To the Honorable the Legislature:

We at the Department of Natural Resources are pleased to provide you with a copy of our annual Wisconsin Environmental Policy Act (WEPA) report. In fulfillment of Section 1.11(2)(j) of the state statutes, this document provides information on the numbers of environmental assessments (EA's) and environmental impact statements (EIS's) completed in the past fiscal year.

We have also included a copy of our recently produced WEPA citizen guide, for your information. The guide gives a brief overview of the authority WEPA does and does not provide and how citizens' environmental concerns can be addressed through WEPA.

In addition, we are currently working with other state agencies and local governments to formulate ideas for the application of WEPA to land use concerns. As you know, there is a growing concern by state and local leaders about appropriate land use development. WEPA has the potential to address some of these concerns. I will be forwarding those ideas to you in the near future for your consideration.

I look forward to discussing any questions you may have about this report.

Sincerely,  
GEORGE E. MEYER  
Secretary, DNR

Dear Mr. Melvin:

In accordance with SS 38.12 (11)(c) this is to report the methods that the Wisconsin Indianhead Technical College has taken to comply with the statutes in providing information on sexual assault and sexual harassment to students and staff.

2. The above information is also provided during the orientation sessions with students and during our orientation with new employees.

3. At WITC-Superior, a portion of the staff in-service focused on the topic of sexual harassment.

To the Honorable the Assembly:

We have completed audits of the Wisconsin Department of Veterans Affairs Veterans 1980 Series A Mortgage Revenue Bond Program and Veterans 1981 Mortgage Revenue Bond Program. The audits were requested by the Department of Veterans Affairs to fulfill the annual audit requirements under the Indenture of Trust and Bond Resolution for the bond issues.

Our audits included tests to ensure that the bond programs have met the requirements of the Indenture of Trust, Bond Resolution, and the Wisconsin Statutes.

The audit reports include no major findings, conclusions, or recommendations and, in our judgment, is not likely to be of interest to most members of the Legislature.

Copies of the audit reports have been distributed to members of the Joint Audit Committee and those

required by law to receive copies. If you are interested in receiving a copy of these reports, please contact our office and request report numbers 93-21 and 93-22.

Sincerely,
