Dear Speaker Loftus:

I write to request your permission to establish a subcommittee of the committee on Urban and Local Affairs. The subcommittee titled State-Local Partnership, will delve into several general areas mainly relating to the cooperation between the State and local governments in providing services to the citizens of Wisconsin.

Representative Leo Hamilton would chair the subcommittee and consist of the following five members of the committee on Urban and Local Affairs: Representatives Wineke, Van Dreel, Goetsch and Deininger. Some of the specific areas to be reviewed will be:

1. How well does the State communicate with local officials;
2. Are the impacts of State actions on local governments given adequate prior consideration;

JOURNAL OF THE ASSEMBLY [May 1, 1989]

3. Have sufficient financial resources been made available to permit local government to carry out its responsibilities;
4. What changes in the current law would be helpful to local officials in discharging their duties.

The Subcommittee on State-Local Partnership would meet during the summer and would hold hearings in some of the rural areas of the state to enable those local officials an opportunity to share their concerns and opinions with us. I believe that the information received from this subcommittee will benefit the full committee on Urban and Local Affairs as we deliberate on legislation proposed before us during the next year, as well as provide the Legislature with additional important data on local government concerns.

Thank you in advance for your consideration of this request and should you have any questions please feel free to contact me.

Sincerely,
G. SPENCER COGGS
Chairperson
