REFERRAL OF AGENCY REPORTS

State of Wisconsin  
Department of Development

October 20, 1994

To the Honorable the Assembly:

State of Wisconsin  
Department of Administration  
Madison

October 24, 1994

To the Honorable the Legislature:

This report is transmitted as required by sec. 20.002(11)(f) of the Wisconsin Statutes, (for distribution to the appropriate standing committees under sec. 13.172(3) Stats.) and confirms that the Department of Administration has found it necessary to exercise the "temporary reallocation of balances" authority provided by this section in order to meet payment responsibilities and cover resulting negative balances during the month of September, 1994.

On September 1, 1994 the Health Insurance Risk Fund balance was \$-4 thousand. The shortfall continued through September 30, 1994. This shortfall is due to the timing of receipts to the fund.

The Health Insurance Risk Fund shortfall was not in excess of the \$400 million ceiling and did not exceed the balances of the Funds available for interfund borrowing.

The distribution of interest earning to investment pool participants is based on the average daily balance in the pool and each fund's share. Therefore, the monthly calculation by State Finance will automatically reflect the use of these temporary reallocations of balance authority.

Sincerely,  
JAMES R. KLAUSER  
Secretary, DOA

Referred to Joint Committee on Finance.
