Any printing which is published by students of the university of Wisconsin system and which is funded solely from student fees or student organization income is not subject to this chapter.

(2) Any printing for a single job which the department determines may be printed at a cost less than \$50, other than stationery required for the use of the state, printing authorized and required by the legislature to be done for its use, or printing authorized and required by law to be done for the state, is not subject to this chapter.

(3) Printing is exempt from this chapter when the department exercises the discretion vested in s. 16.82 (4) to determine what printing shall be done by the state itself and what shall be contracted and when printing of forms is done by prison industries, as created under s. 56.01 (1).

History: 1975 c. 39, 200; 1981 c. 350.

35.03 Powers of department. The department shall:

(1) Let contracts for public printing and for the purchase of paper in the manner provided in this chapter.

(2) Receive printer's copy and requisitions for public printing from parties authorized by law to present them.

(3) Deliver such copy to the contract printer with written orders that the copy be printed.

(4) Direct the manner, form, style, quantity and method, when these are not expressly prescribed by law, of public printing except printing of the first class; and provide editorial services to state agencies in the preparation of copy for the printer.

(5) Prescribe rules, not inconsistent with law, for the conduct of business.

(6) Make reports to the joint committee on finance setting forth the cost of the public printing during the preceding fiscal term, with recommendations of any retrenchments that can be made therein.

(7) Order such further editions as may be necessary to supply demands whenever any original edition of Wisconsin session laws, or Wisconsin statutes, proves inadequate to meet the estimated future demands therefor, but no re-printing shall occur after the original type or plates have been distributed or rearranged. Such reprints shall be charged to the same appropriation as the original editions.

(8) In solicitation of bids, subdivide classes of printing, creating additional classes, or change printing from one class to another in establishing contracts, whenever the department determines that further or different classification will benefit the state.

(9) Furnish the paper to be used by contract printers or, when it is more economical, purchase paper from contract printers.

History: 1971 c. 125.

35.035 Printing costs and charges. (1) Unless otherwise provided, the department shall charge the cost of printing, including related materials and printing services, of all publications authorized or directed by law to be published to the state agencies responsible for submitting the publications.

(2) The department may contract with state agencies for the printing of agency publications, for which publication is not required by law, on the basis of the cost of such printing.

(3) The department shall receive full payment for the cost of printing publications of state agencies from the appropriate agencies.

(4) In this section, "state agencies" include all departments as defined in s. 16.002 (2), the legislature, the courts, and the legislative and judicial branch agencies.

History: 1979 c. 34; 1983 a. 189 s. 329 (27).

35.04 Employes. The department shall employ such staff, under the classified service as are necessary to perform the duties imposed by this chapter.

LEGISLATIVE; CLASS 1 PRINTING

35.05 Printing in general, how ordered and executed. (1) All printing for the legislature shall be in such form and printed in such manner and amount as may be determined by the joint rules of the legislature, or in the case of printing of a

nature that is the concern of one house only, then as determined by that house.

(2) (a) When the senate or the assembly determines the form or amount of printing for its own use, such determination or such regulations as may be considered appropriate governing such printing, may be made by the rules of the house or by resolution or by the senate committee on organization for the senate or the assembly committee on organization for the assembly, subject to final decision by their respective houses.

(b) When printing concerns both houses the form or amount of such printing may be determined by the joint rules or by joint resolution or by the joint committee on legislative organization, subject to any provisions of the joint rules or joint resolutions.

(3) All printing for which the format, number of copies or other features prescribed by statute is now repealed, or which had a customary form, number of copies or other features, shall continue to conform to such format, other requirements or customary form until changed by or under authority of statute, joint rule or rule of either house.

(4) When legislative proposals, legislative publications or other printing is required for the legislature, including revision or correction bills for the revisor of statutes, bills or reports for the legislative council or legislative proposals of members intended for introduction by them, such printing may be ordered by the chief clerk of either house or by other authorized persons during any session of the legislature or recess thereof, pursuant to such regulations as either house shall establish.

