Legislative Audit Bureau

July 10, 1990

To the Honorable the Legislature:

We have completed an audit of the financial statements of the Local Government Property Insurance Fund financial statements as required by s. 13.94, Wis. Stats. The audit covered the two fiscal years ended June 30, 1989, and June 30, 1988.

Our audit report contains the financial statements and related auditor's opinion for the years audited. We were able to express an unqualified opinion on the financial statements. However, we have included minor management recommendations in a separate management letter to the Office of the Commissioner of Insurance to improve accounting and administrative controls.

We appreciate the courtesy and cooperation extended to us by the staff of the Office of the Commissioner of Insurance and the contractors who help administer the property fund program.

Sincerely,
DALE CATTANACH
State Auditor
