Joint Committee on Finance
Room 113 South, State Capitol
Madison, WI 53702

Dear Senator LEEAN and Representative LINTON:

Enclosed please find my letter to Secretary Whitburn of the Department of Health and Social Services (DHSS) approving his proposal to settle an audit disallowance resulting from Medicaid claims for "less than effective" drugs.

DHSS has been notified that the final settlement amount, following an appeal of the original audit finding, is \$192,338. I have approved payment of that amount from the \$529,568 in excess federal funds previously approved as a set-aside for this purpose by the Joint Committee on Finance in June, 1990.

This correspondence is being forwarded to your attention in accordance with s.16.544 of the Wisconsin Statutes.

Sincerely,

James R. Klauser
Secretary

Dear Secretary Whitburn:

Thank you for your letter regarding your proposed resolution of the disallowance resulting from the Medicaid claims for "less than effective" drugs. I understand that, as a result of your appeal on this decision, the final settlement amount is \$192,338 and that you plan to pay this settlement out of the \$529,568 in excess federal funds originally set aside for this purpose in June, 1990. The balance, \$337,230, will remain in the excess federal reimbursement fund to be used for future disallowances or lapse to the general fund. I approve your plan to settle this disallowance in this way.

Sincerely,

James R. Klauser
Secretary
