This is to notify you of your appointment to the Assembly Committee on Environmental Resources and Utilities, effective immediately.

July 21, 1989

The Honorable Thomas T. Melvin
Assembly Chief Clerk
Room 8 West, State Capitol
Madison, WI 53702

Dear Chief Clerk Melvin:

The 1988 Annual Report regarding the operations of the Office of Commissioner of Banking, the entities we regulate, and the statutes and administrative rules administered by this office is presented for your review.

Nineteen eighty-eight was a year of growth and change for Wisconsin state banks. The number of state bank charters was reduced, through consolidation, from 443 to 416. However, total assets grew from \$24.4 billion to \$25.6 billion, an increase of 4.9%. Assets had declined by 0.5% in 1987. The 1988 growth in assets is even more significant in light of the problems pervading financial institutions throughout the United States. Wisconsin state banks, as a whole, meet the statutory criteria for safety and soundness.

The past year also included the enactment of 1987 Wisconsin Act 252, an omnibus banking bill providing benefits both to the banking industry and this agency. The legislation clarified current laws, eliminated obsolete requirements and provided the agency with new powers, such as cease and desist authority.

The Consumer Credit Division's administration of the Wisconsin Consumer Act continued to display its sensitivity to consumer concerns, rights and responsibilities through examination of its licensees and complaint process resulting in refunds of \$303,570.10 to consumers from various creditors. Continued monitoring of consumer problems resulted in a variety of lawsuits filed with the Wisconsin Department of Justice to enforce consumer protection legislation.

The licensees of the Consumer Credit Division continue to operate in a manner consistent with state law. Their industries will be the subject of an omnibus consumer

credit bill now being drafted for introduction during this legislative session.

September 1, 1989

This agency will continue to carry out its regulatory mission. Maintaining an effective dialog with industry representatives and concerned citizens is a key component used by this office to carry out this mission. Through the establishment and maintenance of such effective working relationships, we will all benefit.

Sincerely,
TOBY E. SHERRY
Commissioner

Mr. Thomas Melvin
Assembly Chief Clerk

P.O. Box 8952
Madison, WI 53708

Dear Mr. Melvin:

Pursuant to s. 710.02(4)(b), Stats., as amended by 1989 Wisconsin Act 31, I am pleased to submit to the Assembly the attached report entitled "Status of Alien Land Ownership in the State of Wisconsin, January 1, 1989".

Under s. 710.02(4)(b), Stats., DATCP must annually submit this report to the chief clerk of each house of the legislature for distribution to the appropriate standing committees under s. 13.172(3). The report summarizes information received under s. 710.02(4)(a), Stats.

Under s. 710.02(4)(a), Stats., all foreign persons (including individuals, corporations, companies, firms, partnerships, trusts, and any other legal entity) who acquire or transfer land in Wisconsin must submit a report to DATCP not later than 90 days after the date of acquisition or transfer. The same report must also be filed under federal law, under 7 USC 3501 to 3508. Aliens initially file the ASCS-153 forms with their county ASCS office. The reports are then forwarded to Washington, D.C., to be verified and recorded before they are filed with DATCP.

The attached report summarizes ownership of Wisconsin land as of January 1, 1989, and purchases during the 1988 calendar year.

Sincerely,
HOWARD C. RICHARDS
Secretary
