RULING OF THE CHAIR

Earlier today the senator from the 28th, Senator Adelman, raised the point of order that **Senate Bill 65** was not properly before the senate because it is a local law relating to the 33rd senate district which is vacant at this time and that Senate Rules 7 and 8. Order and decorum, required the district to be represented. The Chair took the point of order under advisement. The Chair has closely reviewed Senate Rules 7 and 8 and finds no language that requires a senate district to be represented when issues relating to that district are being considered for action by the senate. Therefore, it is the opinion of the Chair that the point of order is not well taken.
