SECTION 22e. Subchapter III of chapter 159 of the statutes is renumbered subchapter IV of chapter 159.

SECTION 22g. Subchapter III of chapter 159 of the statutes is created to read:

CHAPTER 159
SUBCHAPTER III
RECYCLING MARKET DEVELOPMENT

159.40 Definitions. In this subchapter:

(1) “Board” means the recycling market development board.

(2) “Business entity” means any organization or enterprise operated for profit or that is nonprofit and nongovernmental, including a proprietorship, partnership, business trust, joint venture, syndicate, corporation or association.

(3) “Recovered material” means a material specified in s. 159.07 (3) that is recovered from solid waste in a recycling program established under subch. II.

159.42 Duties of the board. The board shall do all of the following:

(1) Promote the development of markets for recovered materials and the orderly and efficient marketing of recovered materials by responsible units to do all of the following:

(a) Maximize the marketability of these recovered materials on a statewide basis.

(b) Minimize the number of variances granted under s. 159.11 (2m) (b) and (c).

(c) In furtherance of the efforts of responsible units under s. 159.11 (2) (i), minimize the amounts of these recovered materials disposed of in landfills or burned without energy recovery in incinerators.

(2) Encourage cooperation among responsible units and other appropriate persons, in furtherance of the duty specified in sub. (1), to:

(a) Develop solutions to product and technical problems.

(b) Acquire and disseminate information.

(c) Promote and market recovered materials.

(d) Improve the quality of recovered materials.

(e) Address other common problems faced by responsible units in marketing these recovered materials.

(3) Contract, whenever feasible, with other persons to accomplish the powers and duties of the board.

(4) Conduct a study of the feasibility and desirability of transferring the powers and duties of the board to a business entity and, no later than May 30, 1996, submit a report on the results of the study to the governor, and to the legislature under s. 13.172 (2).

159.44 Powers of the board. The board may do any of the following:

(1) Provide financial assistance under s. 159.46.

(2) Fund research concerning markets for recovered materials and the development of markets for recovered materials to maintain present markets or to create new or expanded markets.

(3) Fund research to improve the recovery, processing or distribution of a recovered material.

(4) Establish appropriate technical assistance and educational programs for responsible units and other governmental entities; solid waste scrap brokers, dealers and processors; business entities that use or could use recovered materials or that produce or could produce products from recovered materials and persons who provide support services to those business entities; and the general public.

(5) As appropriate and necessary, charge fees for its services.

159.46 Financial assistance. (1) The board may provide financial assistance, directly or in cooperation with another person, to a governmental entity or a business entity to assist responsible units in the marketing of recovered materials or to develop markets for recovered materials. Forms of financial assistance provided by the board, and by a recipient of financial assistance from the board, may include grants, loans and manufacturing rebates.

(2) If the board determines that financial assistance is required to stimulate an activity that it determines is needed to assist responsible units in the marketing of recovered materials or to develop markets for recovered materials, the board shall request proposals for that activity, unless the board determines that a request for proposals is not an effective means for distributing the financial assistance for that activity.

(3) If the board awards assistance under sub. (1) that results in a loan being made by the recipient to another person, the board may direct that the repayments of the loan’s principal and any interest either be repaid to the recipient for use in a revolving loan fund or returned to the board. The board shall credit any funds received under this subsection to the appropriation under s. 20.505 (4) (L).

(4) In any biennium, the board may not expend more than 10% of the amount appropriated under s. 20.505 (4) (t) for that biennium for contracts with and financial assistance to responsible units.

159.48 Executive director and other staff for the board. (1) The governor shall nominate, and with the advice and consent of the senate appoint, an executive director of the board outside of the classified service, to serve at the pleasure of the governor.

(2) The secretary of natural resources shall designate 2 employees of the department to staff the board.

(3) The secretary of development shall designate 2 employees of the department of development to staff the board.

560.835 (6) Subject to ss. 560.82 (2), (3), (4) (b) and
(5) and 560.84, the department may award a grant
from the appropriation under s. 20.143 (1) (a) to an
eligible recipient for an early planning project for an
activity described in sub. (1) (a) to (d). The total
amount of grants for early planning projects awarded
under this subsection may not exceed $50,000 during a
fiscal biennium.

SECTION 35. 560.835 (7) of the statutes is created to read:
560.835 (7) (a) The board may not award a grant or
loan under sub. (1) and the department may not
award a grant under sub. (6) after the effective date of
this paragraph .... [revisor inserts date].

(b) The department shall deposit in the recycling
fund all moneys received after the effective date of this
paragraph .... [revisor inserts date], in repayment of
loans made under this section.

SECTION 36. 560.85 (2) of the statutes is amended to read:
560.85 (2) The board shall develop a policy gov-
erning the repayment of grants and loans made under
s. 560.83 or 560.835. The board or department shall
deposit moneys received in repayment of grants and
loans under s. 560.83 in the appropriation under s.
20.143 (1) (im) and shall deposit moneys received in
repayment of grants and loans under s. 560.835 in the
appropriation under s. 20.143 (1) (ip).

