

STATE OF WISCONSIN
Assembly Journal
Eighty-Ninth Regular Session

WEDNESDAY, December 5, 1990

The chief clerk makes the following entries under the above date:

EXECUTIVE COMMUNICATIONS

State of Wisconsin
Office of the Governor
Madison

To the Honorable Members of the Legislature:

Pursuant to section 161.565, Stats., as created by 1989 Wisconsin Act 122, we are pleased to submit a joint report of drug enforcement.

The report describes the activities in this state during the previous year to enforce the laws regulating controlled substances. In addition, the report contains recommendations for improving the effectiveness of enforcement activities and other efforts to combat the abuse of controlled substances.

As you can see by the information contained herein, we are beginning to turn the tide in the war on drugs. Once the various law enforcement and education and prevention tools authorized by Acts 121 and 122 are fully implemented, we believe the incidence of drug abuse in Wisconsin will begin to decline and the number of arrests and convictions of those determined to manufacture, sell, possess or abuse controlled substances will increase.

We are confident that with the continued commitment of the legislature to provide the resources and the laws necessary, Wisconsin can win the war on drugs.

Sincerely,
TOMMY G. THOMPSON
Governor

DONALD J. HANAWAY
Attorney General

Dear Tom:

1983 Wisconsin Act 27 created s. 46.277(5m) of the statutes which requires the Department of Health and Social Services to submit an annual report on its federal Medicaid home and community-based waiver project.

JOURNAL OF THE ASSEMBLY [December 5, 1990]

the Community Integration Program II (CIP II). CIP II is designed to relocate or divert elderly and physically disabled persons from nursing homes into the community.

The report is to describe the cost and quality of services provided and the extent to which services are used. The report is due to the Legislature annually, by July 1. This year we have decided to do additional cost and quality analysis which was not included in previous annual reports. This additional analysis is taking longer than expected; however, we will have a report to you by February 1, 1991 that covers activities through June 30, 1990.

Sincerely,
PATRICIA A. GOODRICH
