COMMITTEE REPORTS

REPORT OF JOINT SURVEY COMMITTEE ON RETIREMENT SYSTEMS

Appendix to Senate Bill 31

Public Policy Involved

Senate Bill 31, which represents the Executive Budget Bill introduced at the request of the Governor, contains numerous provisions affecting those programs administered by the DETF. These provisions address many of the concerns that have been raised over the last several years by employee and employer participants of the WRS and also private sector representatives in Wisconsin. Many of the issues have already been addressed by passage of 1989 Wis. Act 13. Retirement issues not addressed by the Act should be subject to greater review by the JSCRS and the legislature than is possible in the Executive Budget Bill.

Recommendation

1989 Senate Bill 31 represents the Executive Budget Bill introduced at the request of the Governor. The bill contains several modifications to the Wisconsin Retirement System (WRS), and the Joint Survey Committee on Retirement Systems (JSCRS) is only concerned with the provisions in this bill relating to programs administered by the Department of Employee Trust Funds. The Committee recommends that the provisions affecting DETF programs be deleted because some of the issues have already been addressed by 1989 Wisconsin Act 13 and because other issues require greater study and development.