SECTION 38. 1993 Wisconsin Act 16, section 9115
(3j) is repealed.

SECTION 38m. Nonstatutory provisions; adminis-
tration. (1) Notwithstanding section 16.42 (1) (e) of
the statutes, in submitting information under section
16.42 of the statutes for the purposes of the 1995-97
biennial budget bill, the department of administration
shall submit information concerning the appropriation
under section 20.505 (4) (t) of the statutes, as created
by this act, as though the total amount
appropriated under that appropriation in fiscal year 1994-95 was $6,108,000 higher than the amount that was appropriated under that appropriation.

(2) Notwithstanding the length of terms specified in section 15.105 (20) (f) of the statutes, as created by this act, the initial members of the recycling market development board appointed under section 15.105 (20) (c) (3) and (4) of the statutes, as created by this act, shall be appointed for the following terms:

(a) Two members appointed under section 15.105 (20) (c) 3 of the statutes and one member appointed under section 15.105 (20) (c) 4 of the statutes for terms expiring on May 1, 1995.

(b) Two members appointed under section 15.105 (20) (c) 3 of the statutes and one member appointed under section 15.105 (20) (c) 4 of the statutes for terms expiring on May 1, 1996.

(c) Two members appointed under section 15.105 (20) (c) 3 of the statutes and one member appointed under section 15.105 (20) (c) 4 of the statutes for terms expiring on May 1, 1997.

(3) The authorized FTE positions for the department of administration funded from the appropriation under section 20.505 (4) (s) of the statutes, as created by this act, are increased by 1.0 SEG position for the executive director of the recycling market development board.

SECTION 39. Nonstatutory provisions; development. (1) The authorized FTE positions for the department of development, funded from the appropriation under section 20.143 (1) (q), 1991 stats., are decreased by 1.0 SEG position to reflect the termination of recycling market development functions.

(2) The authorized FTE positions for the department of development, funded from the appropriation under section 20.143 (1) (r) of the statutes, are decreased by 1.0 SEG position to reflect the termination of recycling market development financial assistance functions.

(3) Using the procedure under section 227.24 of the statutes, the department of development shall promulgate rules necessary for the administration of the recycling rebate program under section 560.12 of the statutes, as affected by this act, and for the administration of the recycling grant and loan program under section 560.65 of the statutes, as affected by this act, for the period before the effective date of permanent rules. The department shall file the emergency rules in the office of the revisor of statutes no later than the 30th day after the effective date of this subsection. Notwithstanding section 227.24 (1) (c) of the statutes, a rule promulgated under this subsection remains in effect for 12 months, except that the rule may be extended by the joint committee for review of administrative rules. Notwithstanding section 227.24 (1) (a) and (2) (b) of the statutes, the department need not provide evidence of the necessity of preservation of the public peace, health, safety or welfare in promulgating a rule under this subsection.

SECTION 40. Nonstatutory provisions; housing and economic development authority. (1) Notwithstanding section 234.93 (4) (a) of the statutes, on the effective date of this subsection, the Wisconsin housing and economic development authority shall transfer from the Wisconsin development reserve fund under section 234.93 of the statutes to the department of administration to be deposited in the recycling fund an amount equal to $1,500,000 less an amount sufficient for all of the following:

(a) To pay all outstanding claims arising from any loan guaranteed under section 234.67 of the statutes before the effective date of this paragraph.

(b) To fund guarantees for loans guaranteed under section 234.67 of the statutes before the effective date of this paragraph.

SECTION 40m. Nonstatutory provisions; natural resources. (1) The authorized FTE positions for the department of natural resources, funded from the appropriation under section 20.505 (4) (t) of the statutes, as created by this act, are decreased by 1.0 SEG position to reflect the termination of recycling market development functions.

(2) The authorized FTE positions for the department of natural resources, funded from the appropriation under section 20.505 (4) (u) of the statutes, as affected by section 234.67 of the statutes before the effective date of this paragraph.

(3) Notwithstanding section 159.23 (4) (intro.), 1991 stats., if a responsible unit, as defined in section 159.01 (9) of the statutes, submits an application for financial assistance for 1994 under section 159.23 of the statutes by October 31, 1993, the department of natural resources shall consider the application to be timely submitted and shall pay to the responsible unit the full amount of financial assistance for 1994 as determined under section 159.23 (5) or (5m) of the statutes.

SECTION 41. Appropriation changes; development. (1) On the effective date of this subsection, there is transferred to the recycling fund the unencumbered balances of the appropriations to the department of development under section 20.143 (1) (ig) and (ip) of the statutes, as affected by the acts of 1993.

(2) In the schedule under section 20.005 (3) of the statutes for the appropriation to the department of development under section 20.143 (1) (s) of the statutes, as affected by the acts of 1993, the dollar amount is increased by $1,100,000 for fiscal year 1993-94 and the dollar amount is increased by $600,000 for fiscal year 1994-95.
