**PETITIONS AND COMMUNICATIONS**

State of Wisconsin

Department of Health and Social Services

June 2, 1992

To the Honorable the Legislature:

Pursuant to s. 46.03(38), Stats., the Department is to contract for studies of the effectiveness of various welfare reform initiatives. Those initiatives include modification of the earned income disregard under s. 49.19(5)(am), extension of medical assistance benefits under ss. 49.46(1)(co) and 49.47(4)(am) and work registration under s. 49.50(7)(f).

Section 46.03(38)(b) directs the Department to ensure that final reports of these studies are submitted to the Chief Clerk of each house by July 1, 1993. This letter is to notify you that the contractor for the study of the three initiatives will not be able to produce its report in time for the July 1 deadline.

Unforeseen data problems and the necessity to obtain last minute federal approvals on sample size have caused the slight delay.

The Department will submit the final report as soon as practical, which we estimate will be by July 30.

Sincerely,  
Gerald Whitburn  
Secretary

State of Wisconsin  
Department of Administration

June 1, 1993

To the Honorable the Legislature:

As authorized and required by 1991 Wisconsin Acts 39 and 269, I am forwarding to you "A Management and Operations Study of the Wisconsin Department of Natural Resources" for distribution according to s. 13.172(2).

The report contains many comments regarding the role of the DNR Board and the organization and staffing of the Department. It includes that the Department of

Natural Resources is generally well managed and professionally staffed but, as a large decentralized organization, can improve the way policy decisions are implemented in the field away from the immediate oversight of the Secretary and the Natural Resources Board. Several recommendations are made to strengthen the position of DNR management and better assure that the Department speaks and acts consistently throughout the state. While a majority of the recommendations can be characterized as technical in nature, several recommendations will be of legislative interest, including the recommendations to expand the size of the Natural Resources Board and to appoint the six District Directors. Both of these recommendations require Legislative action.

I am convinced that each of the report's recommendations, when implemented, will contribute to an improvement in the management efficiency and responsiveness of the Department of Natural Resources. If you have questions regarding this report please contact John Montgomery, Deputy Director of the State Budget Office, at 266-1353.

Sincerely,  
James R. Klauser  
Secretary

State of Wisconsin  
Department of Agriculture, Trade and Consumer  
Protection

June 7, 1992

To the Honorable the Legislature:

In compliance with the requirements of s. 100.285(6), Stats., we are enclosing a report entitled "Wisconsin's Reduction of Toxics In Packaging Law: A Report to the Governor and the Legislature on the Effectiveness of the Statute's Provisions and Recommendations Regarding Enforcement and Penalty Provisions."

This report is submitted to your office for distribution under s. 13.172(2), Stats., to all members of the Senate wishing to obtain copies. Please initial and return a copy of this letter for our files to acknowledge receipt.

Thank You for your assistance.

Sincerely,  
Jon A. White  
Supervisor, Environmental

Tech. Unit.