(5) (a) Whenever either house requires any printing for its exclusive use and whenever any joint action of both houses is taken requiring any printing to be done, the chief clerk of the house where such action originates shall issue a printing requisition to the department, and the department shall procure the printing from the contract printer selected for the printing under article IV, section 25, of the constitution.

(b) If there is no contract in force for class 1 public printing, the chief clerks shall deliver copy to the department which shall have it printed in accordance with the statutes.

(c) Any member or officer of the legislature entitled to stationery or other personalized printing may elect to have the printing performed by a printer other than the contract printer under par. (a) if par. (a) is otherwise complied with, but no voucher for printing to be performed other than by the contract printer selected through the department of administration shall be approved unless the cost of the printing will be the same as, or less than, the cost of obtaining the printing from the contract printer.

(d) Any member or officer of the legislature entitled to personalized printing may specify that his or her personalized printing shall be produced using paper with best-available recycled content.

(e) The design of the letterhead and envelope for each member or officer of the legislature shall be approved as provided by the house in which the member or officer serves; provided, that for personalized printing nothing on the finished product may indicate the printer who performed the work.

(6) Any provision in the rules of the senate or the assembly or of the joint rules relating to printing shall continue in effect during any recess or adjournment of the legislature as though the legislature had continued in session and shall likewise continue in effect following the convening and during any other special or regular session until such provision is modified or repealed.

Every requisitioning agency shall provide the necessary printer's copy for a suitable title page, containing the name of the author for every book and other document which requires a title page; but no such publication shall have written or printed thereon, nor attached thereto, the words "Compliments of" followed by the name of the author, nor any other words of similar purport.

(3) The specifications shall include normal production schedules for completion and delivery of each class; and shall provide penalties for failure to comply with production schedules or standards of quality.

(4) The specifications shall provide that all work will be performed within the plant of the contract printer unless excepted by the department.

(5) Notwithstanding subs. (1), (3) and (4), the revisor of statutes shall approve specifications and production schedules for the printing and binding of the Wisconsin statutes.

(1) The chief clerk of each house of the legislature shall, upon request, be supplied for use during the session with the bound journals of any previous session of the legislature. The department may sell such copies of the bound journals not required for the above distribution or for distribution otherwise prescribed by law, and may sell older editions at reduced prices. All prices shall be fixed by the department.

(2) Of parts of official reports, pamphlets and magazines, and pamphlet laws, printed by authority of ss. 35.28 and 35.29, one copy to each person named in lists filed for the purpose of such distributions by the respective state agencies upon whose requisition the same were printed except that blocks of such publications may be allotted to the requisitioning agency for official use subject to approval of the department.

(3) Each county, town, village and city shall purchase from the department for the municipal judges and for other officers of the county or municipality such number of copies of the statutes and other official documents not distributed under s. 35.84 as are needed for its official purposes.

(5) The department may order such further distribution of the statutes, annotations and session laws as may be needed for official use by any justice of the supreme court or by any state agency.

(7) There shall be delivered to the historical society 3 copies of every document published at the expense of the state. The chief clerks of the legislature are responsible for the delivery of all legislative documents, the department for all documents listed in s. 35.84, and the publishing state agencies for all other public documents, except as provided in s. 751.11 (2).

(8) All briefs and other materials printed for the supreme court shall be delivered to the clerk of that court for distribution.

(11) The chief clerks of the legislature shall promptly send to each county clerk, to the Milwaukee county law library, and upon application, to each state university, college and public library in this state, copies of all legislative documents together with proper filing appliances for all sessions. Each county clerk shall keep these documents open to public inspection in his office.

(11m) Except as otherwise provided in s. 35.84, the proper officers of the respective houses of the legislature, the department of administration or the state agency of origin, as the case may be, shall promptly deliver to the legislative reference bureau library, as printed or otherwise reproduced, 3 copies of each message, report, bulletin, circular or other public document of whatever character excluding forms, printed or otherwise reproduced in sufficient quantity at the expense of the state. One copy of each document received by the legislative reference bureau library under this subsection shall be retained in the library's noncirculating reference collection of Wisconsin state documents for such period as the library deems reasonable.

