To the Honorable, the Assembly:

1989 Act 122 (46.264) provided authorization and funding for an Early Intervention Program for High Risk Youth. The intent of the program was to serve youth ages 8-11 who are at high risk of committing serious delinquent acts and divert them from the juvenile justice system. The legislation establishing the program contained a June 30, 1993 sunset date. In addition, it required that the program be evaluated and the Department submit a report to the Governor and Legislature by June 30, 1992.

The early Intervention Program was not implemented due to uncertainty in both the 1991-93 Budget and the 1992-93 Fiscal Adjustment Bill as to whether the program would be continued. Most recently, the Fiscal

Adjustment Act (1991 Act 269) deleted funding for the program and retained its sunset date.

Since the Early Intervention Program will not be implemented, the Department is unable to submit the required evaluation report.

Sincerely,  
GERALD WHITBURN  
Secretary
