SUBJECT: Forward Wisconsin Legislative Report

The Department of Development is required to provide the Legislature with an annual report describing the job generation and marketing activities of Forward Wisconsin, Inc. The 1989-90 report, covering the period July 1, 1989 to June 30, 1990 is attached. A summary memo from Forward Wisconsin's President Dennis Blang is also attached.

As Vice Chairperson of Forward Wisconsin, I feel the organization has made good progress in improving its efficiency and coordinating the state's economic development marketing activities. Forward Wisconsin and the Department of Development are working hand-in-hand to attract new business and help existing firms grow. The attached report outlines that cooperative effort.

As you know, the \$500,000 in state funding we provide to Forward Wisconsin is matched dollar-for-dollar with private contributions. I believe those dollars are being used judiciously to help maintain and expand the state's economy. Copies of Forward Wisconsin's year-end financial audit are available by calling 256-4567.

Please let me know if you have any questions.

RE: Annual Report

Forward Wisconsin's Annual Meeting on September 18 marked the sixth anniversary of our marketing organization. It also marked the culmination of a record-setting, award-winning year.

We worked with more prospects that resulted in more new job creation than any other year in Forward's history. The number of new prospects generated by our marketing activities was nearly double that of the previous year. One of our marketing programs won a national award.

That record of accomplishments reflects not only the improved effectiveness of our marketing efforts, but also the strengthened partnerships Forward Wisconsin developed during the year with state agencies and others. Forward Wisconsin is a vital part of the state's economic development team that is working hard to keep the economy strong.

Thank you for your continued support and encouragement. Special thanks to the four legislators who served on our Board of Directors during the fiscal year - Senator Lynn Adelman, Representative Scott Fergus, Senator Barbara Lorman and Representative Susan Vergeront. Their guidance is crucial in whatever success we can claim.

I welcome your comments and suggestions.
