State of Wisconsin
Department of Agriculture, Trade
and Consumer Protection
Madison

October 24, 1991

To the Honorable, the Legislature:

I am pleased to file this report on pesticide fees and funding mechanisms for Pesticide, Feed, Fertilizer and Agricultural Clean Sweep programs which DATCP was authorized to conduct. Specific objectives included:

Requiring pesticide manufacturers and labelers to fund the disposal costs of pesticides and their containers; and

The feasibility of establishing volume based fees.

This report fulfills the requirement established in section 9104 (4h) of 1991 Wis. Act 39.

The Department created an ad hoc committee to help address these issues and review fee proposals. The report identifies the members of the committee and delineates

the concerns that were brought to the Department. The report contains DATCP's recommendations for pesticide, feed and fertilizer fees. The fees proposed are based on sales volumes for pesticides. We believe the fees proposed will cover our program costs, and allow for the continuation of Agricultural Clean Sweep programs. We appreciate the opportunity to address these issues and share our views with the Legislature.

Sincerely,
ALAN T. TRACY
Secretary
