TO: Members
Joint Committee on Finance

FROM: Joe Leean, Senate Chair

SUBJECT: Changes to VTAE Interstate Educational Agreement Between Gateway Technical College and College of Lake County

On December 2, 1993, changes to the attached interstate educational agreement between Gateway Technical College and College of Lake County in Illinois, were submitted by the State Board of Vocational, Technical and Adult Education (VTAE) for approval by the Joint Committee on Finance.

The new agreement adds three programs and deletes five programs at Gateway which are no longer offered. In addition, the agreement adds one program and deletes three programs at Lake County. Similar to the changes made in two other interstate educational agreements which were approved in October, 1993, these changes are technical in nature and have no effect on the basic terms of the agreement. Therefore, if the members of the Joint Committee on Finance have no objections, it is our intention to notify the State VTAE Board of the Committee's approval of the new agreement.

If you have an objection to the approval of the 1993 agreement, please contact either of our offices by Monday, December 13. The State VTAE Board has indicated that beginning in 1994-95, changes to interstate educational agreements will be submitted concurrently to the Committee.

institutions of higher education with appropriate state agencies and institutions of higher education in other states to facilitate use of public higher education institutions of this state and other states. WHEREAS, the parties hereto believe this Agreement should be one means of implementing a viable method of cooperation between the parties hereto; and

WHEREAS, by means of this Agreement, the parties hereto desire to share programs of each institution and thereby maximize the utilization of the finances, facilities, equipment, and personnel of each institution, and by so doing, provide educational services that might otherwise be impracticable for either of the parties individually; and

WHEREAS, the parties hereto believe that implementation of this Agreement holds great promise for further development of higher education in Illinois and Wisconsin.

NOW, THEREFORE, in consideration of the mutual covenants hereinafter contained, the parties hereto agree as follows:

1. INSTITUTIONAL IDENTIFICATION

For the purpose of the Agreement, the district sending the students to another district will be referred to as the "sending district" and the institution receiving students from another district will be referred to as the "receiving institution."

2. TERMS OF AGREEMENT

Any educational program offered by the parties to this Agreement shall be a program approved by the Illinois Community College Board and/or the State of Wisconsin Board of Vocational, Technical and Adult Education.

3. DURATION AND TERMINATION OF AGREEMENT

The administration of each of the parties hereto shall confer and agree upon an educational program to be subject to the terms of this Agreement prior to the beginning of such an instructional offering, and such initial Agreement shall be in force until either party issues a letter of intent to cancel the Agreement. This Agreement may be terminated at the end of any spring semester at the request of either party provided such notice is given in writing on or before March 1 of the semester. In the event of termination, students who have entered a program will be allowed a maximum of five (5) years from the date of termination to complete the program under the terms of this Agreement.

4. AMENDMENT TO AGREEMENT

Amendments and/or revisions to this Agreement may be made in writing at any time by mutual consent of all parties. The procedure for approval of such amendments and/or revisions shall follow the same procedure employed in securing approval by all parties in the original cooperative agreement.

5. CLASS SCHEDULES

Each of the parties shall work cooperatively to develop a schedule of class offerings that will attempt to be of maximum convenience to students taking classes of all districts which are a part of this Agreement. Institutional class schedules shall be exchanged and kept available for student planning.

6. APPLICATION

Applications of first time students from the "sending district" shall be accepted by the "receiving institution" only within 60 days of the beginning of the semester for which application is made. Priority for admission to the "receiving district" shall be given to residents of the state of the "receiving institution." No residents of the state of the "receiving institution" may be displaced from the "receiving institution" due to this Agreement. Continuing students shall be treated as in-district students for priority purposes in subsequent registrations. The only exception to this procedure will be in limited access programs previously cited.

7. REGISTRATION

Students, after having secured the required joint educational agreement from and information from the "sending district," shall then register at the "receiving institution" and shall be treated as members of that district for the terms of their enrollments. The "receiving institution" shall retain the rights to deny registration if the requested courses are not considered to be appropriate to this Agreement.

