The Honorable, The Senate:

We have completed an audit of the Unemployment Reserve Fund, Department of Industry, Labor and Human Relations for fiscal year 1993 and 1994.

Our audit included tests to ensure that the financial statements of the Unemployment Reserve Fund for fiscal years 1993 and 1994 were fairly presented in conformity with generally accepted accounting principles.

The audit report includes no major findings, conclusions, or recommendations and, in our judgement, is not likely to be of interest to most members of the Legislature.

Copies of the audit report have been distributed to members of the Joint Audit Committee and those required by law to receive copies. If you are interested in receiving a copy of this report, please contact our office and request report number 95–12.
