To the Honorable the Legislature:

In compliance with section 43056(7m) of 1989 Wisconsin Act 31, I am submitting the attached report on the Veterans Small Business Study recently completed by the Wisconsin Department of Veterans Affairs (WDVA).

The study was conducted by WDVA staff in cooperation with other public and private agencies concerned with small business ownership by veterans. The study identifies the problems experienced by small businesses owned by veterans in securing investment capital to start or expand their businesses.

The report also identifies an implementation plan to link small businesses owned by veterans with investors who directly provide equity capital to new or growing small firms.

Sincerely,
JOHN J. MAURER