(12) In addition to the distributions authorized by s. 35.84 and this section the department shall deliver upon request of the historical society and the state library, such copies of any state publication still in its possession as may be needed for the use of said society and said library; and upon the request of any state officer, such copies of any printing of the 3rd class, as may be necessary or convenient for the business of such officer. But no state officer shall receive more than one such copy for his own use nor more than one copy for each assistant and chief clerk in his office. The department shall also deliver, at the expense of the state, to the library of congress, such public printing as shall be designated for that

The notice section of the register and new rules filed by an agency whose rules have not been compiled and printed pursuant to this section may be duplicated in some other form than printing if the department and revisor determine that it is administratively feasible to do so. The printing or other duplicating shall be handled by the department. It shall also determine the style of the hole-punching and may purchase and sell at cost suitable binders for the code or parts thereof. The revisor shall supervise the arrangement of materials in the Wisconsin administrative code and register, including the numbering of pages and sections. No part of the Wisconsin administrative code or register may be printed until the revisor has approved the arrangement of materials and numbering of sections therein.

(2) In this section "rule" and "agency" have the meanings prescribed in s. 227.01.

(3) The revisor shall compile and deliver to the department for printing copy for a register which shall contain all the rules filed since the compilation of rules for the preceding issue of the register was made and those executive orders which are to be in effect for more than 90 days or an informative summary thereof. The complete register shall be compiled and published before the first day of each month and a notice section of the register shall be compiled and published before the 15th day of each month. The register shall be printed in the same style as the original code and shall be so set up as to permit the changes to be inserted as pages of the original code in lieu of the pages containing superseded material. Each issue of the register shall contain a title page with the name "Wisconsin administrative register", the number and date of the register, and a table of contents. Each page of the register shall also contain the date and number of the register of which it is a part in addition to the other necessary code titles and page numbers. The revisor may include in the register such instructions or information as in the revisor's judgment will help the user to correctly make insertions and deletions in the code and to keep the code current.

(4) Each issue of the Wisconsin administrative register shall contain a notice section in which shall be printed the notices of hearings on rule making which agencies have transmitted to the revisor for that purpose, notices of intent to promulgate rules without a public hearing under s. 227.16 (2) (e), notices of referrals of proposed rules to presiding officers under s. 227.19 (2), notices of emergency rules in effect, fiscal estimates for rule-making orders under s. 227.14 (4) and such other notices as may be required by law or determined by the revisor to be appropriate.

(5) The department shall determine, on the basis of the distribution requirements under s. 35.84 and probable sales demands, the number of copies of each part of the code and each issue of the register to be printed.

(6) The department shall sell the code, issues of the register or parts of either of them at a price to be determined by it, which shall include the proportionate cost per copy of preparation and manufacturing as determined by the revisor of statutes, and the cost of sale and distribution specified in s. 35.80. State employe personnel costs shall be excluded from preparation costs. The department may establish the price of the code or of the register or parts thereof on an annual basis.

(7) A subscriber is not entitled to a refund of any part of any advance payment for the code or the register. The department shall notify each subscriber when a further payment is due.

(8) The revisor shall prepare and the department shall publish a table of contents and an index of all the rules in effect which have been compiled and printed under this section. The table of contents and index shall be recompiled and reprinted annually. They shall be printed in the same page size as the administrative code. The department shall distribute one copy of the table of contents and index free to each subscriber to the register or parts thereof.

(9) The department shall charge the legislature under s. 20.765 (1) (d) for the cost of distribution of the code and the register, including the costs specified in s. 35.80, and shall deposit all revenues received from their sale into the general fund.

(10) State agencies may purchase from the department as many copies of their part or parts of the code or copies of the register as they require for their own use or for distribution, and shall pay the department therefor at the price established under sub. (6).
