JOURNAL OF THE ASSEMBLY [January 15, 1991]

December 21, 1990

Thomas T. Melvin, Chief Clerk
Wisconsin State Assembly
Suite 402, 1 East Main St.
P.O. Box 8952
Madison, WI 53708

Donald J. Schneider, Chief Clerk
Wisconsin State Senate
Suite 402, 1 East Main St.
P.O. Box 7882
Madison, WI 53707

Dear Chief Clerks Melvin and Schneider:

This report is transmitted as required by ss. 20.002(11)(f) of the Wisconsin Statutes, (for distribution to the appropriate standing committees under section 13.172(3) stats.), and confirms that the Department of Administration has found it necessary to exercise the "temporary reallocation of balances" authority provided by this section in order to meet payment responsibilities and cover resulting negative balances in the general fund for one day during the month of December, 1990. On December 5, 1990, the General Fund balance was \$-8.6 million. This one day shortfall was due to the regularly scheduled \$374 million School Aid disbursement on December 3rd, combined with a delay in General Fund receipts resulting from a blizzard on the same day. The General Fund shortfall for the one day was not in excess of the \$400 million ceiling and did not exceed the balances of the funds available for interfund borrowing.

The distribution of interest earnings to investment pool participants is based on the average daily balance in the pool and each fund's share. Therefore, the quarterly calculation by State Finance will automatically reflect the use of this temporary reallocation of balance authority.

Sincerely,
JAMES R. KLAUSER
Secretary, DOA

Women's Business Initiative Corporation
SUBJECT: ANNUAL STATUS REPORT
Pursuant to 1989 Senate Bill 31, Section 3015(5n)
Women Business Revolving Fund, the Women's

Business Initiative Corporation submits its Annual Status Report.

We have contracted with the Department of Development to provide services and assistance to women who start and operate businesses in Wisconsin. Also, to make loans or provide loan guarantees from the Revolving Loan Fund for the following purposes:

1. To meet costs associated with starting a women owned business.
2. To meet day-to-day operating costs of an existing women owned business.
3. To meet costs associated with expansion of women owned business.
4. To meet costs associated with acquisition of an existing business by a women owned business.

Since the launching of the Revolving Loan Fund in June of 1990, the Initiative has three closed loans in it's loan portfolio, and another three applications are being processed for closing. The total of loans closed will equal the contribution necessary to match the initial amount to be granted by the Department of Development. We currently have five loan applications in addition to those mentioned above, which are eligible for the state grant funds. Our guidelines for the Revolving Loan Fund are attached.

Respectfully submitted,
LIDIA PAZ-BECKETT
