Unless otherwise appropriated under this chapter, a refund of an expenditure shall be deposited by the receiving state agency under the appropriation from which the original expenditure was made. After submission and approval of an estimate of the amount proposed to be spent under s. 16.50, a state agency may expend the moneys received from the refund of the expenditure, subject to s. 20.002 (1).

SECTION 20. 20.002 (1) of the statutes is amended to read:

20.002 (1) Effective period of appropriations. Unless otherwise provided appropriations shall become effective on July 1 of the fiscal year shown in the schedule under s. 20.005 and shall be expendable until the following June 30 except that appropriations for the 2nd fiscal year of a fiscal biennium shall not be in effect until the enactment of an annual budget bill or bills under s. 16.476. If the legislature does not amend or eliminate any existing appropriation on or before July 1 of the odd-numbered year, such existing appropriations provided for the previous fiscal year shall be in effect in the new fiscal year and all subsequent fiscal years until amended or eliminated by the legislature. If an annual budget bill or bills under s. 16.476 are introduced but at least one annual budget bill under s. 16.476 is not enacted on or before July 1 of an even-numbered year, all appropriations existing on June 30 of the same even-numbered year shall continue in effect in the new fiscal year and all subsequent fiscal years until amended or eliminated by the legislature. If the biennial state budget has not been enacted on or before June 30 of the odd-numbered year, the department of administration may, for accounting purposes, adjust its appropriation account structure, beginning on July 1 of the odd-numbered year, to reflect the appropriation account structure in the biennial state budget.

20.928 (3) All compensation adjustments for state employees approved by the legislature shall take effect and be earned at the beginning of the pay period closest to July 1 or the date prescribed by law or by the appropriate authority. In the odd-numbered years, payments for such adjustments, including payments under collective bargaining agreements, may not be made prior to enactment of the biennial budget bill. In the even-numbered years, payments for such adjustments, including payments under collective bar-
gaining agreements, may not be made prior to enactment of an annual budget bill or bills under s. 16.476.

SECTION 21m. 20.928 (3) of the statutes, as affected by 1987 Wisconsin Act .... (this act), is amended to read:

20.928 (3) All compensation adjustments for state employees approved by the legislature shall take effect and be earned at the beginning of the pay period closest to July 1 or the date prescribed by law or by the appropriate authority. In the odd-numbered years, payments for such adjustments, including payments under collective bargaining agreements, may not be made prior to enactment of the biennial budget bill. 36.09 (1) (j) Except where such matters are a subject of bargaining with a certified representative of a collective bargaining unit under s. 111.91, the board shall establish salaries for persons not in the classified staff prior to July 1 of each year for the next fiscal year, and shall designate the effective dates for payment of the new salaries. In the first year of the biennium, payments of the salaries established for the preceding year shall be continued until the biennial budget bill is enacted. In the 2nd year of the biennium, payments of salaries established for the preceding year shall be continued until the enactment of an annual budget bill or bills under s. 16.476. If the budget is enacted after July 1, payments shall be made following enactment of the budget to satisfy the obligations incurred on the effective dates, as designated by the board, for the new salaries, subject only to the appropriation of funds by the legislature and s. 20.928 (3). This paragraph does not limit the authority of the board to establish salaries for new appointments. The board may not increase the pay of employees specified in s. 20.923 (5) and (6) (m) and 230.08 (2) (d) under this paragraph unless the pay increase conforms to the proposal as approved under s. 230.12 (3) (e) or the board authorizes the pay increase to correct salary inequities under par. (h), to fund job reclassifications or promotions, or to recognize competitive factors. The granting of pay increases to recognize competitive factors does not obligate inclusion of the annualized amount of the increases in the appropriations under s. 20.285 (1) for subsequent fiscal bienniums. No later than October 1 of each year, the board shall report to the joint committee on finance and the departments of administration and employment relations concerning the amounts of any pay increases granted to recognize competitive factors, and the institutions at which they are granted, for the 12-month period ending on the preceding June 30.
