FROM: 
Raymond A. Marnocha
Vice President for Business and Finance

SUBJECT: Report of Non-Federal Gift and Grant Expenditures

1989 Wisconsin Act 50, Section 1.20.907(1m) requires that all state agencies "...submit a report to the Joint Committee on Finance and the Department of Administration on expenditures made by the agency during the preceding fiscal year from non-federal funds received as gifts, grants, bequests or devises...."

In accordance with this requirement, enclosed is a schedule of these expenditures and a listing of gifts-in-kind received by University of Wisconsin System institutions during fiscal year 1993-94. In-kind service contributions are not included as the UW System does not have a mechanism in place to track such contributions.

If you have any questions or require additional information, please call me at 608/262-1311.