8. ADDITIONAL EDUCATIONAL SERVICES

The "receiving institution" shall provide support services for students from the "sending district," similar to those provided for any other student at its campus.

Courses, seminars, workshops and in-service programs related to any educational program bound by this Agreement may be offered within the district confines of any "receiving" or "sending" institution with the consent of both districts. 9. AWARDING OF DEGREES

Students from Lake County district who complete their program requirements at Gateway may, at their discretion, participate in either the Lake County and/or the Gateway commencement exercises. 10. MINIMUM OF INSTRUCTIONAL DAYS

The parties understand and agree to comply with the requirement of a minimum of fifteen weeks (75 days) of instruction, or its equivalent, per semester, exclusive of registration or days set aside for final examinations. In recognition of this section, it is also understood by the

parties to this Agreement that they may agree upon the establishment of a mutually agreeable school calendar.

11. SCHOLARSHIPS AND STUDENT ACTIVITIES

The "receiving institution" shall be considered the home district for the student. Students from the "sending district" may be eligible at the "receiving institution" for any of the extracurricular activities, scholarships, or other recognition of excellence in the program for which they are attending at the "receiving institution."

The person responsible for financial aid at each institution shall work closely with each other to insure accuracy of records and the greatest support possible to students.

12. RECORDS

The "receiving institution" shall maintain appropriate full-time equivalency (FTE), headcount, program, and course enrollment records for students from the "sending district" in accordance with standard procedures while that student is in attendance, and will provide copies of said records to the "sending district" and interested state agencies upon request, so long as established procedures are followed.

13. CERTIFICATION OF STUDENTS

Certification procedures shall be mutually agreed upon and shall meet institutional and state agency requirements.

14. PUBLICITY

Any educational program offered through this Agreement shall be duly publicized as a cooperative program in the participating district's catalogs and other informative brochures consistent with institutional policy or other similar publicity.

15. IDENTIFICATION OF CONDITIONS OF AGREEMENT TO STUDENTS

16. CONTRACTUAL RATES CHARGED STUDENTS

The parties to this Agreement shall charge the student the same contractual rate. This contractual rate shall be based upon the institution's in-district, in-state charge. In the event this rate differs between the two institutions, the Wisconsin rate will be charged.

17. REIMBURSEMENT

The "receiving institution" shall ascertain if they are eligible to file any claims for federal reimbursement for any student enrolled in its classes.

18. STATE AND OTHER FUNDING

It is agreed by the parties to this Agreement that applications for federal and state educational funds for the "sending district" students shall be made only by the "sending

district." Private or foundation grants which further the educational goals of and generally benefit all students attending the "receiving institution," whether or not they are "sending district" students, may be applied for either separately or jointly. In no event shall the ability of either or both parties to obtain federal or state educational funds be jeopardized.

19. FINANCIAL AID

The "receiving institution" is under no obligation to provide financial aid to students from the "sending district."

20. VETERAN REPORTING REQUIREMENTS

Veterans Administration reporting requirements shall be mutually agreed upon and shall meet state and federal guidelines.

21. SECONDARY SCHOOL VISITATIONS

Requests from secondary schools in the "sending district" for visitation by "receiving institution" officials will be scheduled in cooperation with the "sending district" officials.

23. EFFECTIVE DATE

This agreement shall be in effect upon approval of the Wisconsin Joint Committee on Finance as required under s. 39.42, Wis. Stats., or on September 23, 1993 whichever is later.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement in duplicate as of the date and year first above written.

Dear Senator Leraan:

I am writing concerning the September 21st request for approval by State Director Dwight A. York for minor changes in the Gateway Technical College and McHenry County College Joint Education Agreement. My agency accepts the proposed changes in the eight programs as being within the scope of the Agreement, but also as being of a sufficiently minor nature as to preclude the necessity of formal presentation to the Joint Committee on Finance under s. 13.10.

I joint State Director York in requesting acceptance by the Co-Chairs that these changes are non-substantive and do not require Committee action.

If there are any questions concerning HEAB in this matter, or if other information is necessary, please contact me.

Sincerely,

A handwritten signature in cursive script that reads "Valorie T. Olson".
