To the Honorable the Legislature:

Forward Wisconsin, Inc. is required to provide the legislative leadership of the appropriate standing committees of each house with an annual report describing its marketing activities.

We will submit Forward's 1988-89 Legislative Report (July 1, 1988-June 30, 1989) upon completion of our

year-end financial audit. Arthur Andersen has already begun the independent audit and anticipates its finalization by August 15, 1989.

The report will contain specific information on job generation, cooperative economic development efforts with public/private organizations, new marketing initiatives, administrative improvements, and the June 30, 1989 year-end financial audit.

I will, of course, be available to answer any questions that you or your committee members might have after reviewing the report we will distribute in mid-August. In the meantime, if you have questions on any of Forward's activities, please call me at (608) 256-4567.
