The $1 fee waived by the secretary, the fee for the trip permit shall be not less than $15. The secretary may, upon determining that a special transportation need exists, waive the fee for the trip permit. The secretary shall make rules and regulations for the issuance and use of the permits.

341.41 (9) (a) Motor carriers engaged in interstate commerce or jointly in interstate and intrastate commerce and operating a fleet of one or more units consisting of trucks, truck tractors or road tractors with a gross weight of 26,000 pounds or more, or power units having 3 or more axles regardless of weight, or vehicle combinations when the weight of the combinations exceeds 26,000 pounds may file an application for a prorate registration plate under this subsection. Eligibility under this subsection is conditioned on the vehicle also displaying a registration plate from another jurisdiction. An application for a prorate registration plate under this subsection shall be accompanied by payment to the department of a fee in an amount equal to that obtained by applying the proportion of Wisconsin in-state fleet miles plus fleet miles operated in jurisdictions with which Wisconsin has a free reciprocity agreement on vehicle registration fees divided by the total fleet miles to the total fees which would otherwise be required for annual registration of the vehicles in Wisconsin. In addition to the prorate fee, the registrant shall pay a $3 cab card fee per vehicle and a $3 plate or decal fee per vehicle to cover the cost of issuance of each cab card and plate or decal issued under this subsection. The department may refuse to permit any or all of such vehicles to be registered under this subsection if the department is not satisfied that the state will obtain a fair and equitable share of license registration revenue from the vehicles comprising such fleet.
